ADMINISTRATIVE OFFICERS

- TO THE STUDENTS OF A.H.S. -

Greetings:

This year marks the sixty-first year in the history of A.H.S. These many eventful years look down upon us with pride in the achievements of this great institution. In the future we must divide our honors with our co-worker, Palo Duro High. There are honors and opportunities enough for both. Despite the emergency handicaps under which we have operated this year, we have been able to maintain our high standards as expressed in our school motto: "Scholarship, Sports-

manship, Service."

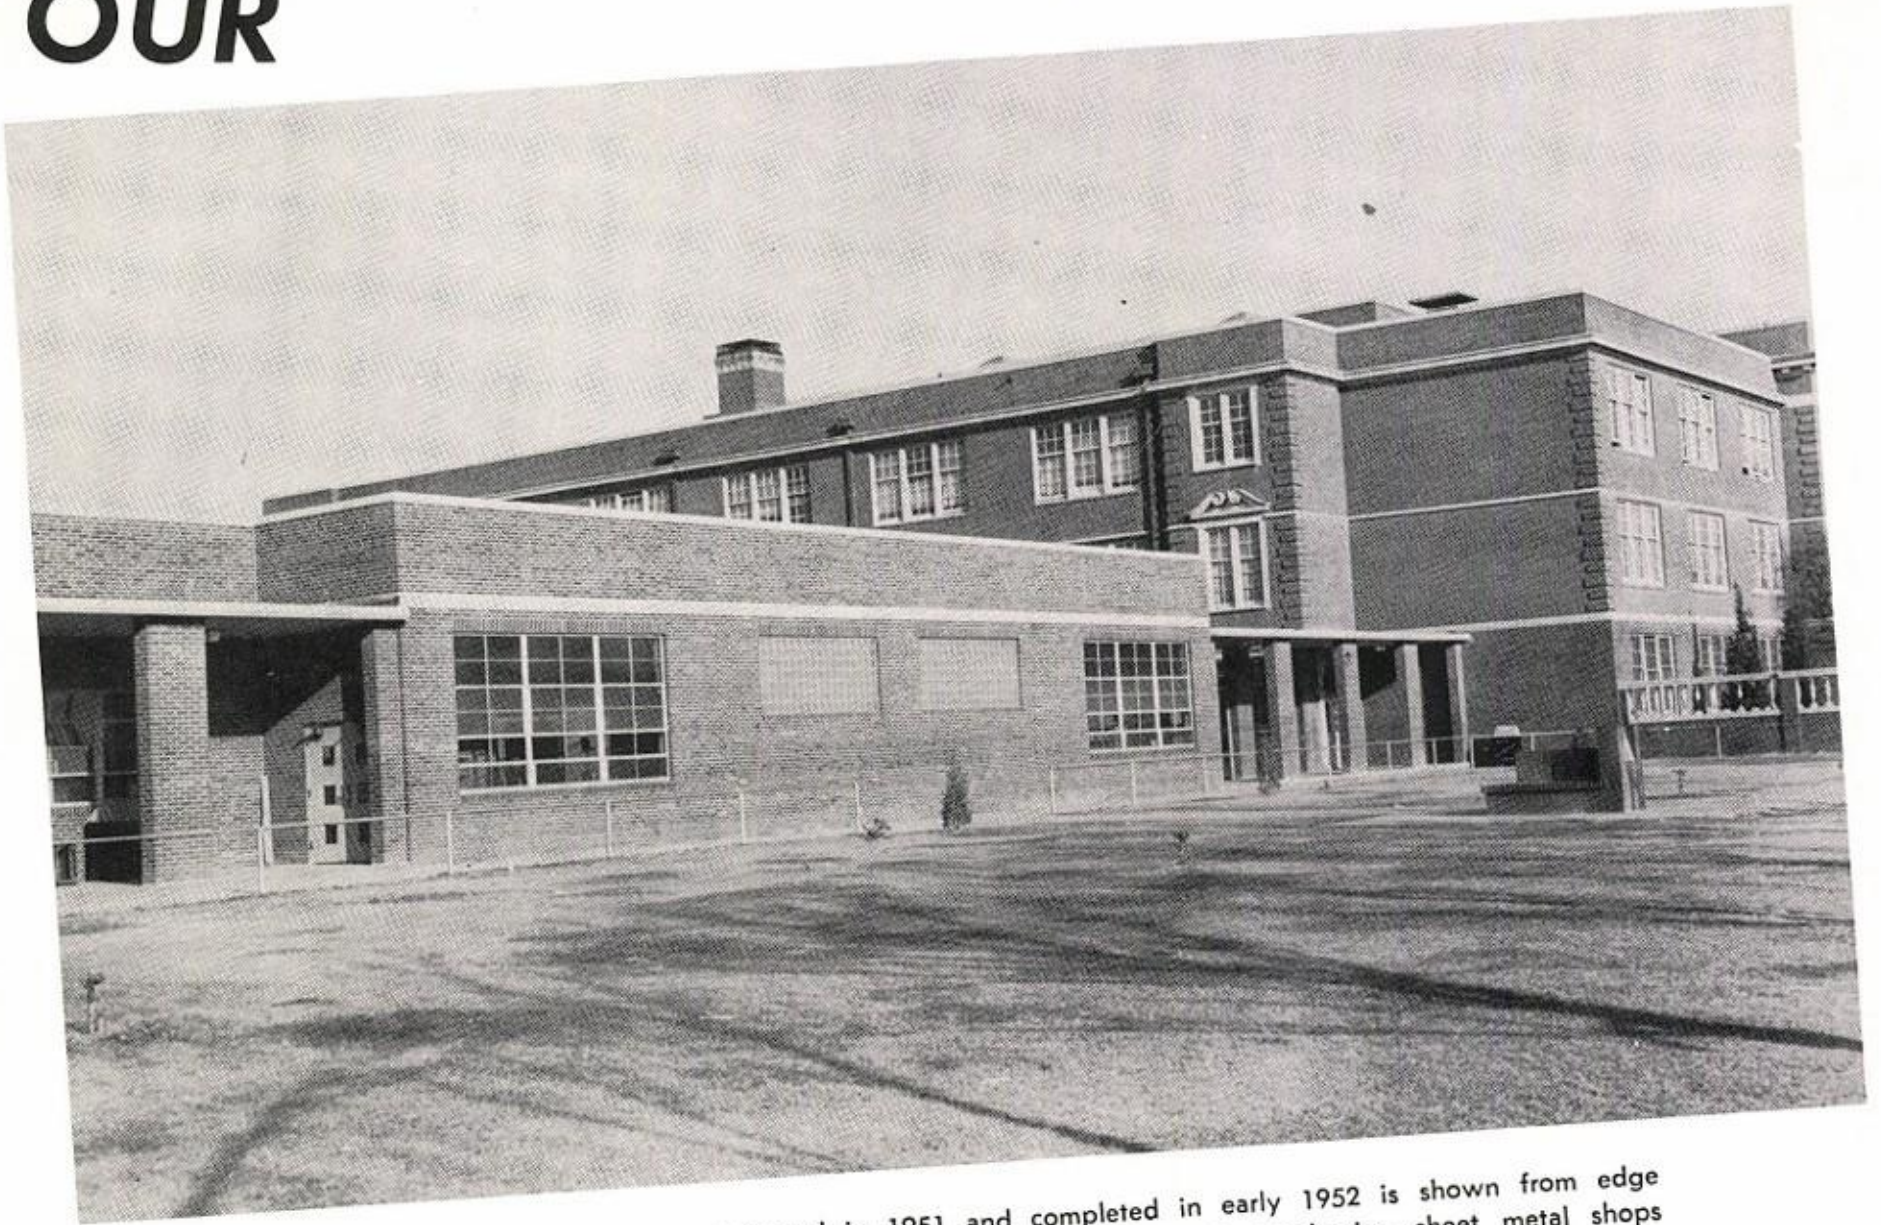

I want to congratulate the students of A.H.S., in numerical strength the greatest in Texas, because of the opportunities which they have for development and the privilege which they have of attending a high school of national prestige.

May I wish for each of you the maximum of happiness and success commensurate to your abilities and application.

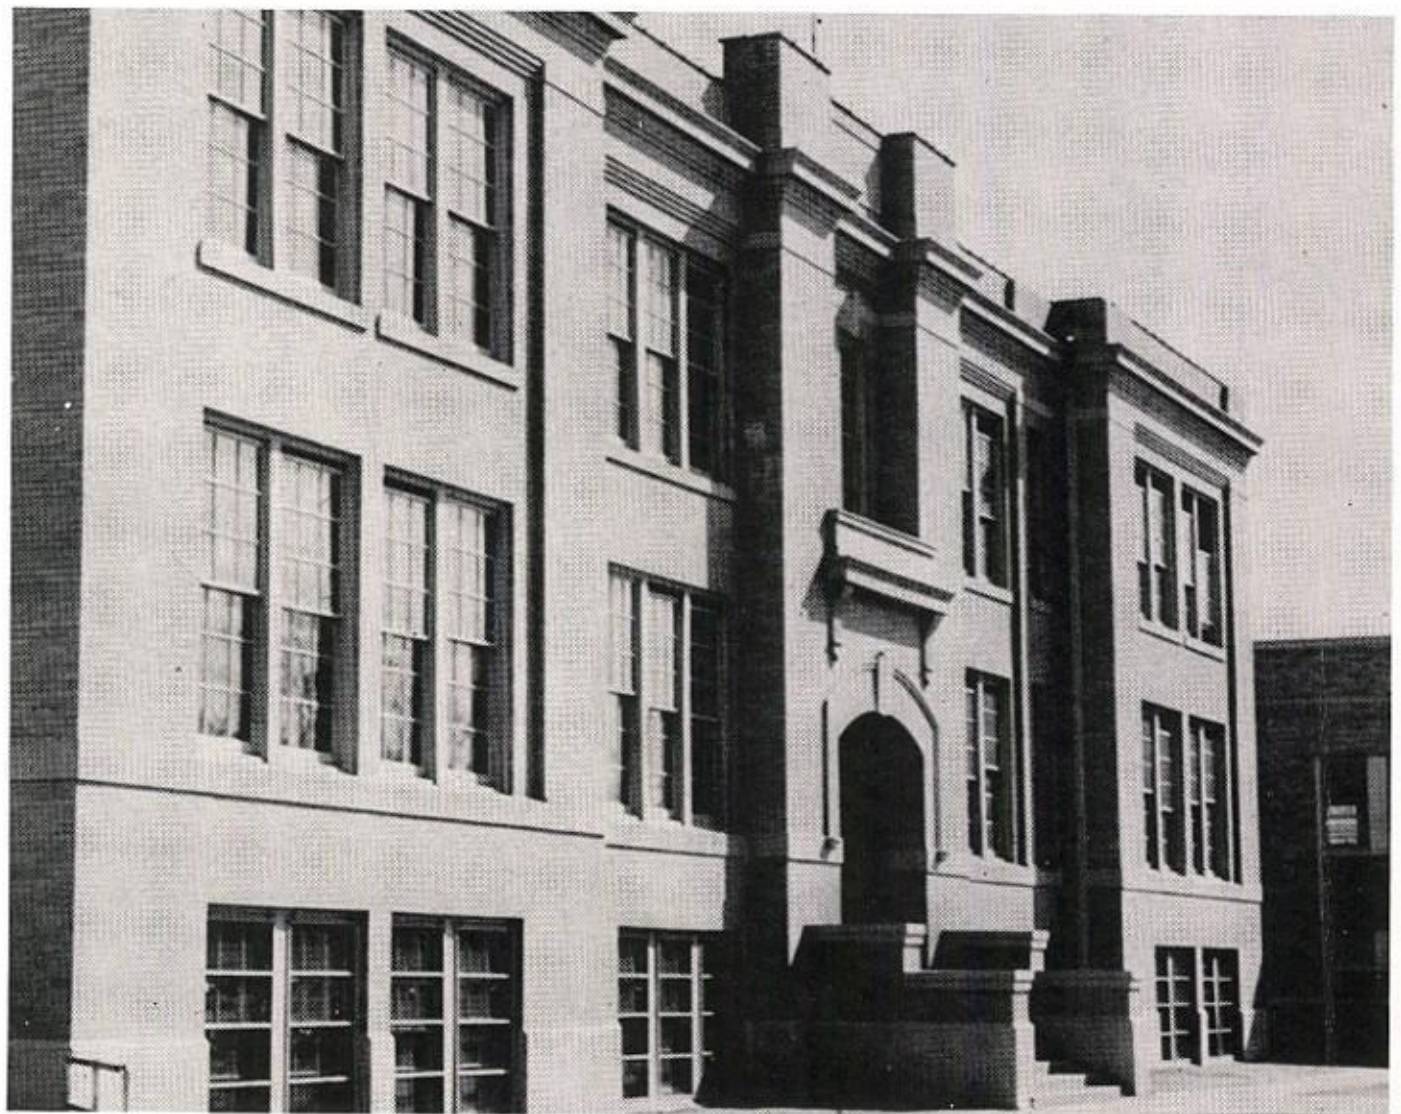

Very sincerely yours,
R. B. NORMAN

OUR

CAFETERIA-STUDY HALL . . . constructed in 1951 and completed in early 1952 is shown from edge of green lawn near Polk Street. The building is joined by the auto mechanics, sheet metal shops and some classrooms.

NIXSON ANNEX . . . used originally in modern times in the fall of 1952 to accommodate overcrowded conditions. This unit contains choir rooms, Teacher Credit union and general classrooms.

CAMPUS

AMARILLO STADIUM . . . replaced old Butler Field in the early fifties. Built on the Tri-State Fairgrounds, the stadium is used year around from football season to the Sandie Relays during track season. This stadium is one of the finest schoolboy stadia in the country today.

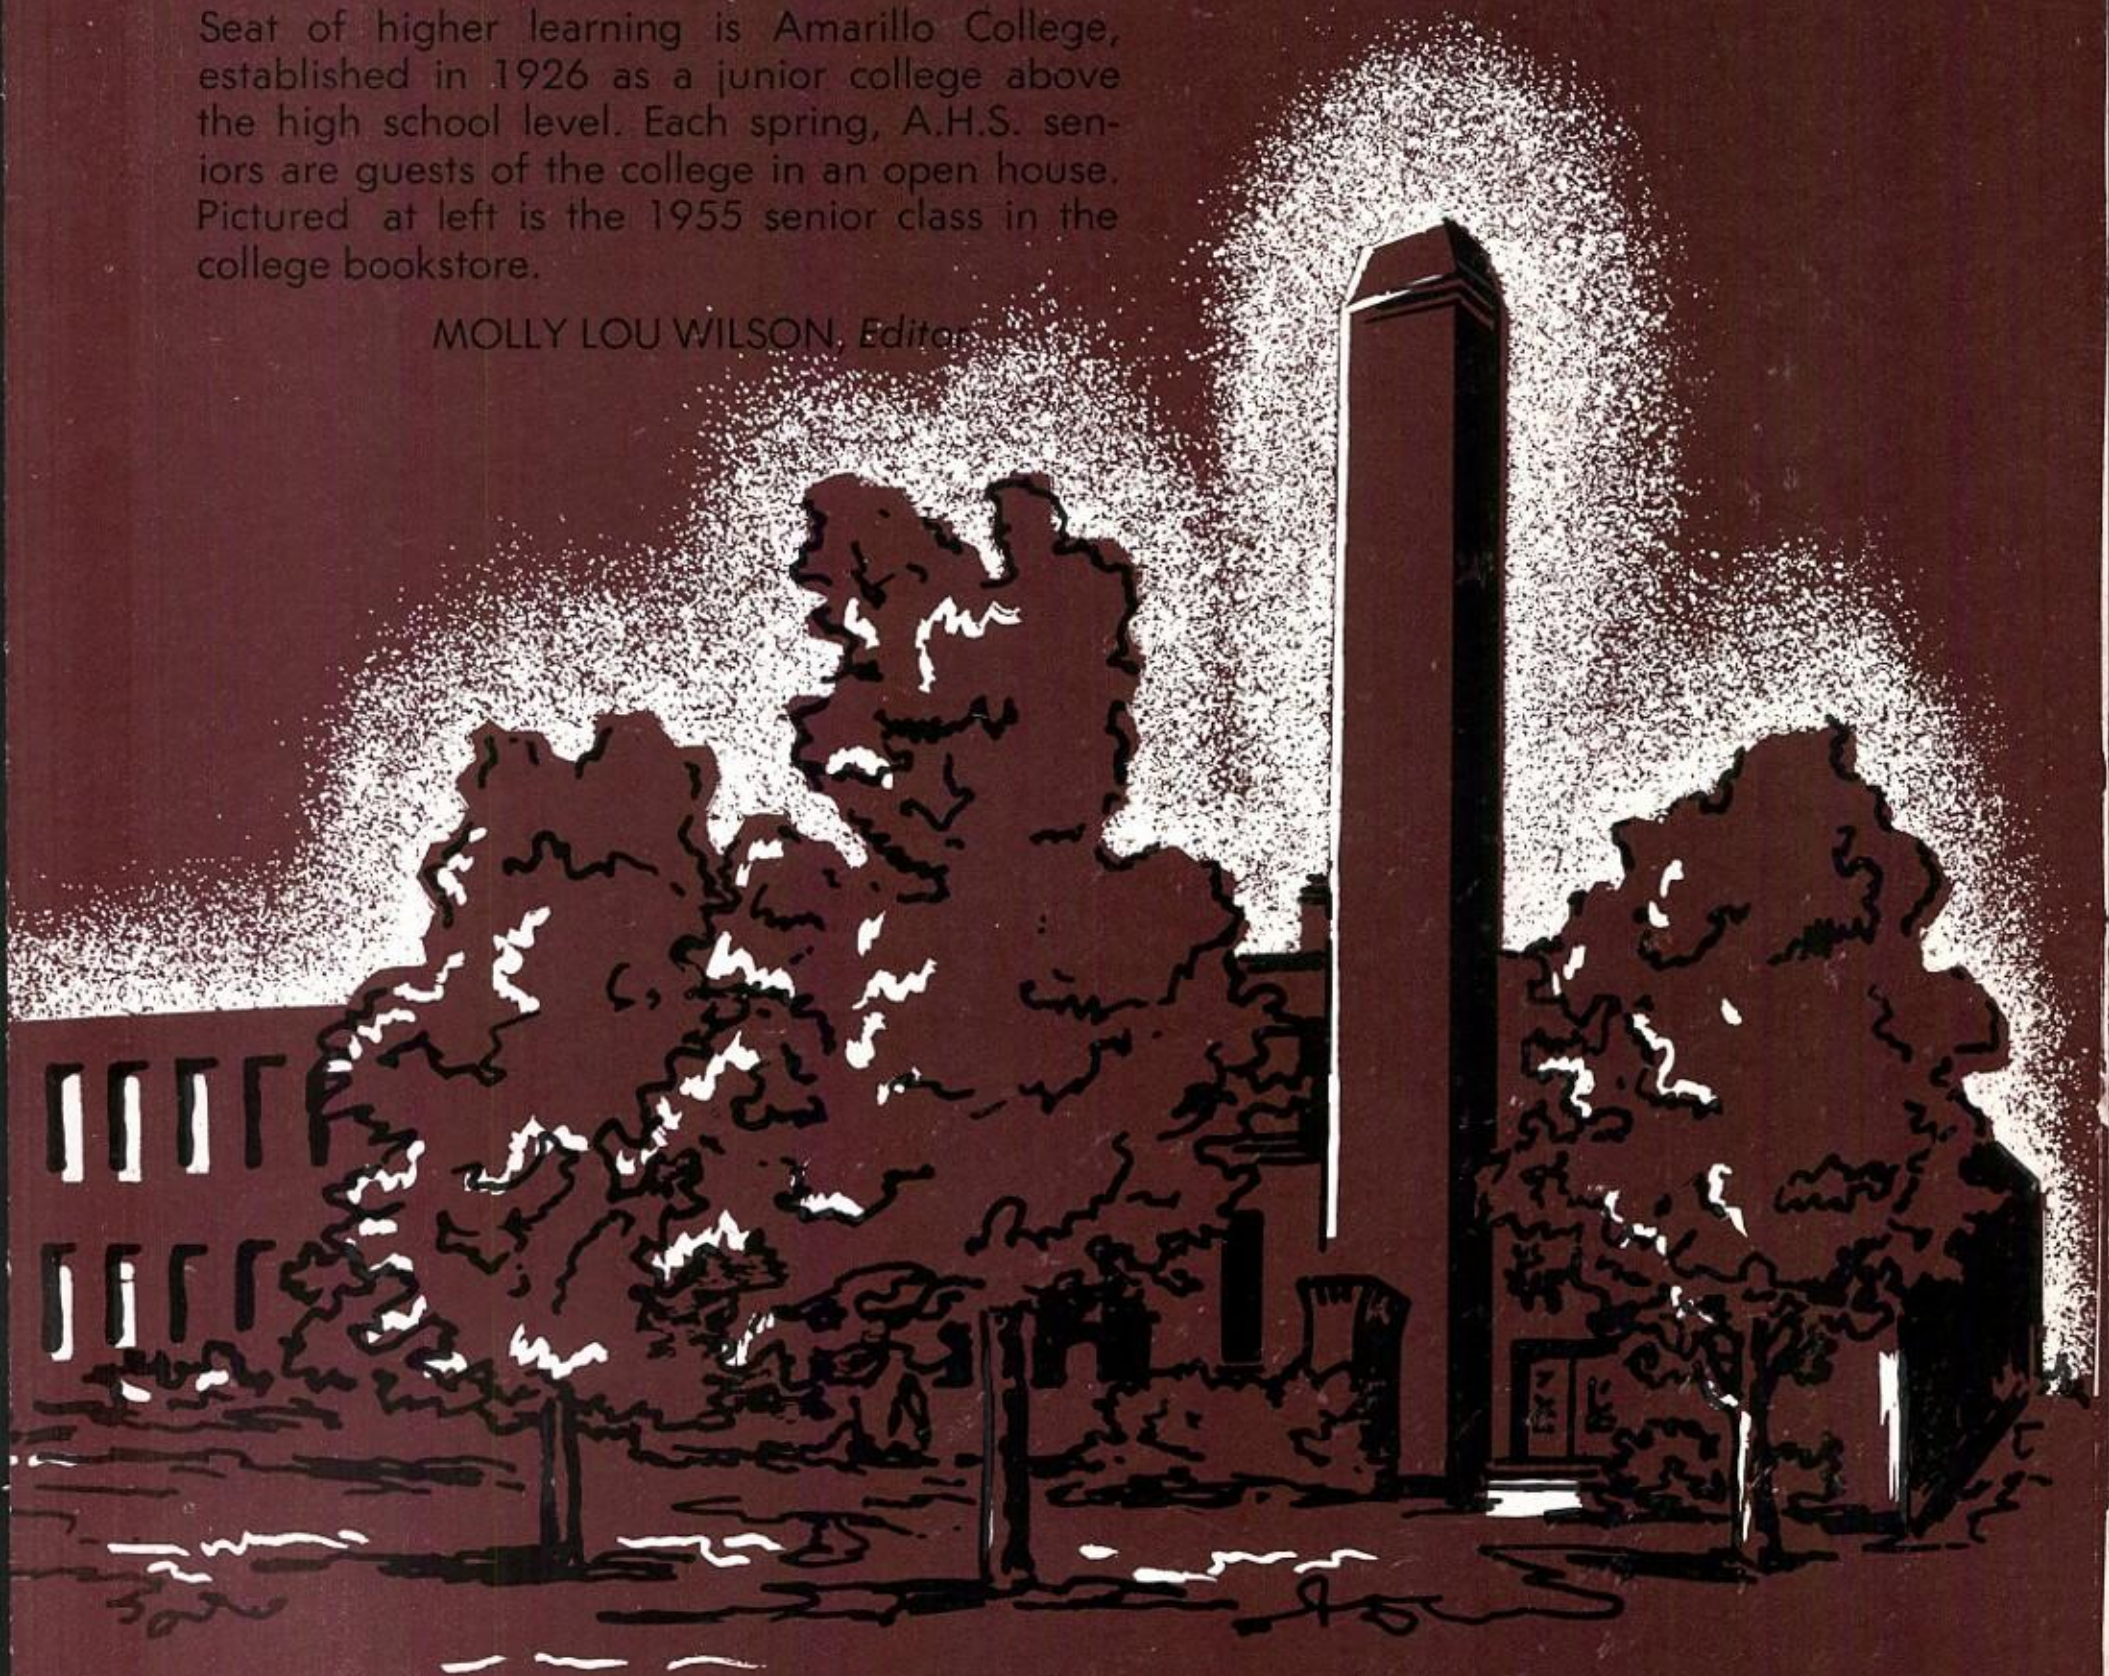

THE ARMORY . . . houses the boys' physical education classes and the ROTC. Site of Sandie basketball games for many years, the Armory was replaced by the Colesium at the fair grounds this year for a game site.

FACULTY and CLASSES

Seat of higher learning is Amarillo College, established in 1926 as a junior college above the high school level. Each spring, A.H.S. seniors are guests of the college in an open house. Pictured at left is the 1955 senior class in the college bookstore.

MOLLY LOU WILSON, *Editor*

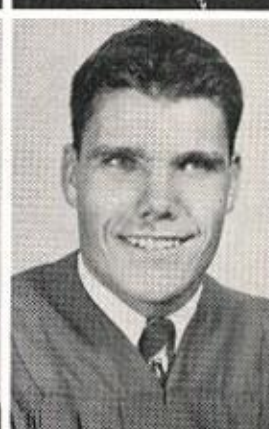

CLASS OFFICERS . . . Pictured at the completed Seniors of 1954 class gift in front of the AHS Cafeteria are 1945-55 class officers. Seated are: Donnis Plunk, Junior Secretary; Ann Seelman, Sophomore Secretary; and Virginia Prince (upper left), Senior Secretary. Standing, left to right are: Joe Don Hughes, Senior Vice President; and Arnie Duncan, Junior Class President. Not pictured are the Senior Class President, the Junior Vice President and the Sophomore President and Vice President.

PERSONALITIES

The Amarillo Country Club, an independent corporation, has been the focal point of society for three decades. The adjoining golf course is one of the nation's finest. A second club was opened recently north of Highway 66. Pictured at left are candidates for Queen of Sandieland who competed in October.

PEGGY LOWE, Editor

Her Royal Highness, Frances Ann Ely

In the royal tradition of the queens before her, Frances Ann "Sandy" Ely became the royal highness of all Sandieland in special ceremonies held before the folk of her land in early November. This special event was repeated for parents and patrons of AHS in Back-to-School night observance while the faculty was holding open house. The ceremony opens with the traditional honor guard and lords and ladies of the land. Senior girls are chosen on the basis of their dress and escorts are chosen from the male members of the senior class. The runner-up, Ginger Owens served as Senior Princess. Other princesses were class secretaries.

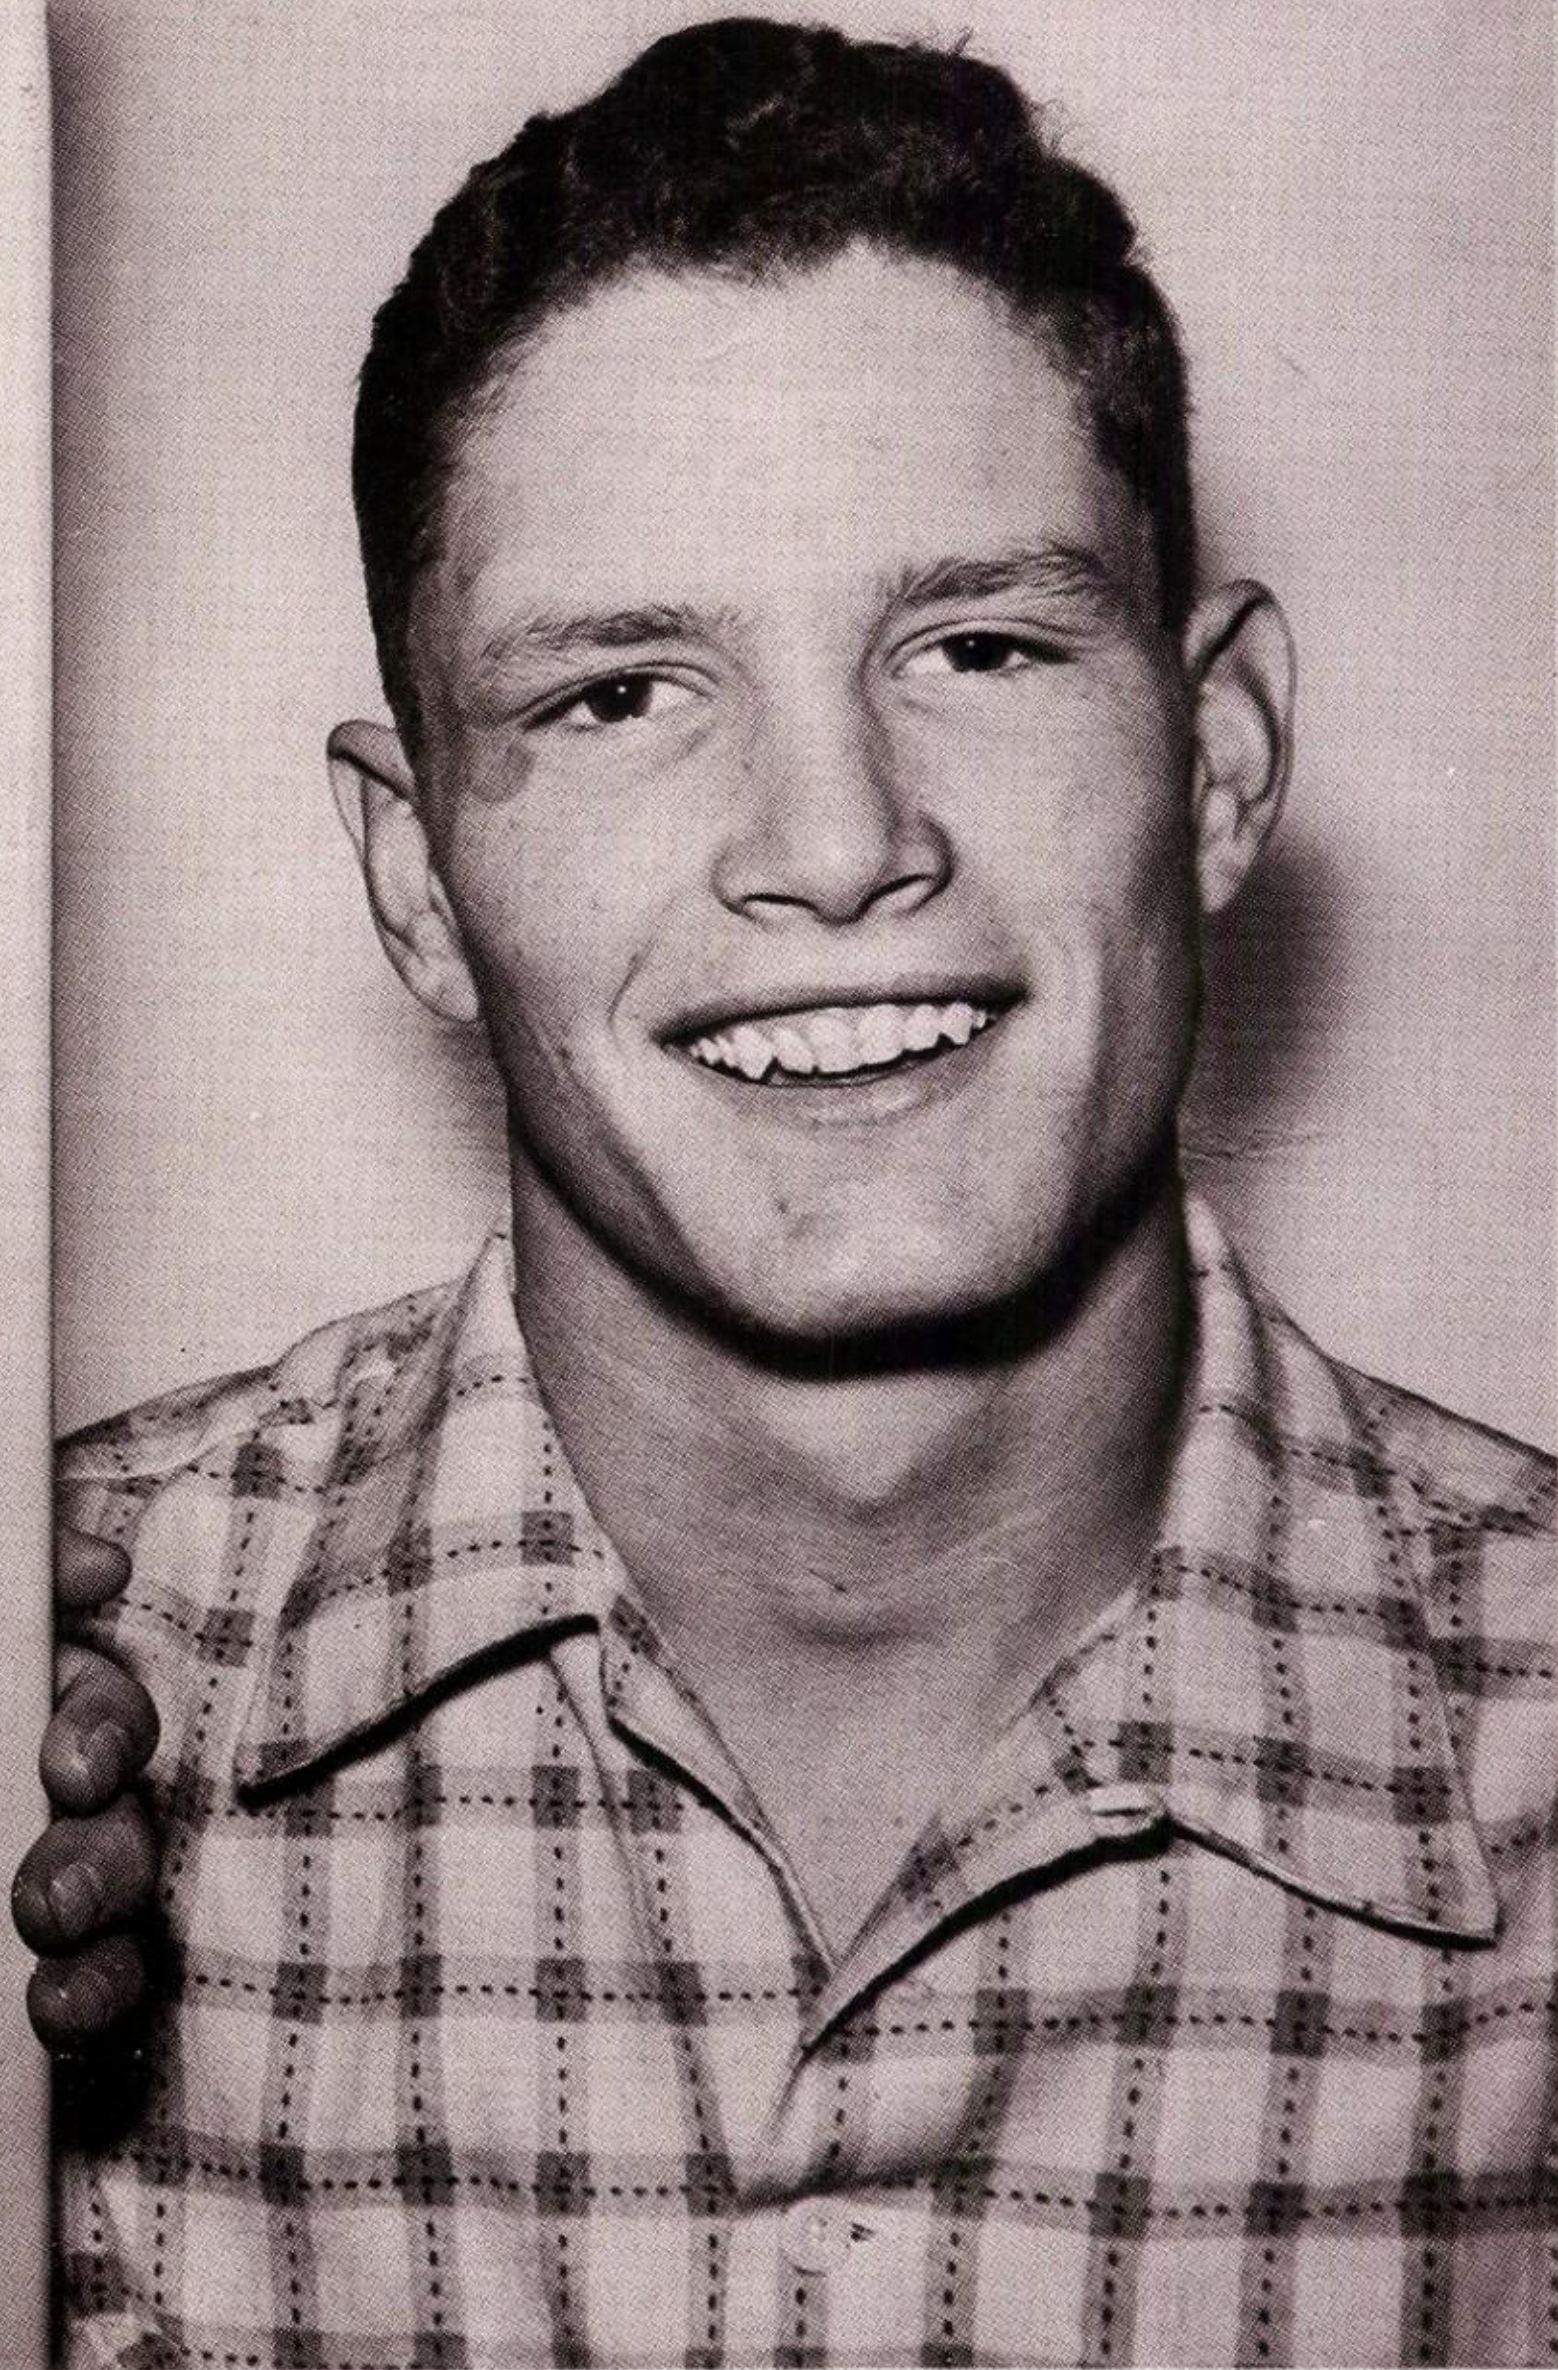

Frances Ann was the first Queen of AHS to have the nickname of "Sandy," a tag she has had all her life. Sandy was queen once before in her lifetime, while a student at Sam Houston Junior High School. She aspires to become a professional model and has appeared in shows in and around Amarillo. Her selection prompted AHS photographers to make countless photographs of her. One of these, eating a raw apple, took third place honors in the Texas High School Press Association contests in December. She is one of the most photogenic queens in recent history.

As queen of AHS, "Sandy" represents the school in functions of state and stands as a ready symbol of the many great honors and traditions which go with the school. As a reminder of her reign, the senior committee in charge of arrangements presented her with a bracelet.

Unfortunately, she is the last queen to reign over a high school situation united in Amarillo. Since next year there will be two high schools, there may apt be two queens of Amarillo high schools. "Sandy," is of course saddened at this thought, and joins the students of AHS in bidding the one school farewell. When the pages of this year are dusty, we of AHS will well remember "Sandy" as our monarch personified in the traditions of the trophy-lined halls of Amarillo High School, our own Sandieland.

ACTIVITIES

Center of youth activity on a non-denominational basis is the new Young Men's Christian Association building located at 9th and Van Buren Streets. The Y-Teen board plans activities for all Amarillo youth in cooperation with the regular High School calendar. The new Y.W.C.A. Building is under construction to be opened this spring. It is located at 11th and Jackson Streets. Pictured at left are a group of A.H.S. students enjoying a sing song in the lounge at the Y.M.C.A.

AND AWAY WE GO . . . September means school, with all the fun of registration, the joining of clubs and meeting old and new friends after a long summer's rest. The days were long and warm, with joy and sunshine to greet all who welcomed a warm smile, a cheerful "Hello!" or a new student. Schedules soon became settled and AHS was alive with studies, socials, football games and the Tri-State Fair.

FIRST DAY SCENES

School opened just as the last days of August were fading. It was a short summer for AHS students. The past year was out on the first day of June, and the new year convened on the last day of August. So, there was really only one month with no school for 1954. But, it was like a pleasant dream returning to the old building to find new radiators and lights in the classrooms. The Class of 1954 gift was not completed, but the digging had been done. The Allied Youth chapter was hard at work to make itself the number one in the world in membership. The La Airosa staff was ushering students through the lines in the cafeteria to have their class pictures made. The teachers and counselors were at work getting the new and old students lined up for work for a new year. After a summer of fun and play and into a fall of work and formal restrictions, it was pretty hard to take, but before too long, we were wondering if we had ever been anywhere but in AHS and we wouldn't have traded it for anything.

I WANNA BE ONE . . . Students were urged from the very first day of school to join AY and make it once again the largest post in the world. We did!

THIS WAS THE beginning of the senior gift that wasn't completed until the alumni returned during the Christmas Holidays. We thought it was a sidewalk at first, it's a love seat.

A BIRDIE INSIDE . . . Among many lines with the opening of school was the line to have one's picture made for the La Airosa. It was something new for AHS, and worked out really well, what with 2450 pictures made in two days and a half.

WELL, NOW REALLY . . . This group of lovely young ladies are discussing the latest fashions at the AY pre-school style show, held to raise funds.

INITIAL ACTIVITIES

After the lines came the activities that make the school year one that we remember. We hardly remember the classwork, we probably didn't get enough of it in on time. But, we do remember the little things like the style show, the Varsity Vic and Campus Kate, the new choir robes and the yearbook clinic. The clinic opened with a banquet at Rice's Dining Salon prior to the initial football game against Capitol Hill at Sandie Stadium. Of course, there were those lines again when a class was disbanded and we had to try to get with our best friend and plot a time of our life against one of the faculty members. But, then, that like classwork was soon forgotten, cause we made new friends in the class. Life was beautiful. Those lily white report cards and all those ideals. Where did it go?

OVER MY SHOULDER . . . Ginger Owens and Rex Pope, Varsity Vic and Campus Kate for the earlier month, both journalists.

GEE, DAD . . . New robes arrived for the junior or senior choirs. They have out-grown the old ones. Know who might want some used robes, anyone?

SAY, CAN I? . . . Biology teacher Mrs. Goode enrolls several students before the trials of holding classes in various rooms during the week. One teacher actually changes rooms every period of every day. Crowded?

CAMERA SHY . . . Guests at the La Airosa banquet include, left to right: Allen Hammer, of Wheat Photo Service and Chester Sullivan and Tom Murray of Taylor Publishing Co. Molly Lou Wilson was not a guest speaker.

MAN, OH, MAN . . . That's Celia Faye and "Turtle." Remember their antics at the Back-to-School Dance that first week of school?

THE PATIO PAIR . . . Sitting one out in the flowered patio are a couple of AHS steadies during the dance.

BACK-TO-SCHOOL DANCE OPENS SOCIAL SEASON

Initial social event of the new year was the Student Council-sponsored Back-to-School Dance the first Saturday of the year. Held in the cafeteria, the motif of the dance was the pennants of the various colleges where AHS students might someday find themselves. Many college students were on hand and some said their goodbyes until the Thanksgiving and Christmas holidays when they would return from their own new

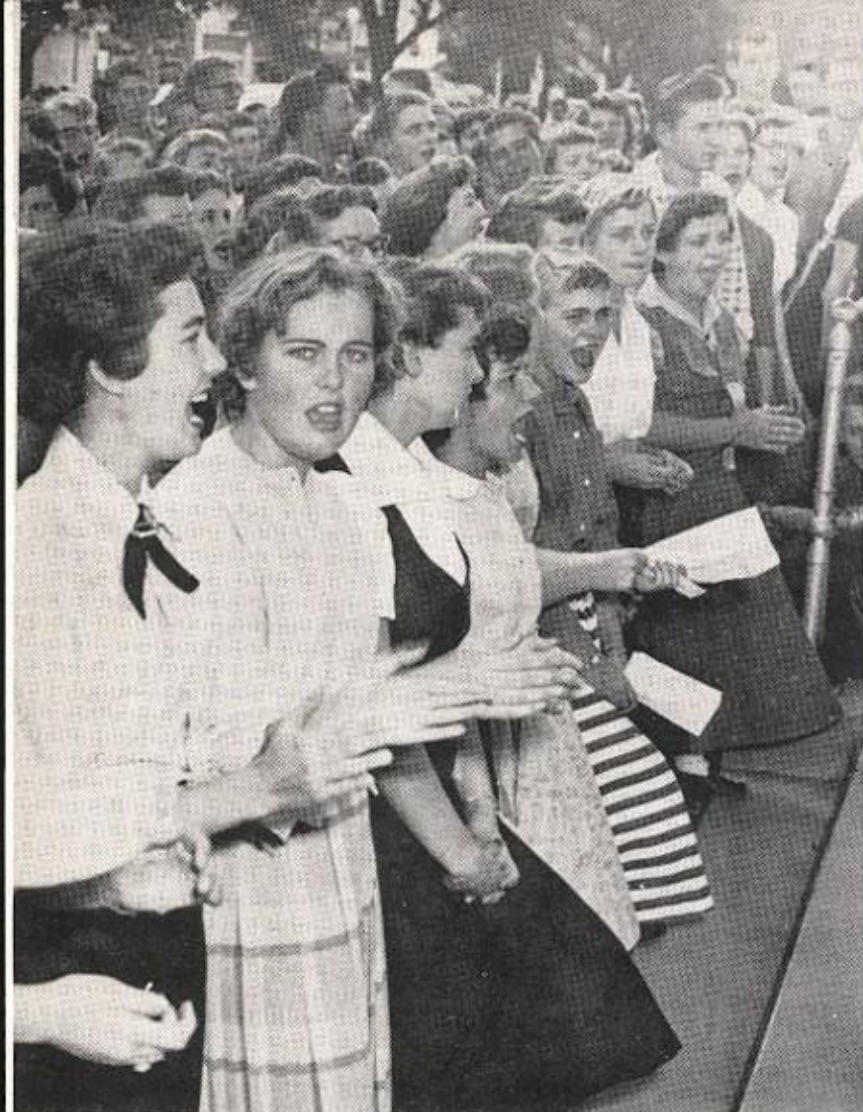

Alma Mater and have a few words about another school that was dear to their heart like AHS is to us. The sophomores had their first taste of how it's done at AHS. The juniors and seniors made dates with a new one or an old one. It was still warm enough for the patio to be used for a rest or a coke after a dance. Something new was introduced on a faddish plane: the Bop made its debut at AHS.

POSEY AND PONIES . . . Anne Collins smiles at her date in the Patio during a rest at the dance.

PERSONS AND PENNANTS . . . Part of the decoration for the Back-to-School Dance consisted of pennants of the colleges from which some alumni had returned. This foursome peeks through the felt advertisement for a higher education.

HAVE YOU GOT IT? . . . Peggy Meade admires the photographer during an on-the-steps pep rally for the Sandie-Capitol Hill football game.

AW, NO! . . . Kay Alexander, girl Cheerleader, looks confusingly toward the gridiron during the Sandie opener.

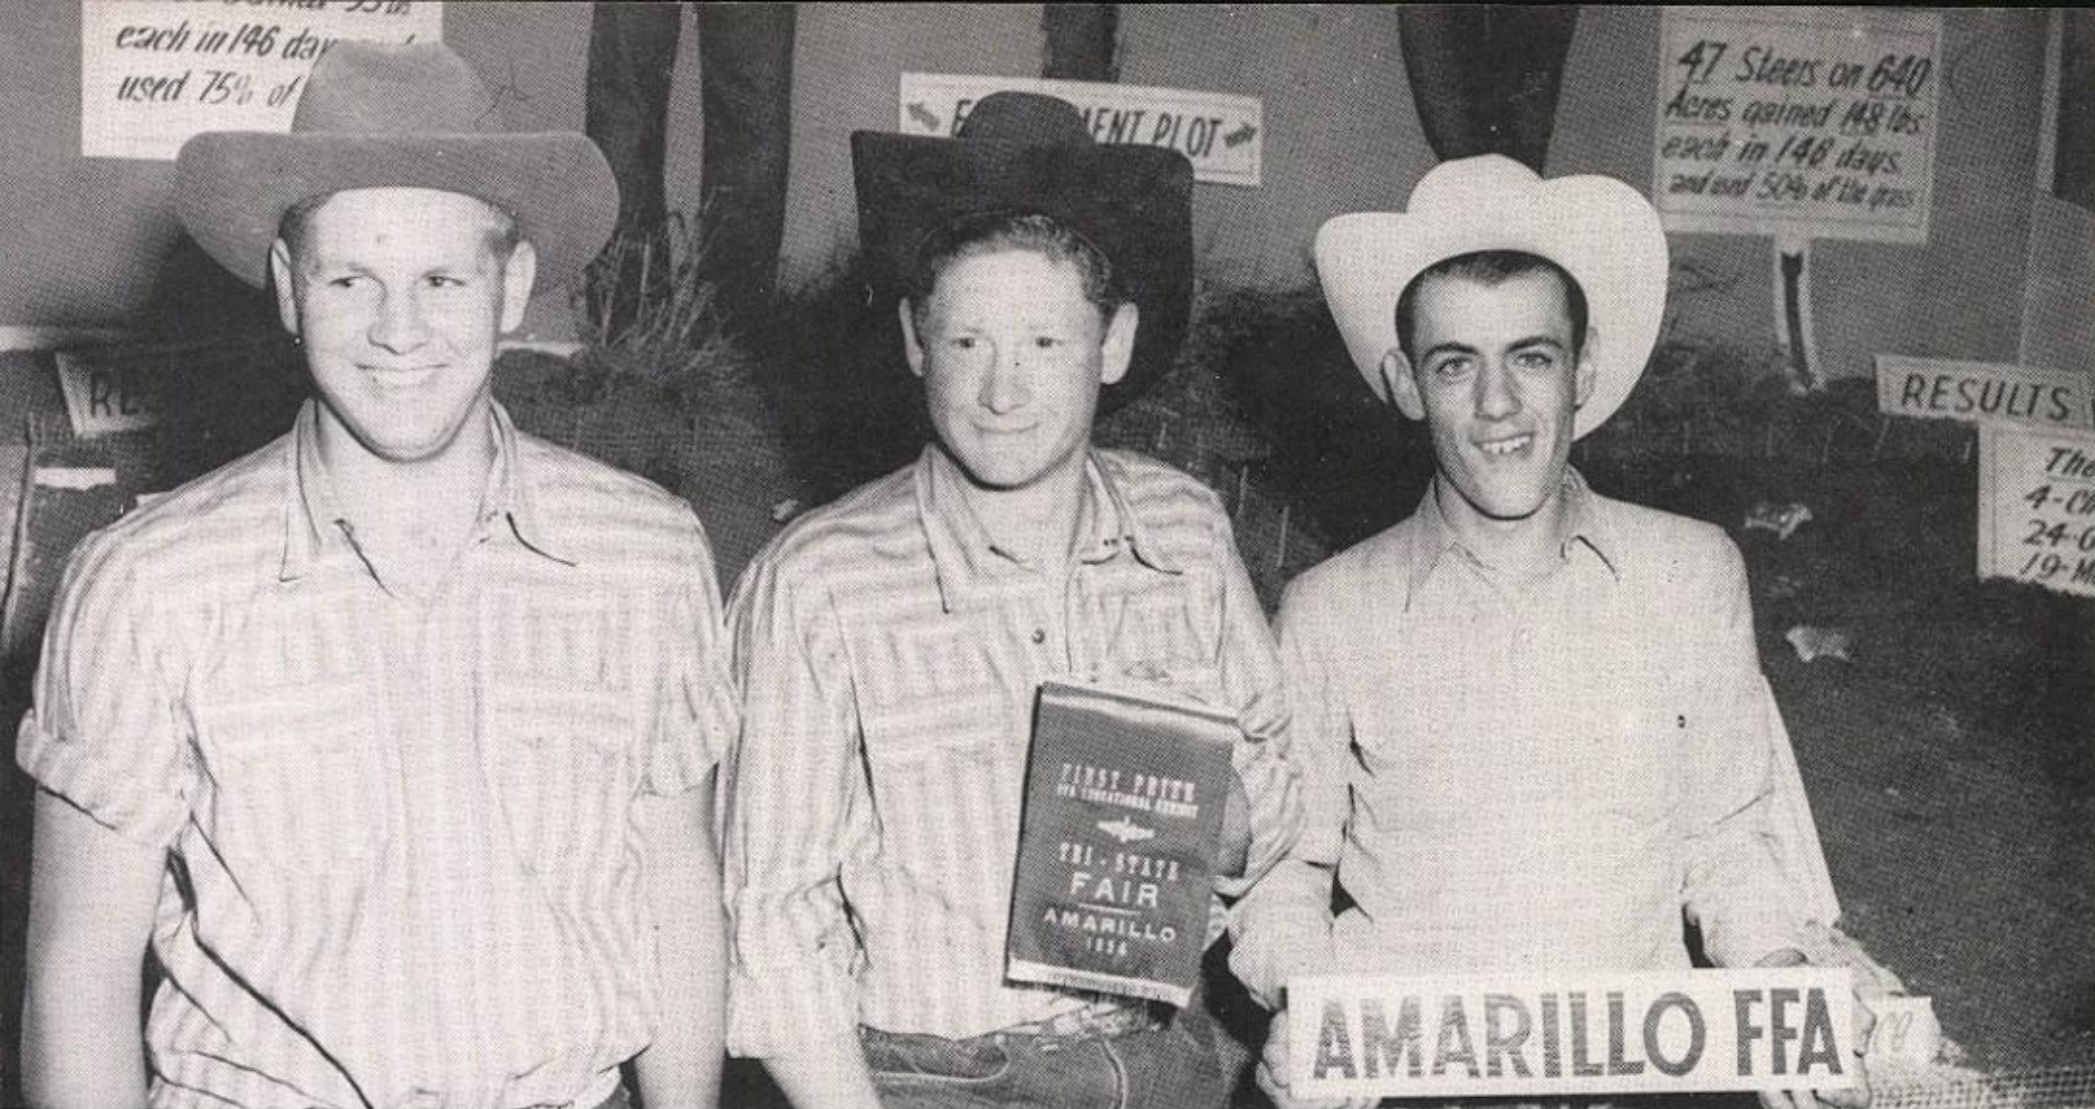

TOO, TOUGH . . . Capitol Hill Redskins stop Sandie ball carrier for little gain in the initial tilt.

FALL'S FIRST FOOTBALL TEST

With the coming of fall while the nights are still comfortable, Sandie football takes the place of a Friday night movie or a trip to the drive-in. This year's opening game against the Capitol Hill Redskins was a disappointment, scorewise, as the Defeemen fell 0-6 before the state champions of the neighboring state, Oklahoma. On the day of each game, the cheerleaders lead the massive student body in yells and spirit during the playing of the Sandie Band. The student body unites in their support in the stadium stands, some as early as one hour before the opening whistle. The first football game is like an opening night of a play on Broadway. Here the students and public see what the Sandies can do after hours of drills.

YEAH TEAM . . . This group of well-wishers from the student body cheer the team to victory at most of the games. Ann Wilson bites her tongue.

THE WINNERS . . . in the education booth display are the members of the Amarillo High School Future Farmers of America Chapter. These lads were on hand to serve as guides for viewers.

SWIMMING, ANYONE? . . . Bobby Buster, left, with Jackie Reeves and Sandra Hartman plan a plunge into an irrigation display.

V.I.C. FLOAT . . . Pictured is the float of Mr. Raymond Perkins VIC Club, Chapter 99. The boys were one of several AHS clubs entering along with the Golden Sandie Band and the ROTC units.

TRI-STATE FAIR

With the last few days in September, the thoughts of the AHS student go far out toward the east of town where carnival tents, sawdust and the lights of the night draw them to the annual Tri-State-Fair. This year was no exception. The booths of their classmates and the concerts of bands, and the parade were enjoyed by witnessing students.

PAUSE THAT REFRESHES . . . This ROTC corpsman stopped at the Sandie Band Booth for a hamburger before a trek down the Midway. He may well be the champion eater from Company "E." Eh?

GIRLS ON HAY . . . This covey of young lovelies is seen resting on some home-grown hay after a trek across the Midway during the school holiday.

NOT STEADIES . . . but they do have some loot donated by friends of Harvey for a picture. She's Charla Bickett.

EAT A BITE . . . This group of girls find that to rest, they must buy something to eat. They do.

FIRST SCHOOL HOLIDAY

As the surrounding towns begin to make a pilgrimage to Mecca, the students of AHS receive a one day holiday to attend the annual Tri-State-Fair. The morning begins with the parade right in front of the school house. The afternoon is their day on the grounds. Many of the exhibits are passed over by students who take their time and money on the Midway. Some organizations have their own booths as a means of raising money, or showing what education at AHS is really like. The Future Farmers have been consistent winners in the educational division.

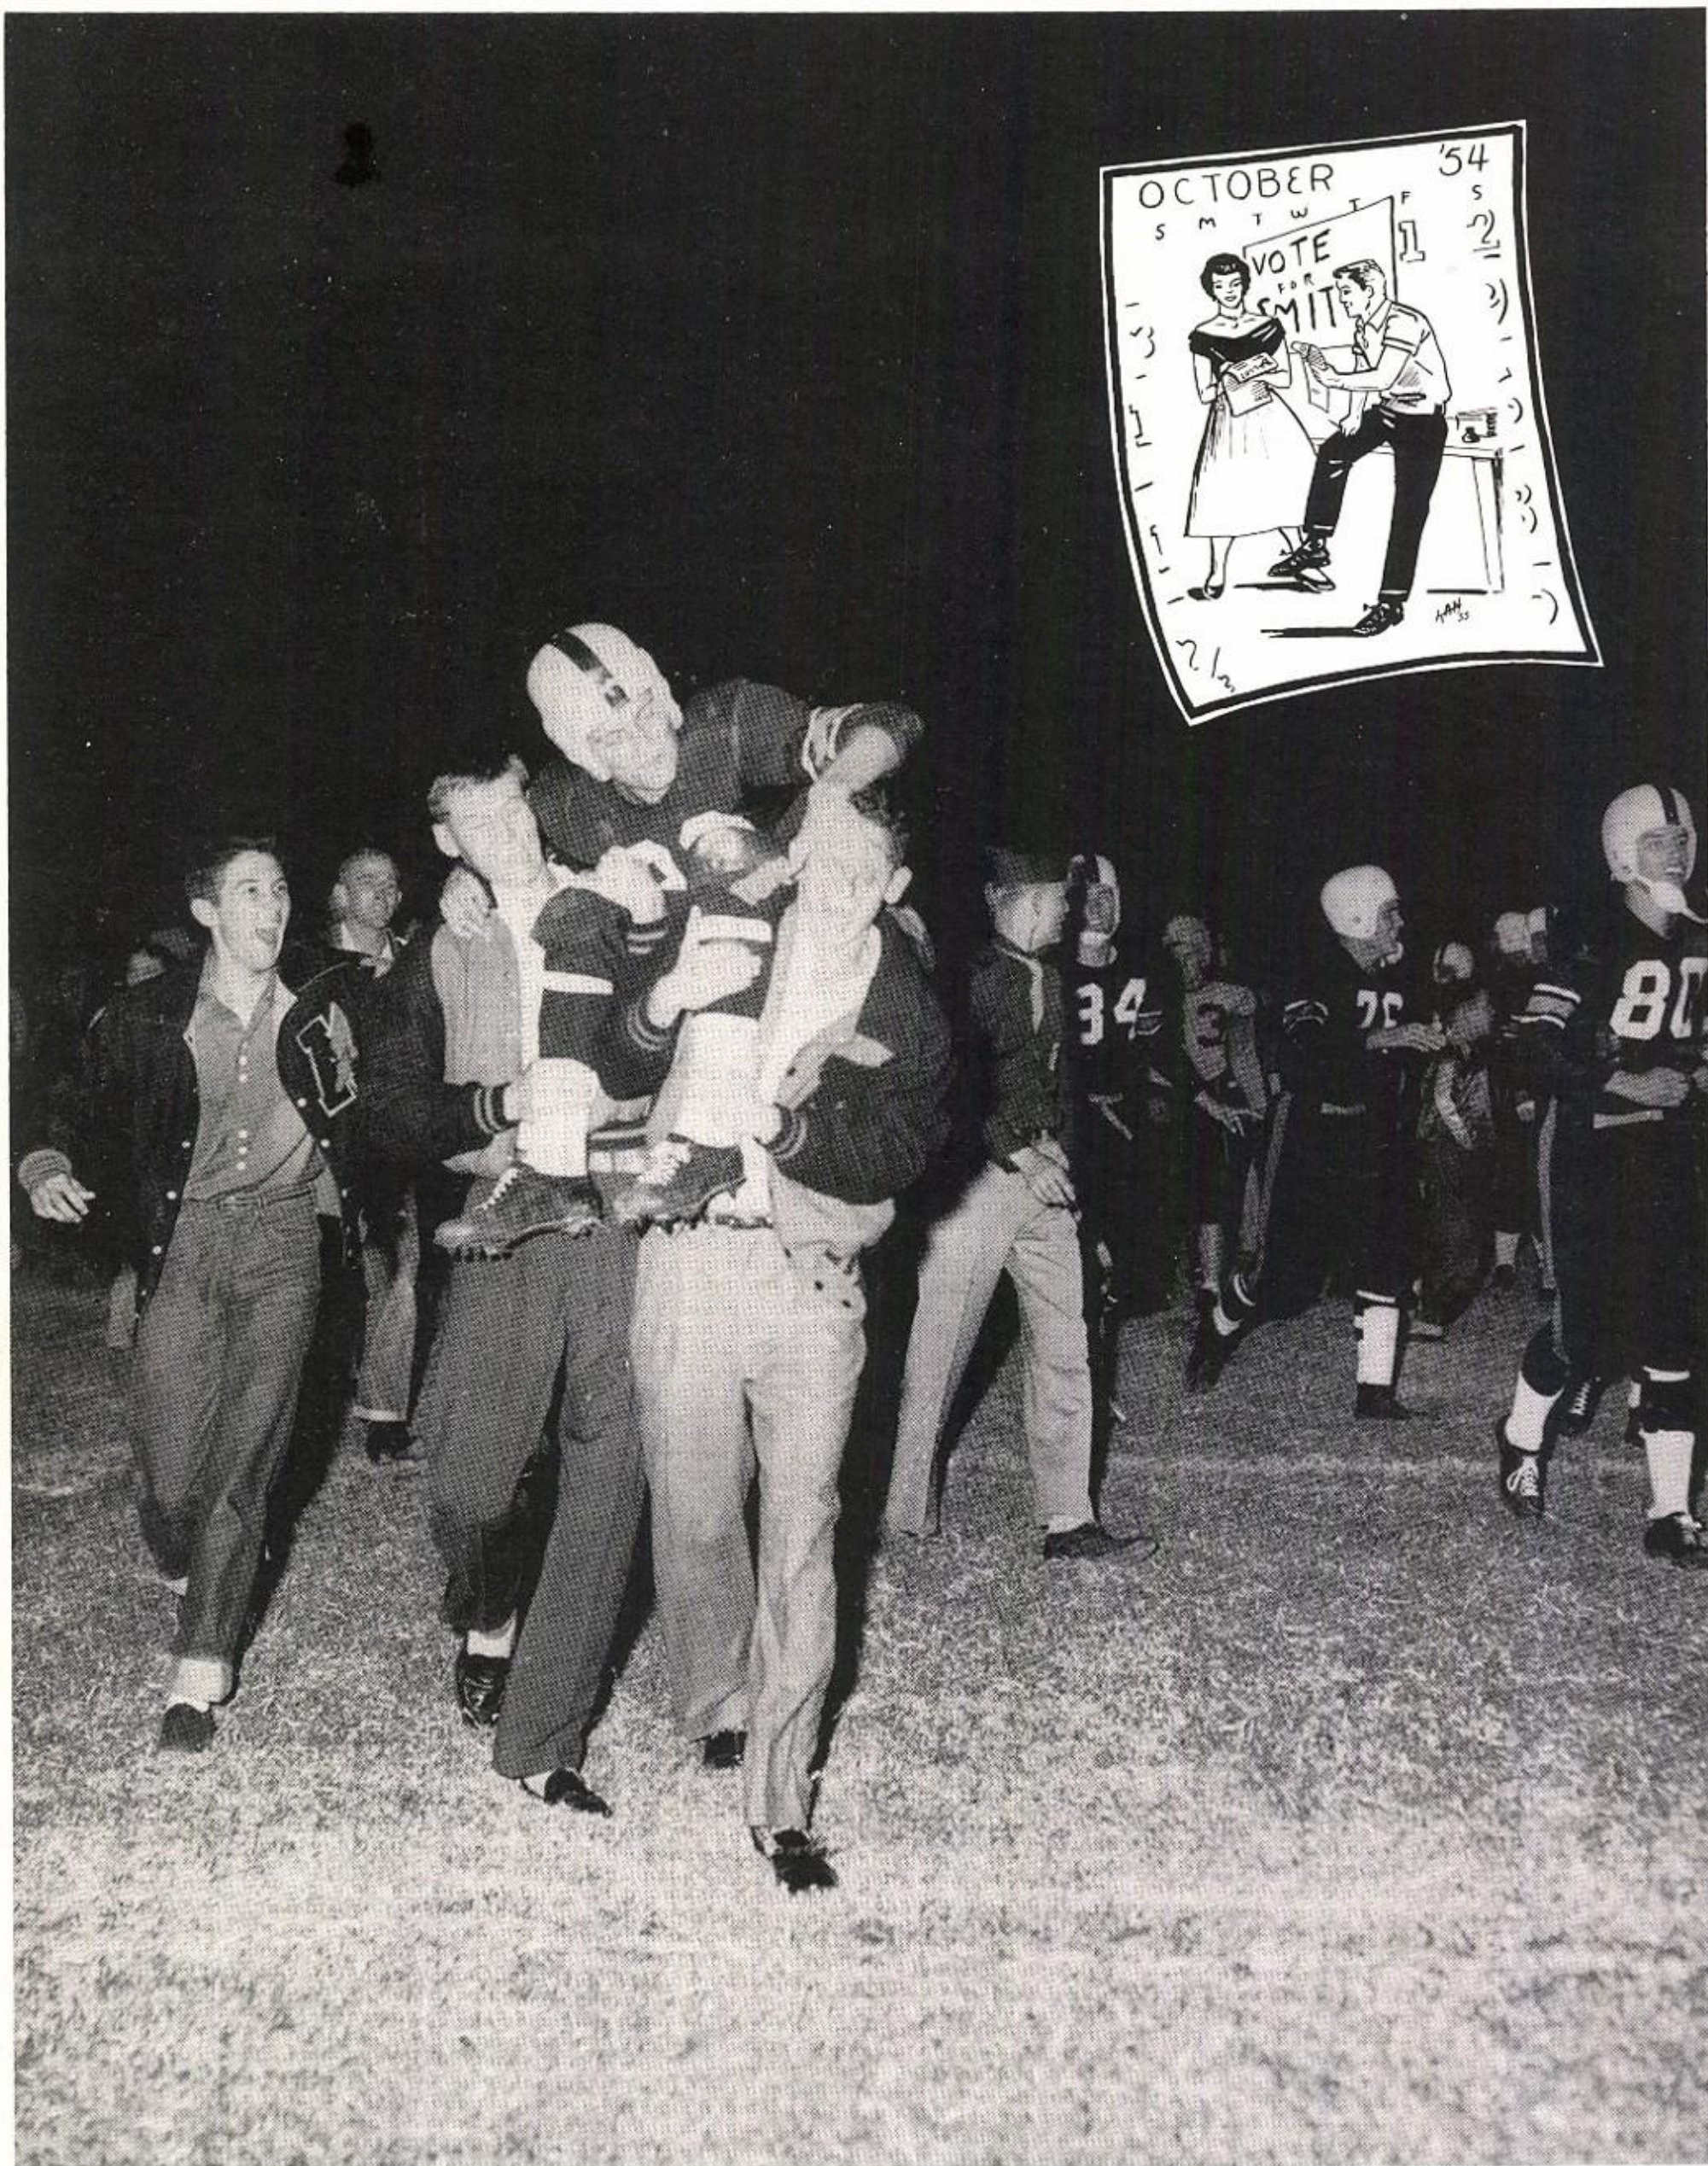

CRAZY CAT . . . Our photographer just couldn't pass up this chance at photographing FFA sweetheart near the Caterpillar Exhibit. She's M. J. Rogers.

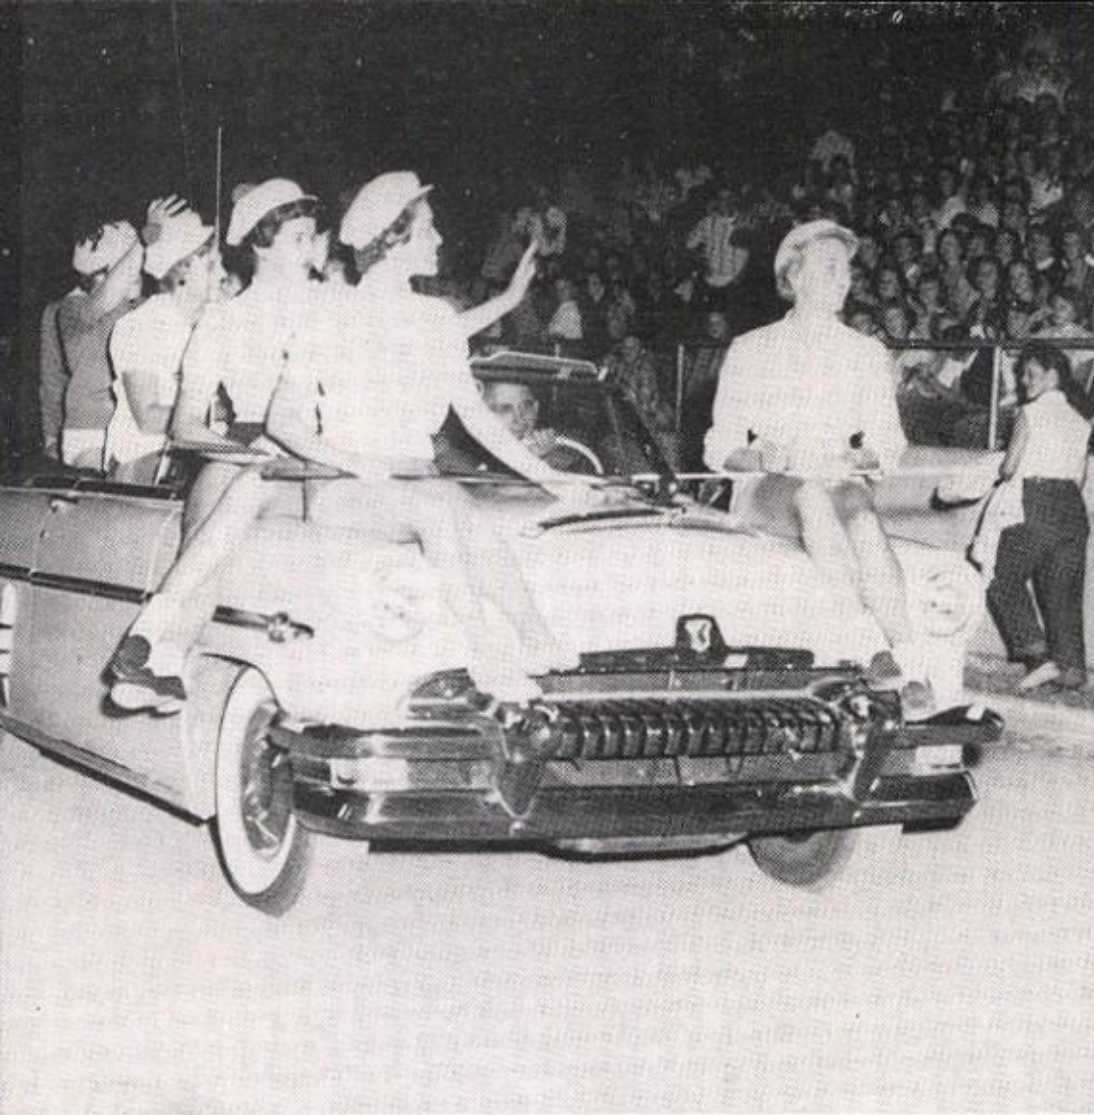

NOT INTERESTED . . . but nevertheless a sight to see are these girls on a tractor, posing for a girl-crazy photographer.

**HAVE
SOME!**

FORWARD MARCH . . . Onward into October with King Football, cakebakes and elections. Along with the excitement of football games came the "war cry" of each candidate as he ran for office. Much was at stake, the honor of being the leader of one's class and being queen of Sandieland. All this did not, however, overshadow the AY Cakebake, and the sudden appearance of patrolmen who tagged students for jaywalking near school.

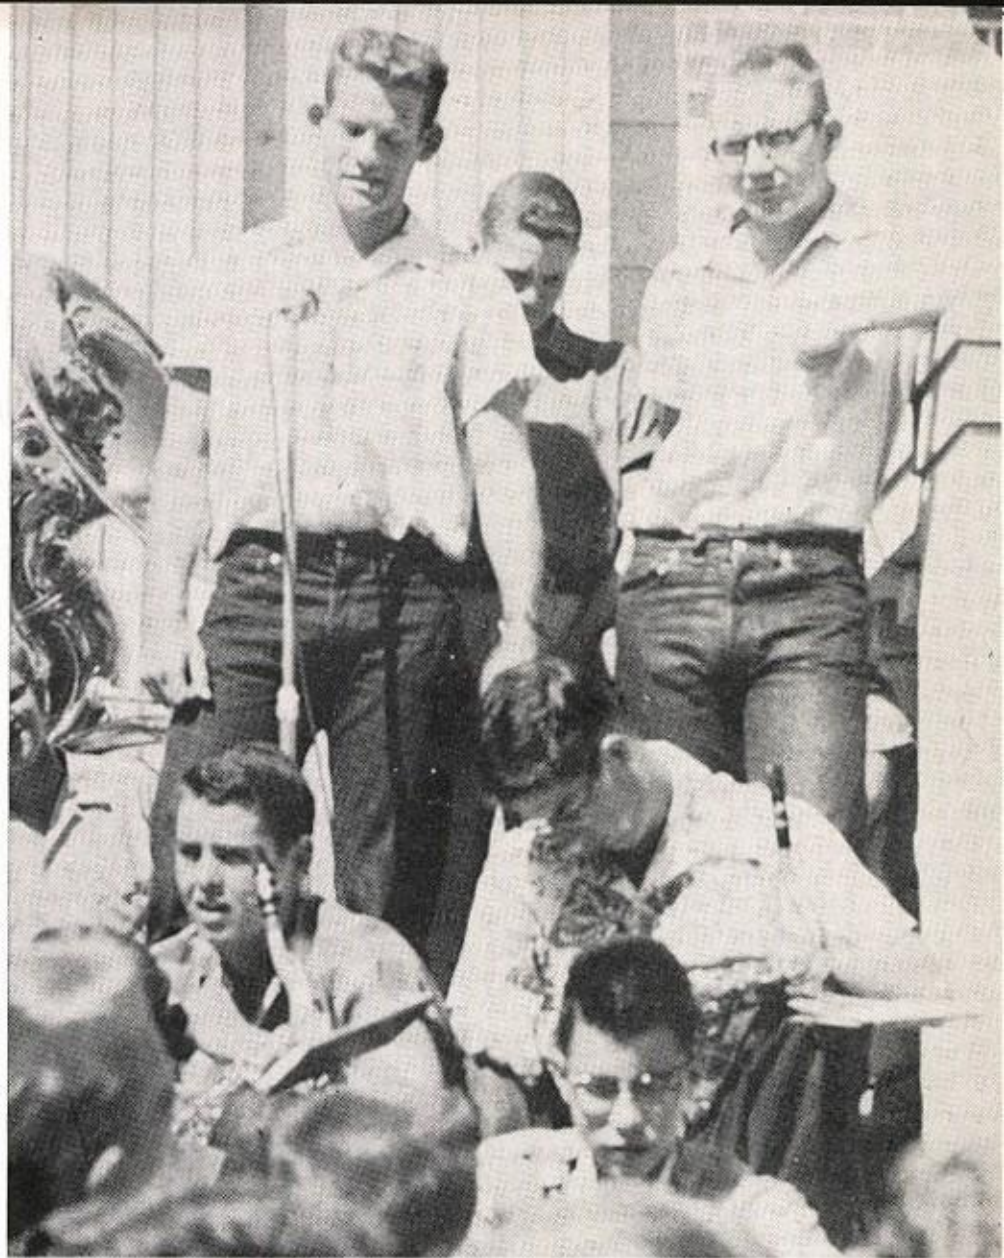

GIRL GOLFERS . . . sell tickets to a Ben Hogan benefit to crowds at a night football game for their team.

KING FOOTBALL RULES

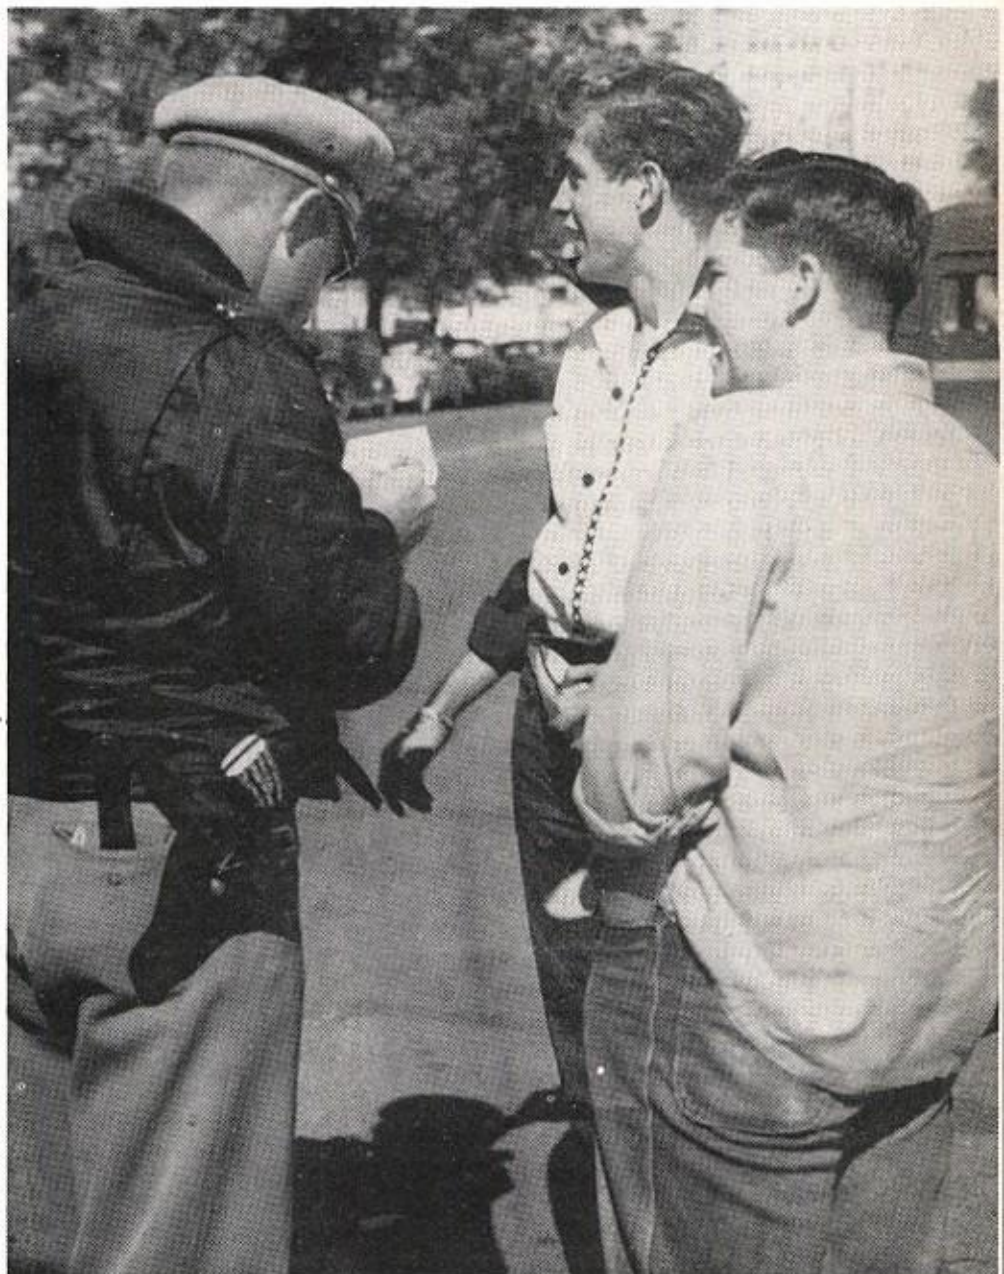

The Sandies played many night games at Amarillo Stadium during the weeks that followed the initial game in early September. Each weekend, the social life of the school centered around the fall sport of battles on the gridiron. There was the exciting game against the fired-up Plainview Bulldogs and the game against Pampa where the Sandies just barely defeated their arch rivals. The after-the-game parties were the talk of the teen-age set.

AFTER THE GAME . . . social functions include parties by the cheerleaders where all the students are invited to attend. Wonder what would happen one time if all the students did attend at one time? Gad!

SANDY PEPS SANDIES . . . Captain of the team Sandy Lynch speaks to the early morning pep rally with Kenny Bob Stevenson.

CAUGHT YA' . . . This patrolman appeared from out of the nowhere to tag two students who didn't cross at the regular crossing places. Fines were paid.

BUSINESS-EDUCATION DAY . . . is set aside each year by the administration for the purpose of teachers visiting the places of business which make up the community. The business houses open their doors to the teacher to explain their method of operation and purpose. Students receive a school holiday away from books, but they all return on time next Monday.

ROMANS ON THE LOOSE . . . Pictured are members of the Internos Club who go through an initiation in the style of the Romans of old. A memorable occasion at AHS.

ROMAN, TEXAN HOLIDAY FUN

Begun in 1953, Business-Education Day has become an annual affair for teachers to visit business firms on a special day as their guests and learn about the ways and means of business. The students, in return, have another holiday which is climaxed with a night football game at Amarillo Stadium. Also a part of the October activities is the annual initiation of the Internos Club. Primarily for Latin students, our photographer took some candid shots of the formal Roman way it's done. Miss Anna Mae Klapproth is sponsor of the Internos Club. The initiation is held in the AHS cafeteria annually, as soon as members are selected for membership.

GIRLS' TRIO . . . from Nixon Junior High School appeared at the opening AY meeting of the year. They sang songs.

EVENTS AND FADS

Life around the campus continued as students dreamed up new things to do and new places to go. The Allied Youth, vying to become the largest post in the world held its first meeting in the AHS cafeteria. Appearing on the program were three girls from Nixon Junior High School. A new fad was introduced through the chemistry classes, playing with an apparatus which registers the radio-activity in minerals. A friendly fellow who has made friends smile for years appeared in assembly and told AHS students how it was done. A visitor came by from Denmark. An old friend's son.

GEE, DOC . . . Students are shown the power of magnetics by chemistry teacher C. A. "Doc" Wallace in his class.

DON-CHA-SEE? . . . Principal R. B. Norman explains the presence of a visitor to the halls of AHS from Denmark to Junior Counselor Miss Minnie Feierabend.

NOW, YOU SEE . . . This lad is a cheerful fellow who spoke in a pep rally about the power of making friends through the power of smiling and speaking.

RIGHT THERE! . . . Directors of the polling places show students the correct procedure in placing their ballots in the proper place during the all-school election in October.

THE END . . . of the poll is marked with regular electioneering markers from the city and county election bureau. Susie Morris is the judge in the particular situation and hangs the sign to warn offenders.

VOTING LIKE REAL

In October, students at AHS take on a professional grown-up air and go about their business of electing class officers and a queen. The election rules are patterned after the regular laws of the state of Texas and are followed as nearly as possible. The candidates submit petitions to the faculty and student committee from the Government classes. Mr. Joe Parkey and Miss Laura Roberts usually supervise the elections. The entire student body votes on the queen and some congressmen-at-large. They then vote within their own academic class. The election is climaxed by the crowning of the queen on Back-to-School night in November.

BACK-TO-THE-WEST . . . Last Chance Dance was held for students who needed a last chance by the Allied Youth.

DRIPS . . . from the candles are saved by hostesses behind the "bar."

SALOON TRICKS AND OUT-OF-TOWN GAME

The Allied Youth sponsored a Last Chance Saloon Dance in October. The decorations were along the line of the old West. Several girls were bar maids, serving the tables which were placed in the cabaret fashion about the AHS cafeteria. The

Queen candidates were paraded about the track at Amarillo Stadium for the students to choose their favorite for the top role in the life of Sandieland. And some traveled to Midland where the cheerleaders petted the mascot of the team in the southern division of 1-AAAA.

HOLD 'ER . . . Betty Barnard, candidate for the role of Sandieland's queen rides about the track at the stadium in a convertible, as did others.

ISN'T HE CUTE . . . Sandie cheerleaders pet the famous Midland Bulldog mascot in the stadium at Midland, where this fellow's team took an easy win over the Sandie eleven. Shame we can't take a sandstorm with us.

WHO'S NEXT? . . . The crowd waits for the buyer of a choice cake during the auction of goodies for AY.

GET THAT CAKE, SON . . . Crowds in little groups take the spotlight after the cakes are actually sold.

I SAY IT'S CHOCOLATE . . . Auctioneers and sponsors discuss the makeup of a particular cake during sale.

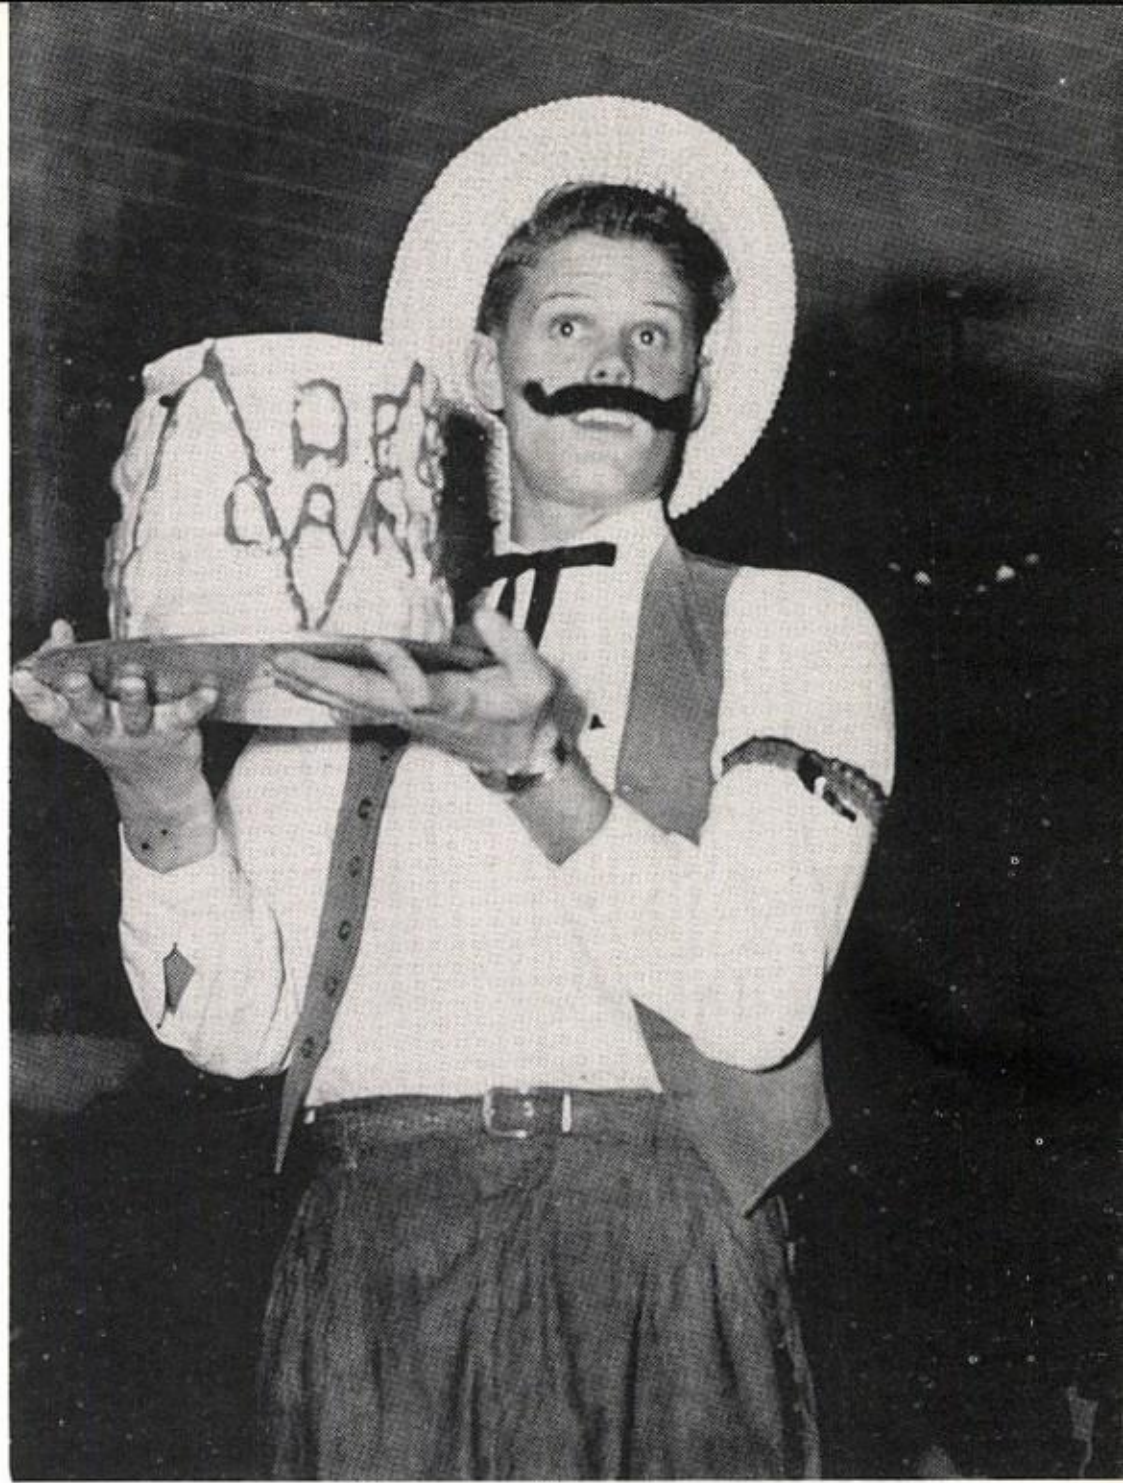

WHAT AM I BID? . . . Auctioneer Hugh Bob Currie has the high place on a table during the annual Allied Youth cake-bake. He eventually made a sale.

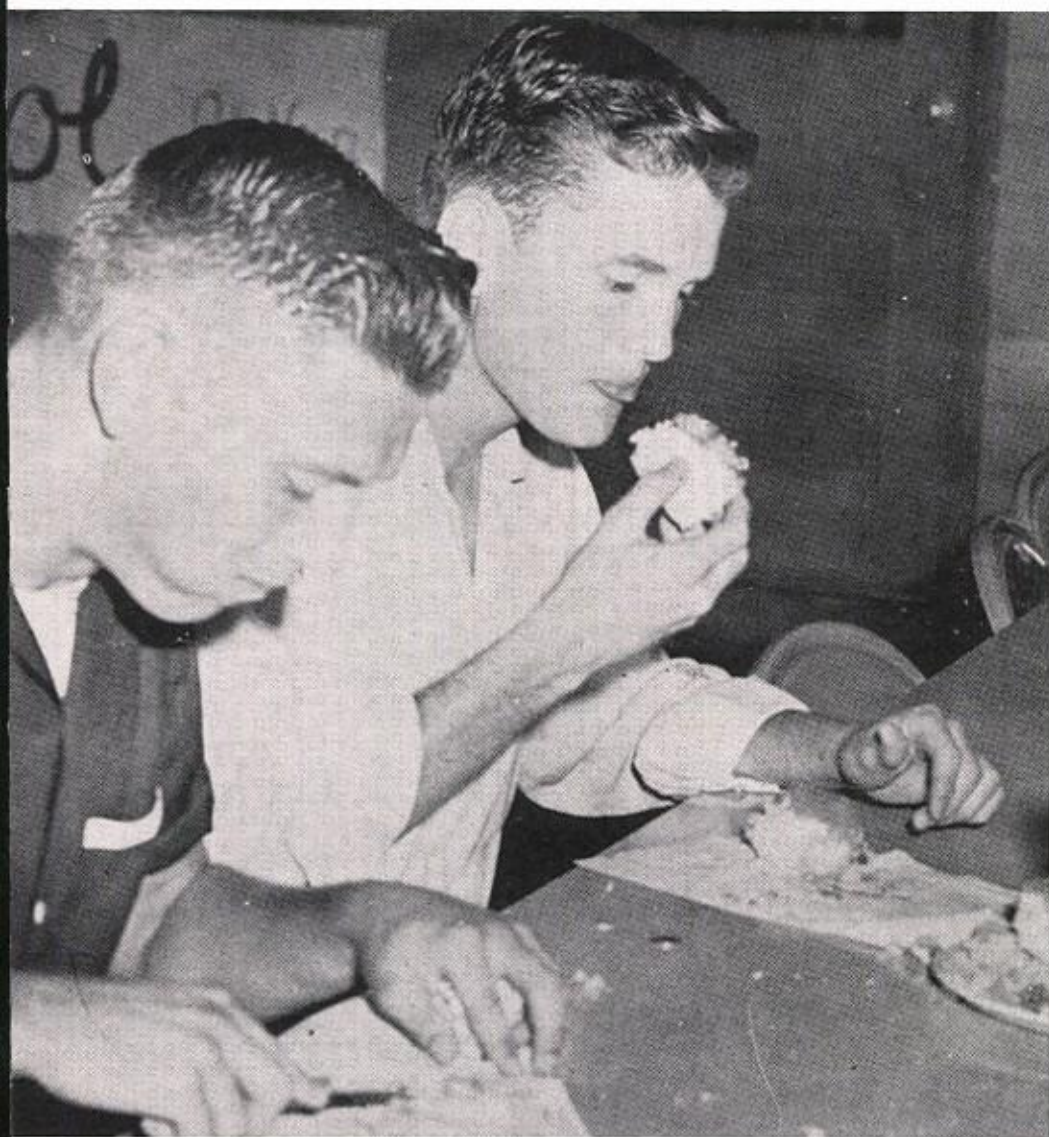

IT'S WHAT? . . . Karlen Jo Bruner, girl gypsy, holds a prize cake with the off-the-shoulder look. My, my!

ANNUAL CAKE SALE

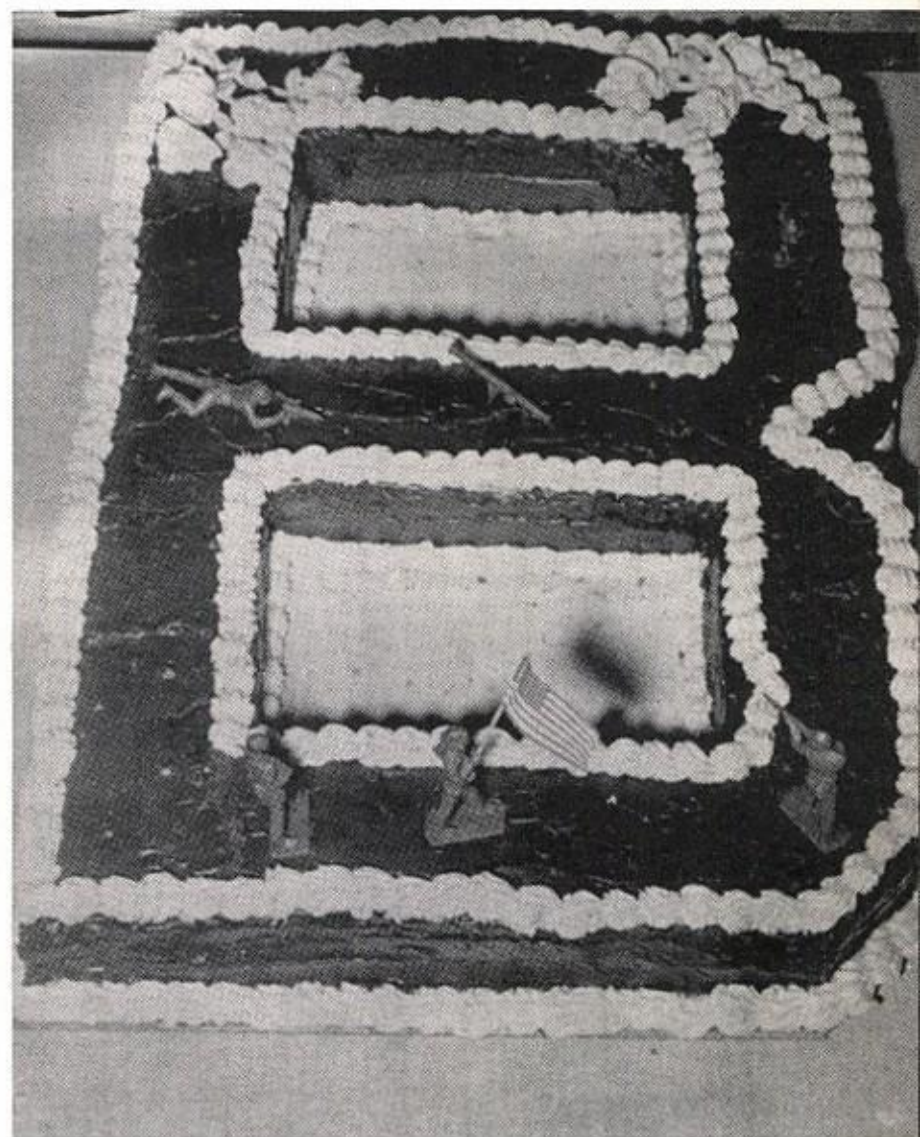

A tradition of AHS that has become rooted in recent years is the annual Allied Youth Cake Sale. Members of the club spend countless hours in baking and decorating cakes for the benefit of the AY fund to send delegates to the national conference in Pennsylvania. Some girls even make their cakes in the shapes of current events. One was shaped like a football, another like a large letter "B" for the ROTC company of the same name. After the sale, and often times during same, students take their prize cake and go off to a quieter corner and eat. Many students come in groups to pool their resources for the purchase of a delicious one of their own choice. In the tradition of the sales of grandmother's day, the AHS students use no silverware, but simply end the night with sticky fingers and sugary jeans. Characters appear in the form of the students from the organization who appear as auctioneers and gypsies. The Allied Youth organization embraces most all of the student body at Amarillo High School, and is designed to teach students the effects of alcoholism and how teen-agers can have a good time without it.

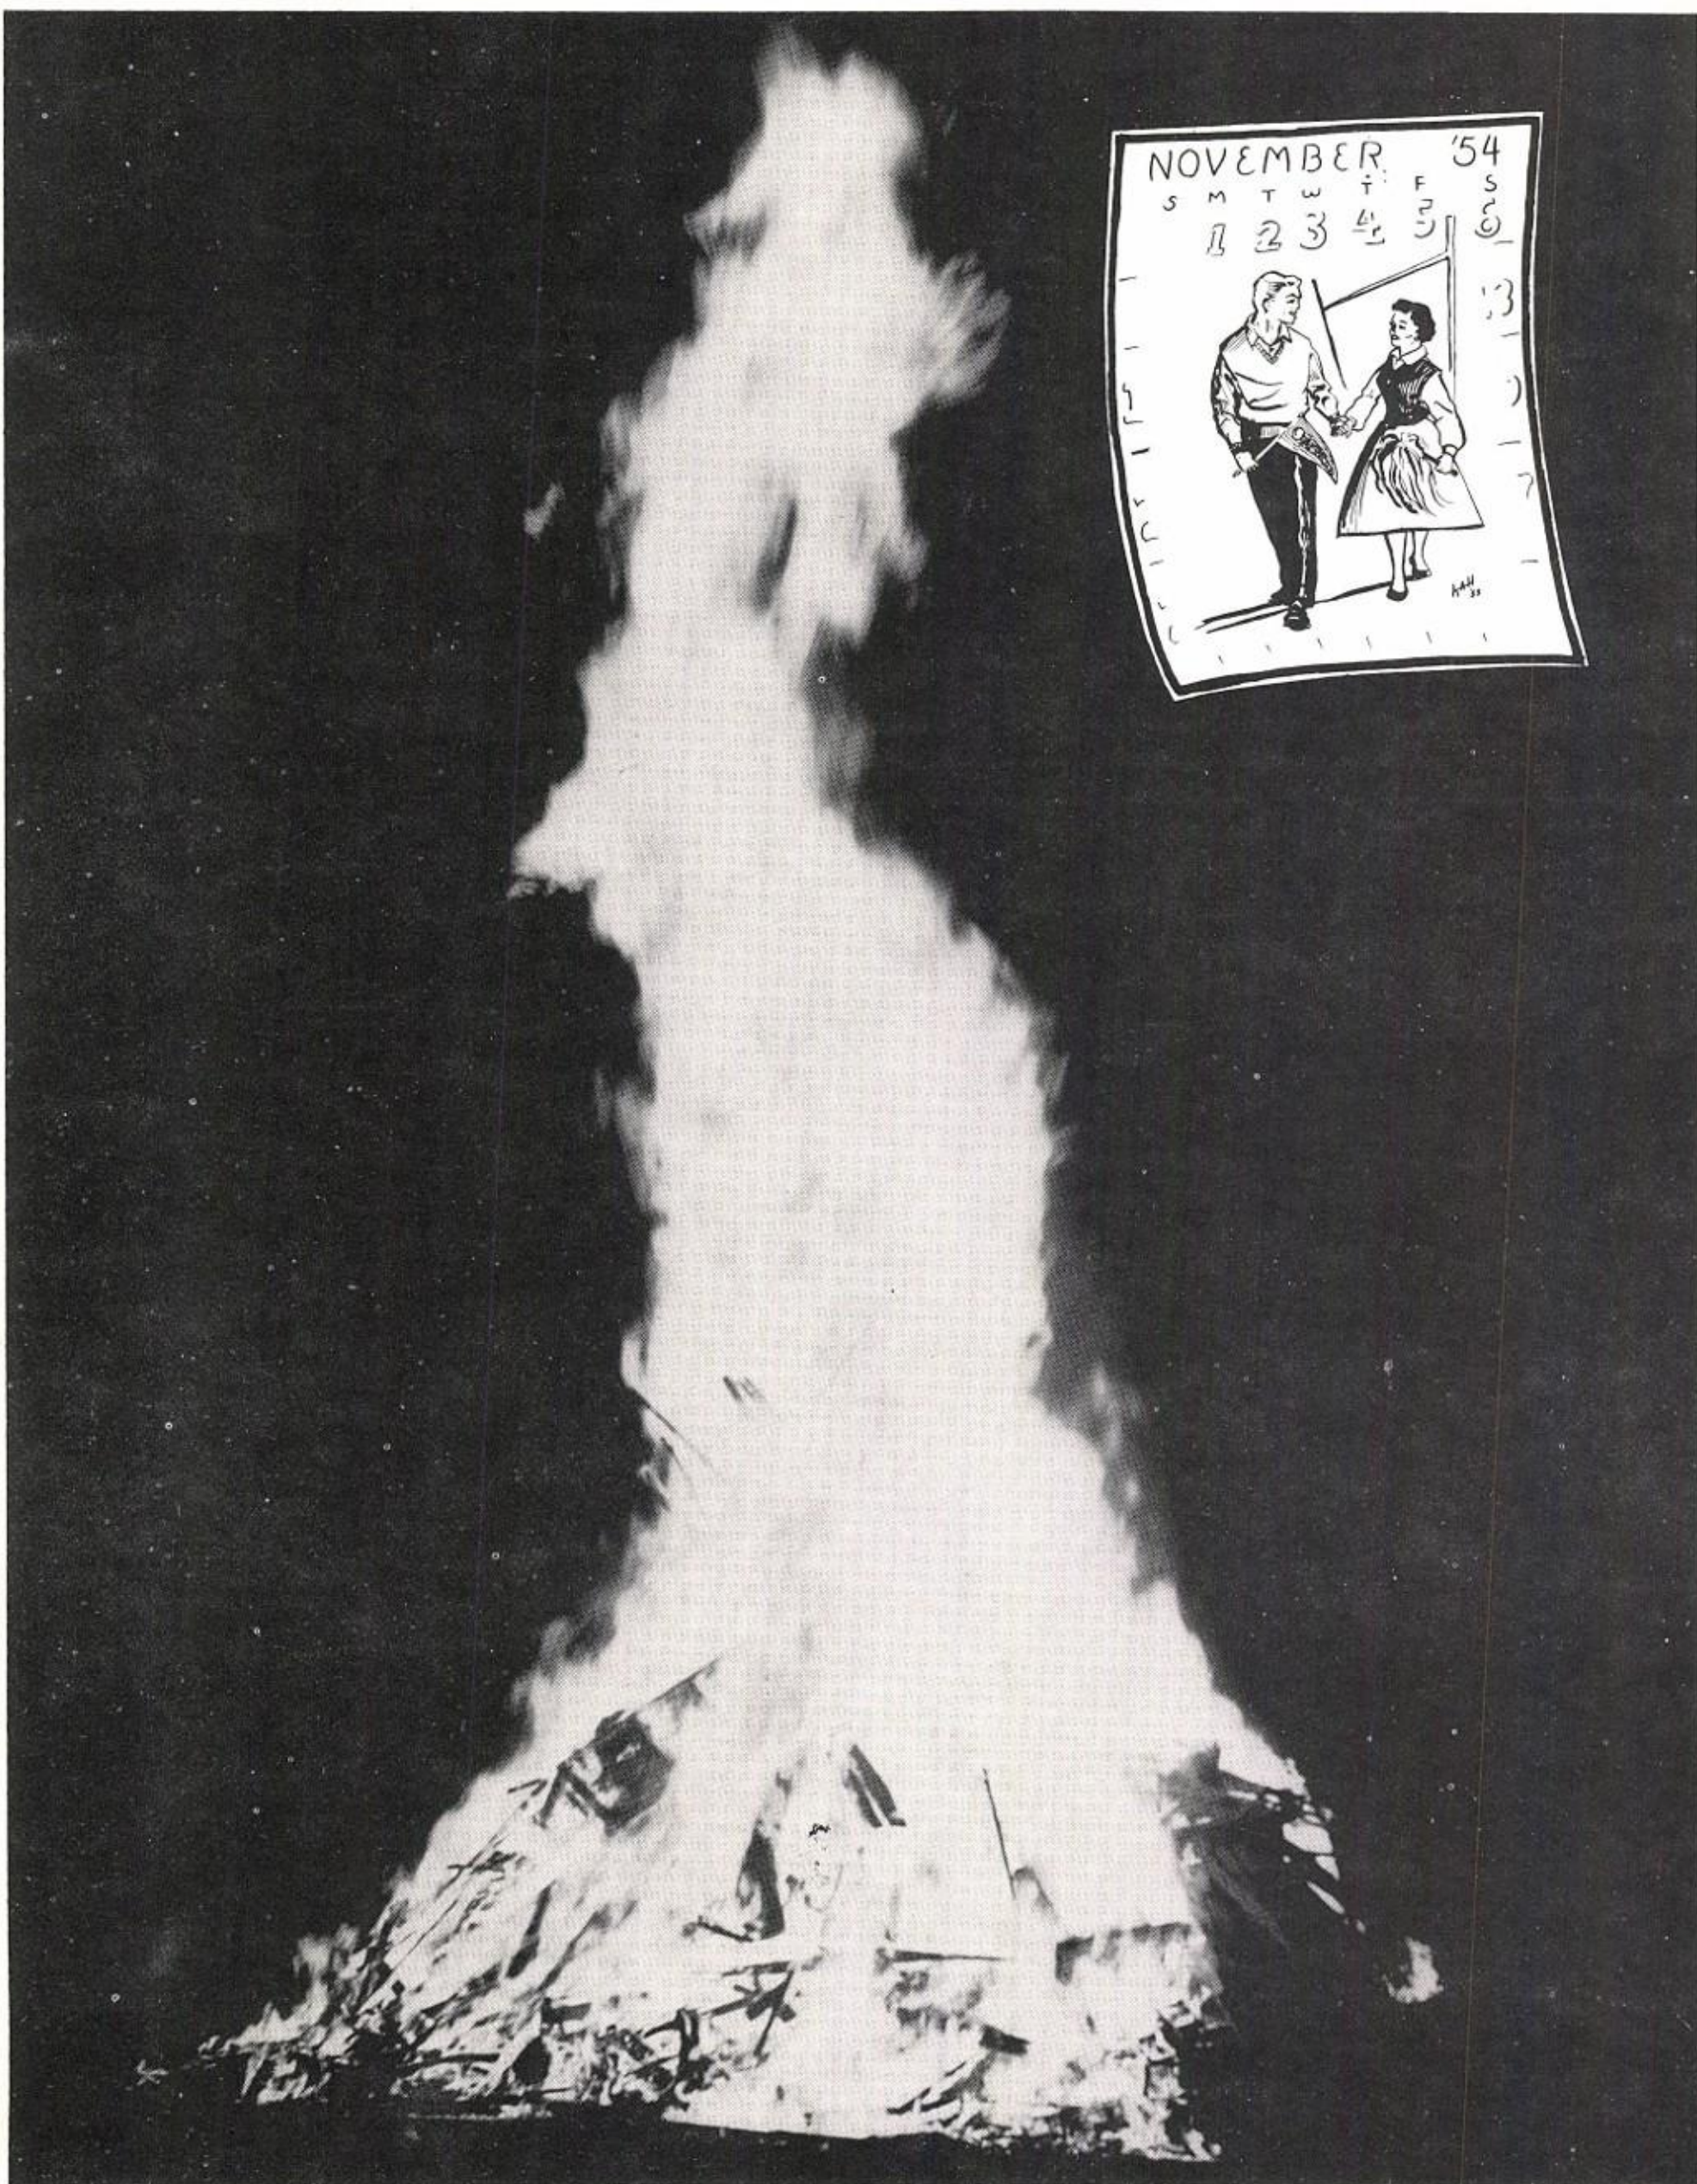

NOW HEAR . . . Auctioneer Bill Smith holds a multi-layer cake for sale during the AY activity.

NOT LIKE MOM'S . . . Students munch after a hard struggle to purchase their choice cake. Tongues taste.

MILITARILY YOURS . . . This cake caused quite a stir at the bake. Many hours went along with the ingredients.

ONWARD, EVER ONWARD . . . The halls were busy in November. A queen was crowned and her court was introduced. Parents and friends crowded the halls of AHS on Back-to-School Night. Some took time off on Thanksgiving to attend the Sandie-Westerner tilt in Lubbock, where the eleven defeated the former state champions for the first time in many, many years. But, the climax of the time was the bonfire, burning spirit.

SPIRIT ON THE MARCH . . . Students parade around the bonfire prior to the Lubbock-Amarillo football game.

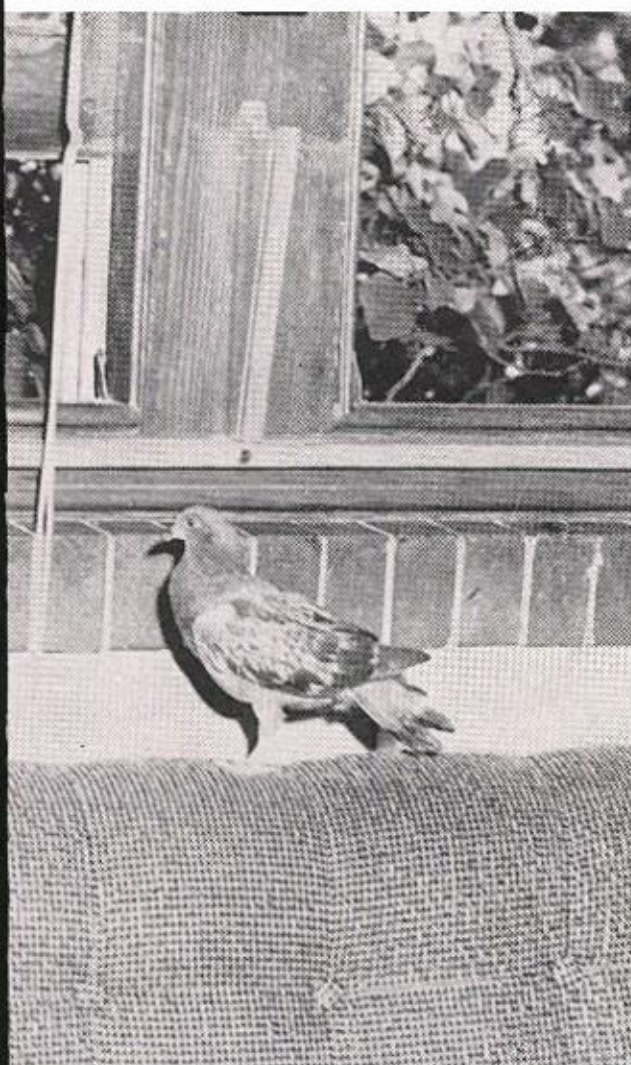

HOBO KID . . . appeared in the AHS assembly in November, accompanied by Superintendent Charles M. Rogers.

DISTINGUISHED VISITORS AMID FOOTBALL FEVER

The spirit of the season centered about the bonfire in the west end of town prior to the Sandie-Lubbock game on Thanksgiving Day. Some 300 students and patrons were on hand to burn the Kenny the Cowpoke, who replaced the previous Willy Westerner. The height of the blaze was seen

from almost all points in the city. Someone made a second year attempt to spoil the work of the cheerleaders and other students by setting a pile of lumber ablaze one night early. But, the friends of AHS students all pulled together and got enough debris together to have an even larger fire.

VISITOR . . . Flying into the office of Principal Norman during the hot November days was a pigeon who refused to eat our popcorn.

WISH WE HAD IT BACK . . . Donald Harvey and Wanda Clark are pictured admiring the Victory Bell which once set in the halls of AHS so long that the air went out of the tires. But, that was long ago. It has been on the move since.

ALL OPPOSED, SAME SIGN . . . Many hands raised high in the Lubbock Pep Rally with a hairy approval for the offer to "Beat those Westerners!" Students urged the team to do that.

LADIES LIKE IT, TOO . . . Esquire Magazine appeals to six AHS girls en route on the train.

TREK SOUTH AND WIN

Students piled on a special Santa Fe train and pulled out of the Amarillo Station en route to the Lubbock game. It is the only public conveyance trip of the school year. Students played and read, sang and slept while the old engine pulled along the two tracks. It was a glad crew that mounted the cars after the Sandies took their first win over Lubbock since the Westerners had been state champions. The Sandie Band and the cheerleaders as well as patrons and friends of the school joined the student body on the coaches Southward.

REFRESHMENTS WILL BE SERVED . . . for the price of a good Coke. Students had the dough.

ME NEXT? . . . Students kept up with national games through use of portable radios.

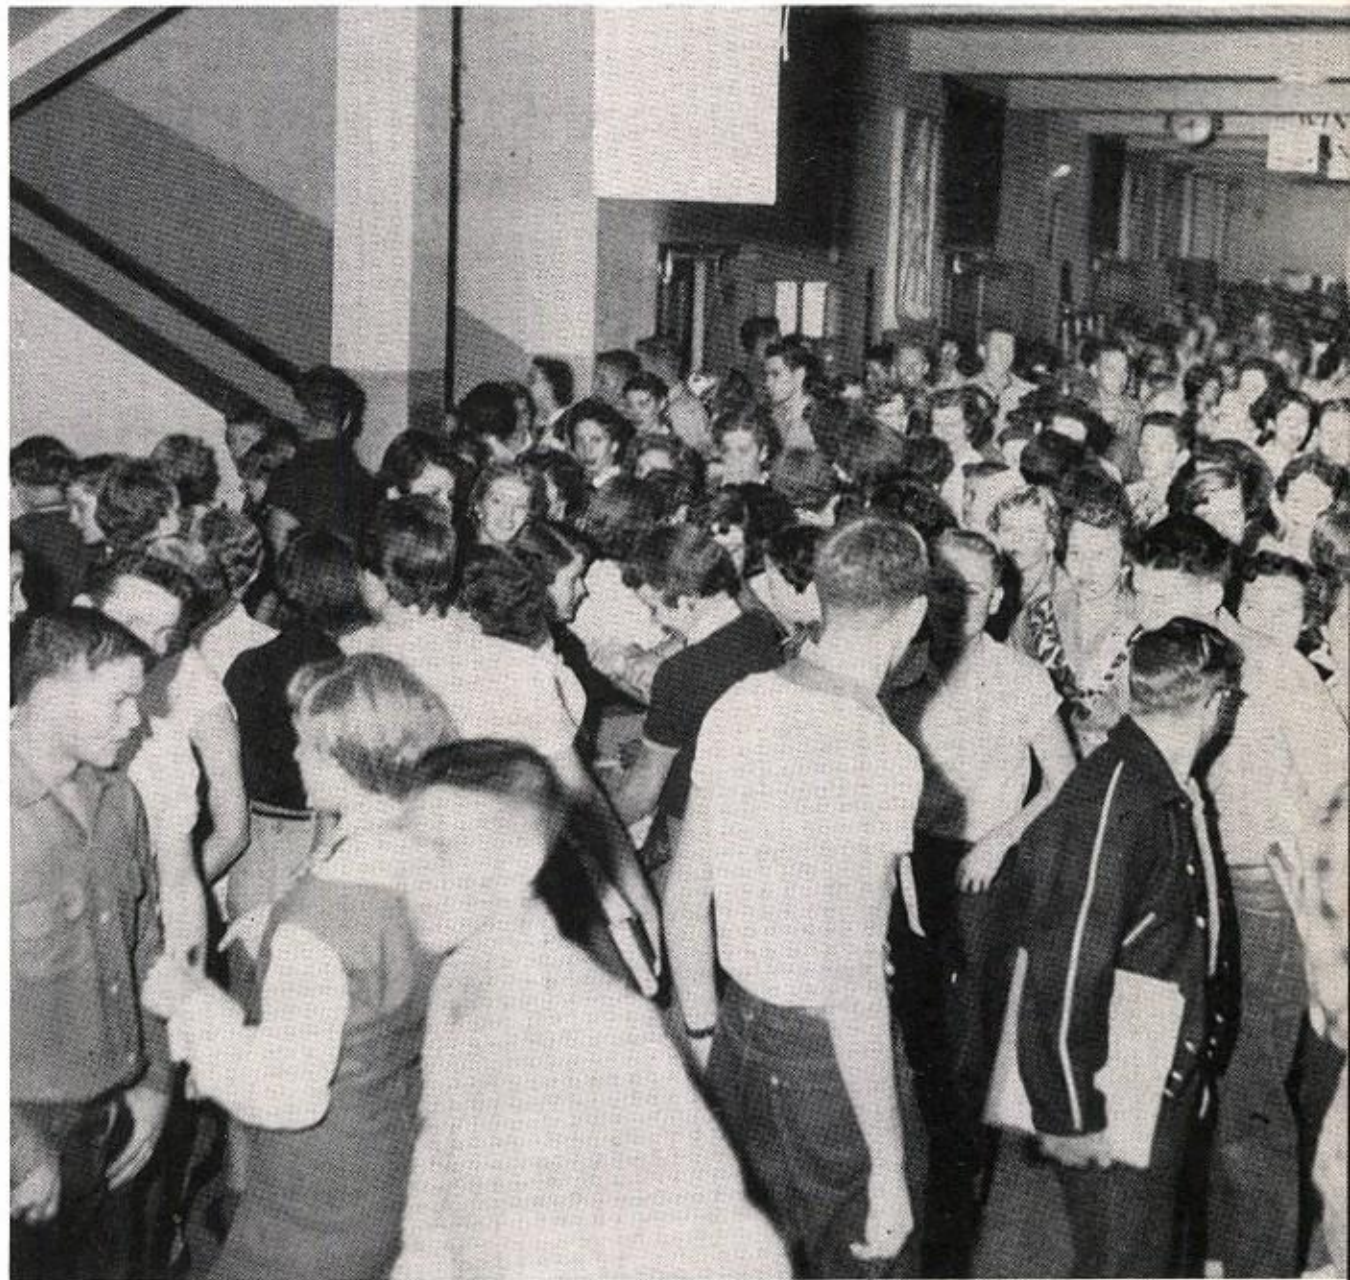

TOP O' TEXAS . . . Delegates to the first convention of the region of Student Councils meet in a planning session at AHS in November. John Lawrence was chosen by the Amarillo delegation to serve as president of the meeting. The schools do not elect individuals to head the meeting at the general convention. John addressed the group when the convention was held at Phillips High School, in Phillips, Texas the first weekend in November.

BEAUTY AND THE FRUIT . . . Queen Sandy Ely is pictured with a raw apple. This photograph placed third in the state contest.

GUESS WHAT . . . This D. E. student works outside of school as a laboratory assistant in the process of analysis, a vital part of the medical program.

WHERE CAN I FIND . . . Students come out of the auditorium following a morning devotional, held each Thursday prior to school. Student leaders prepare programs and speak.

HERE COMES SANTA CLAUS . . . December finds AHS no different from the many institutions of the public which go all out for the needy and for the true spirit of Christmas. Students at AHS have, for many years, donated their offering at this time of year to the children at the Amarillo Children's Home. Students bring canned goods and larger groups donate foodstuffs for the pantry shelves at the Home. This is the climax of the old year.

FROM ROGERS TO ROGERS . . . Student Council members serve ginger cakes to the faculty as shown by M. J. to Mrs. Rogers, biology.

YULE SEASON AT A.H.S.

Home rooms meet in early December and plan a door decoration for the annual contest. Many home rooms come up with the very top prize each year. This year a controversial door, in pink and black, appeared in the halls. Students and faculty were divided on the likes and dislikes of this one. Others decorated in the light and serious fashion. Mrs. Margaret Josserand's home room took first place in the contest. They decorated the difficult auditorium door on the north.

SO NATURALLY . . . Brenda Solnick holds high another silver ornament as students in journalism classroom decorate their tree to make the partial payments more pleasant.

HIGH ON WINDY LADDER . . . Sharon Hannon smiles as Nancy Hannon hangs decoration for their home room's entry into the annual contest.

JINGLE BELLS . . . Rex Pope and Kareen Weeks add final touches to their home room's door on the second floor before Christmas.

FOR HE'S A GOOD EGG

Members of the La Airosa and Sandstorm staffs took off to Denton the first weekend in December for the annual Texas High School Press Association. For the seniors, it was the third consecutive time an AHS delegation had left with hopes of electing a president. Other tries had failed, but this time when the ballots were in, there was no run-off. Whereas Johnny Gilbert missed it by one vote last year, Buck Ramsey took the place of the highest elective office in the high school journalists association with a resounding majority. "Whew!" all this and a first place annual as well.

GOTTA MATCH? . . . Jim Beavers hangs a welcome sign outside the auditorium at T.S.C.W. for the advancement of the AHS candidate, Buck Ramsey, boy candidate.

AT LAST . . . Buck Ramsey, newly elected president of the state organization is hoisted on the shoulders of his supporters following victory.

WELCOME TO DENTON . . . signs were placed outside the city of Denton by Amarillo delegates welcoming students from all over Texas to the State Convention. Ruth Hunter was cold.

BIG MOUTH . . . Betty Barnard, girl delegate leads a Conga Line during an open house at the Tessie Campus. Betty also was instrumental in the victory with acting.

**BUCK
AND THE
PAMPAN VEEP**

SILENT NIGHT . . . was a popular carol years ago, and still was with the Press Club members at their annual party.

TREE TRIMMER . . . Judy Speer was one of the many who planned and directed the decoration of the annual Press Club Christmas Tree.

PRESS CLUB PARTY

As is the tradition, the members of the Dorinda E. Bond Press Club held their annual Christmas Party as did other organizations during the Yule Season. Only, there was a photographer at this one. In fact, there were several photographers.

Other clubs: take notice. If a picture would look good here, call a photographer. This year's fracas was held in the roaring fireplace light of the Boy Scout Camp near Canyon. Highlight of the night was the opening of presents by all students, following a meal of turkey, ham, more turkey and more ham. Traditional carols were sung and the "Story of the Other Wise Man" highlighted the program. Alumni home from college made the event more pleasant for all.

MORE CHOW . . . than enough to feed an army was on hand for all good little members.

SHORTEST DISTANCE . . . to the meal was this line. Tables were decorated by students early.

CHILDREN'S OFFERING

Students at Amarillo High School have always been generous with their offerings and Christmas is no exception. The annual offering to the Children's Home began in the early thirties. It was the original goal

of the school to present the home with one thousand cans from the homes of the students. Now, the offering is much larger than the original 1000 items. Some organizations even donate those food-stuffs which can be kept in large quantities throughout the year, such as cereals and staples. Some of the groups donate fresh fruits. This year

the members of Mr. Maurice Mitchell's woodshop classes made Television tables for TV sets which were donated to the Home by Amarillo people. The Thousand Can Movement, as the drive was originally called, was begun by the then Head of the Social Studies Department, Mrs. Vera Davis Shinn, who passed away in 1936. A memorial to Mrs. Shinn is in the wall near the opening foyer of AHS.

HOME ROOM DONORS . . . These lads are the representatives of their home rooms chosen to make the presentation of their gift to the Home.

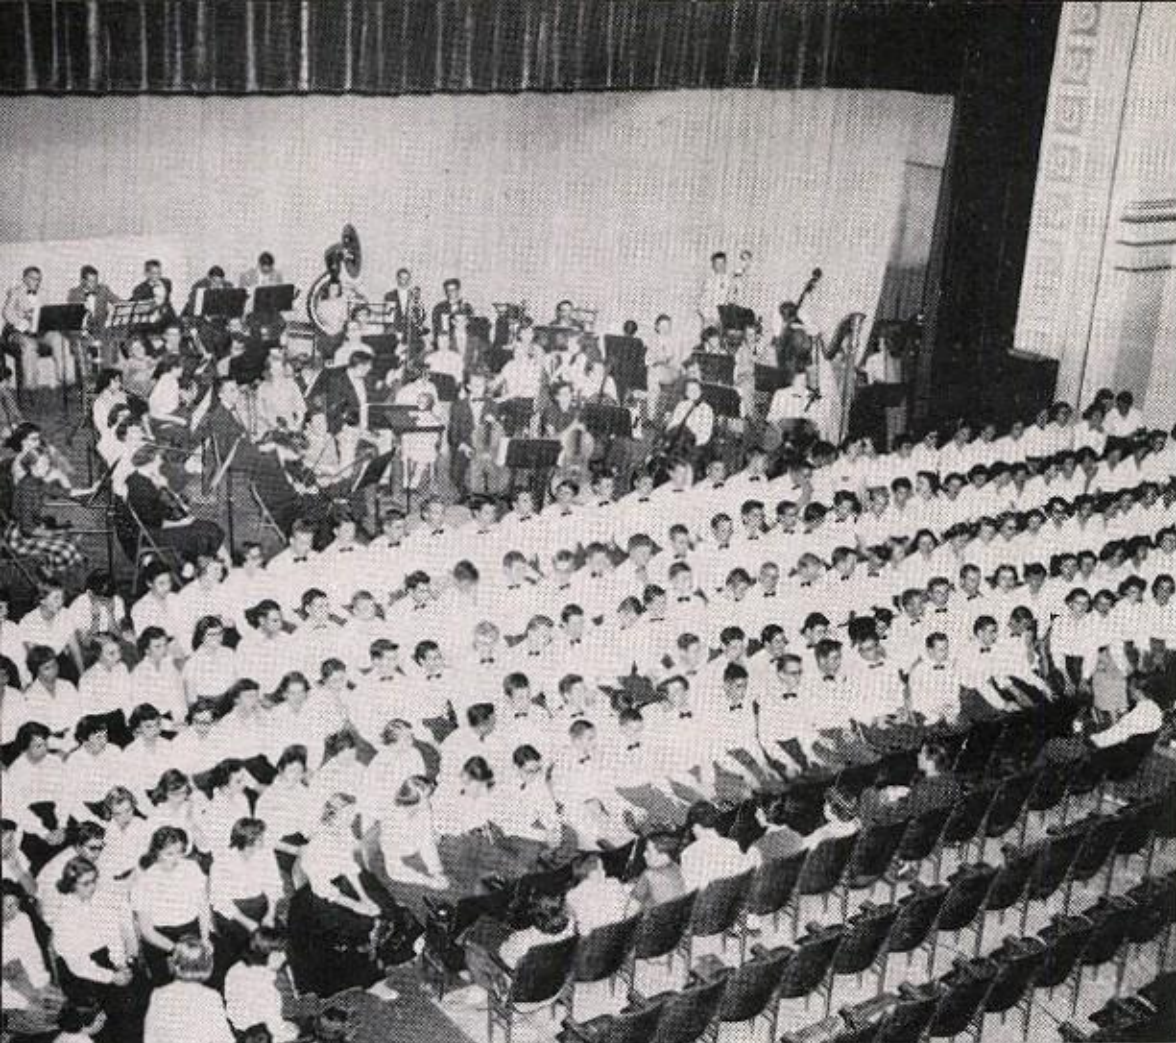

LOOKIE HERE . . . These students accompanied the Home's superintendent to the AHS assembly for the presentation of the gifts.

BIG AS A MINUTE . . . This lad also visited the AHS student body thanking them for their gifts to the Children's Home for Christmas.

HALF-WAY MARK . . . January is the time of the mid-term examinations, held the last days of the month. Following the Christmas Holidays, students find it hard to buckle down to the everyday routine of getting back in line of study. Most of the days and many of the nights are spent in the preparation of the all-important exams. This is immediately followed by the registration procedure and changing schedules for a new term.

MUSICIANS IN CONCERT . . . Members of the AHS Orchestra and the sophomore choirs combine for a concert.

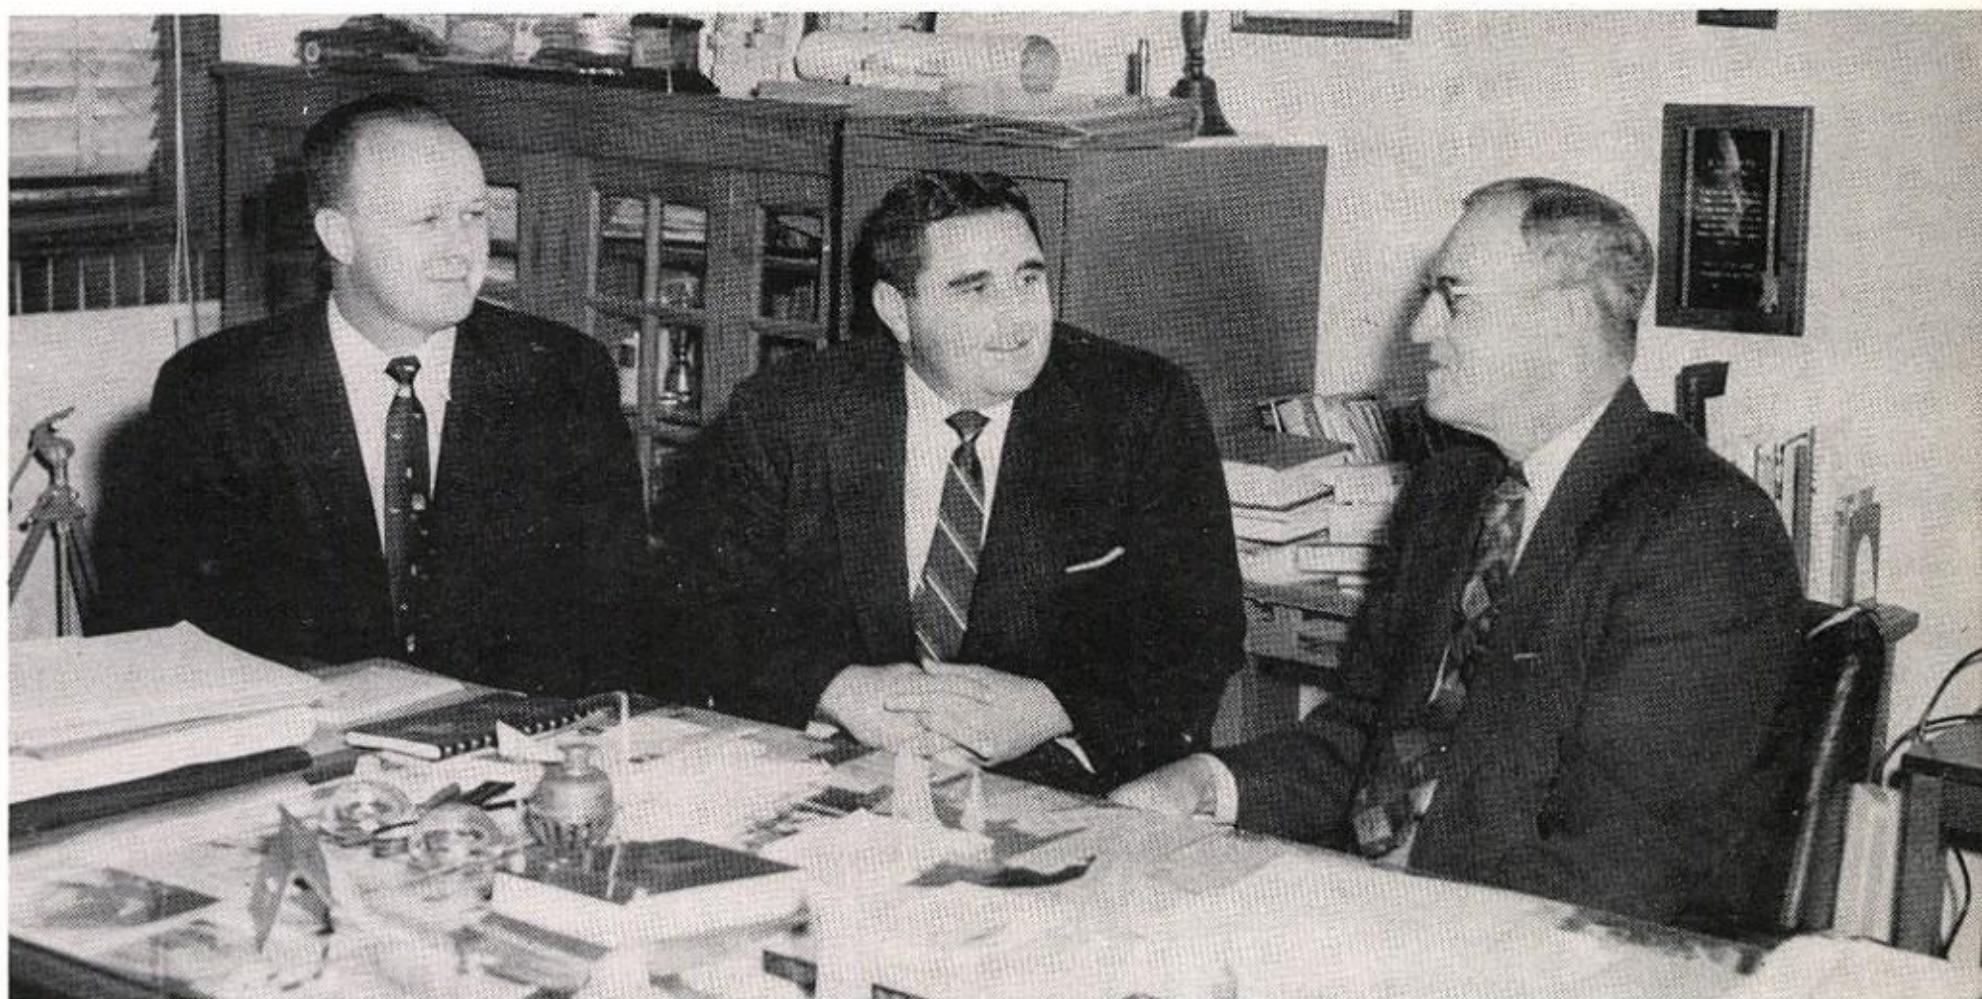

OPERETTA PRACTICE . . . Members of the musical side of the operetta rehearse.

SANDIELAND NAMES NEW FOOTBALL COACHES

Big news of the month of January was the resignation of Coach Bill Defee as head coach and athletic director. His leaving prompted the appointment of Dee Walker of North Texas State College as Athletic Director and Joe Kerbel as head football coach. Kerbel comes from Breckenridge where he last fall won the 1-AAA state championship. He brought Tom Moulton with him as assistant coach. Work on the annual

operetta reached a peak during January as well. The rehearsing casts, two of them, met daily in the auditorium for practice. The operetta is a great deal more work than the final production would indicate. Members of the art, woodshop, journalism, home making and commercial departments join the musicians and the dramatists in preparation for the event which comes off in February. The strains of Schubert's music filled the halls of AHS even during the choir periods.

NEW COACHES . . . Pictured with Principal R. B. Norman are two new coaches named to Amarillo High School. They are Tom Moulton, left, and Joe Kerbel from Breckenridge.

PLAY TIME . . . One of the many productions by the speech department throughout the year.

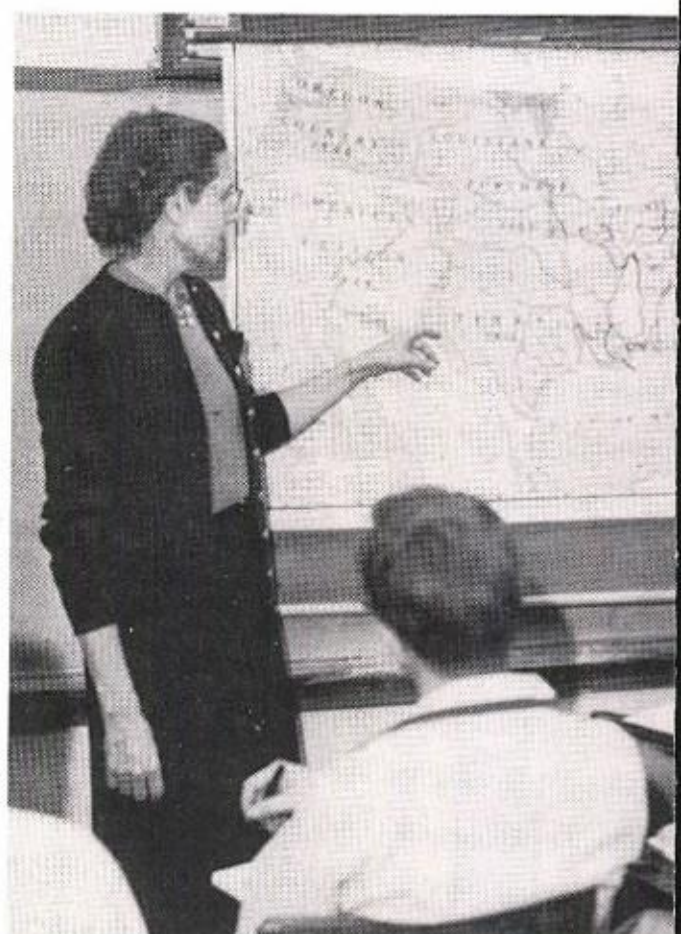

NEW PLACE . . . for the many trophies which AHS will win is this case delivered above.

IT DID SNOW . . . and proof is in this picture taken early one day while some of the white stuff was on the ground.

GIRL WORKERS . . . Not-so-typical office workers are Marjorie Royse, left, and Suzanne Parker, who work for the registrar during the fourth period. Girls are assigned the many duties, among them, posting reports.

NOW TAKE THIS . . . Miss Clara Zobisch instructs her history.

**YEA,
STUDY
HARD!**

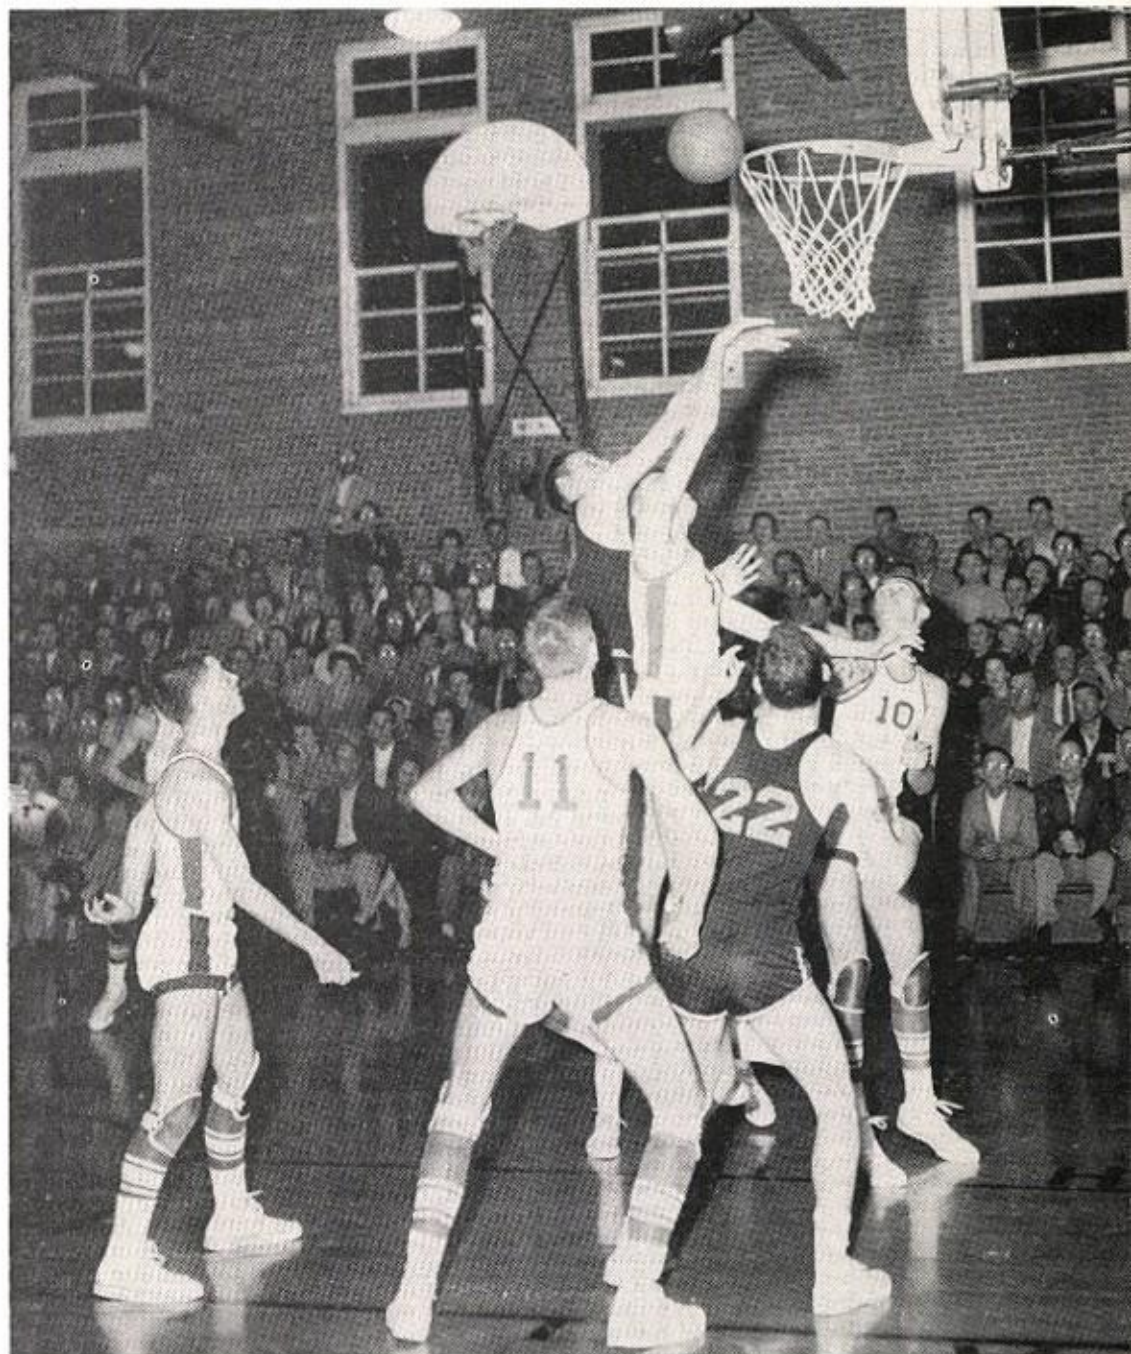

POPULAR CREW, OPERETTA TIME . . . Events of February afford more color and activity for yearbook photographers than any other season. For, the favorite election and the presentation ball are held this month, in addition to the annual operetta. This year's performance of "Blossom Time" matched all previous successes. The Popularity Ball was the most successful of the spring social functions as usual. Life went on.

COME ON SANDIES . . . These fans went to Borger to see the Sandies lose a game to the Bulldogs. But, most of them stayed right at home as the Sandies took Pampa for a co-championship.

SANDIES TAKE A NORTHERN CO-CHAMPIONSHIP

February is the climax month for the round-ball season which gets underway the next night after football dies away in November. This year's Sandies took their first win over the Pampa Harvesters in several seasons. The students and team were wild with victory. So wild, in fact, that a photographer was mauled during the excitement and got no pictures, escaping only with his life. The Harvesters and Amarillo tied for the Northern half of the 1-A AAAA championship. Pampa defeated Amarillo in a play-off game and met San Angelo for the 1-A AAAA championship. There was a conflict in events on February 12th which caused that to be one of the most memorable days of the year. A Pep Rally at 10 a.m. and the play-off game, followed by the annual Popularity Ball later that night. Although the Sandies didn't go to state, this year's crop of seniors saw them defeat the Pampa team once in football and again in basketball. That was at least something to think about in the fruitful years ahead of all of them.

HEY THERE, BUB . . . Bub Farrell, in the black suit hits the goal for one of his countless shots during a game at Borger this February.

HEARTS OF PAPER . . . and red paper at that. Ask any journalism student about the hearts of red paper that they cut and drew during class in February in preparation for the Pop Ball.

UP, UP, OLD GIRL . . . Delores Wheeler reaches to the ceiling for a heart.

HEAVENWARD, KIDS . . . Tying hearts to the crepe paper streamers was another job of the decorating folks.

DECORE CONSUMES TIME

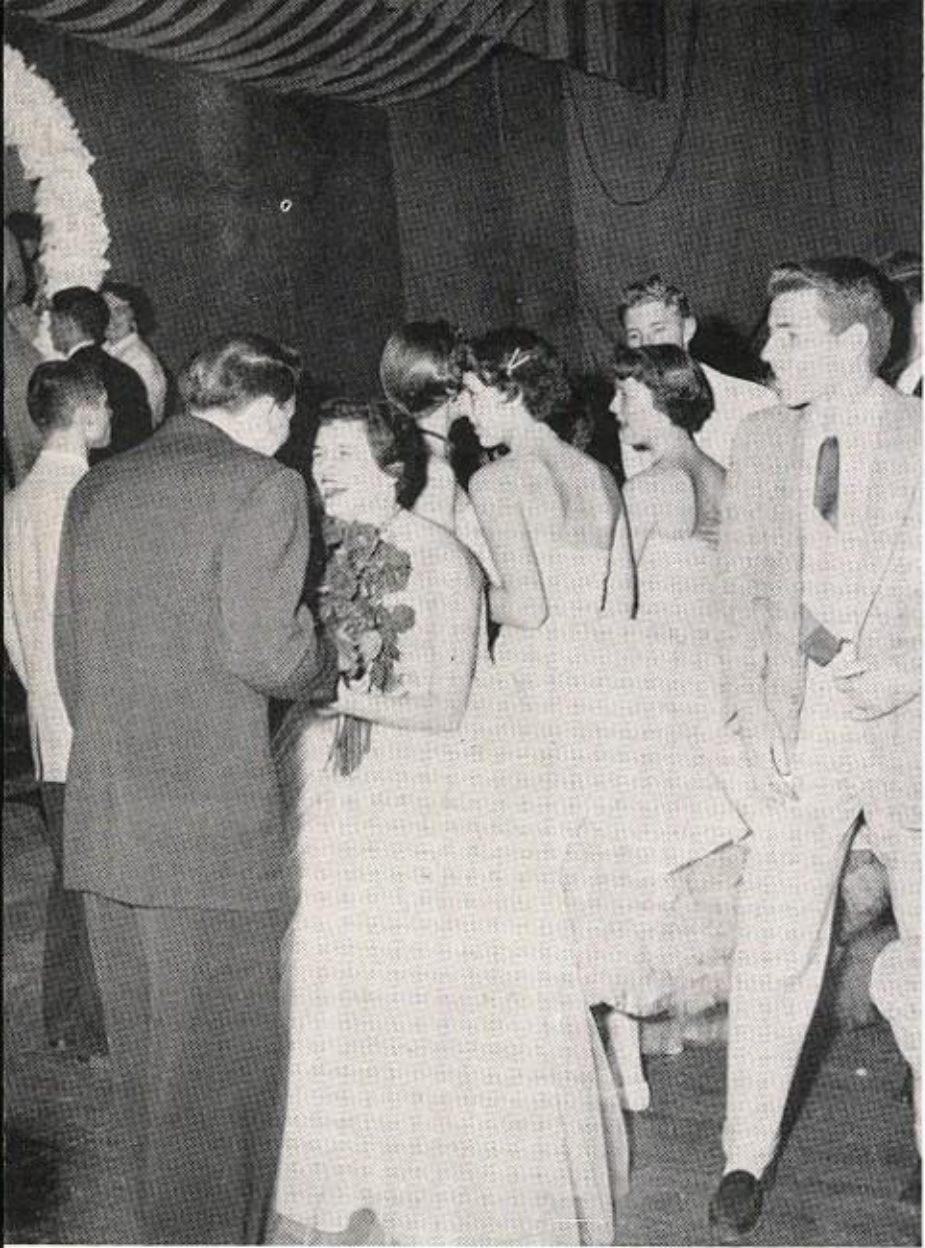

Members of the La Airosa staff spent countless hours in the second floor girl's gymnastic ballroom in preparation for the annual Popularity Ball. While most Sandies were at the field house, the good members of the staff stayed and rolled crepe paper and tied hearts. This was all the afterwork of the Journalism Classes who traced and cut hearts for a week. The girl's gym is located on the second floor and is used exclusively for the popularity ball each February. The ball, a tradition for AHS for many years, is held during the weekend nearest to St. Valentine's Day. This year, it fell on the birthdate of the great President of the United States, Abraham Lincoln. The motif was hearts for the first time in three years. The ceiling was decorated with white crepe paper and red hearts. The presentation was in the auditorium, for the first time in history.

MORE THREAD . . . Girls bent backs over a bench for the purpose of sewing hearts.

TIE AWAY . . . Bobby Clark attaches a wire to a goal. Kay Alexander holds the ladder for him.

AW, GEE, THANKS . . . Favorites congratulate each other after the announcement of the class favorites. These are Betty Cave and Jim Beavers, sophomores.

AFTER THE BALL . . . Happy, destructive journalists.

EVERYBODY'S FAVORITE

Highlight of the Popularity Ball is the presentation where the favorites are announced. This year's presentation was held in the auditorium for the first time. Johnny Gilbert served as master-of-ceremonies. Kay Alexander and Bob Crump announced the favorites. Don Spencer and his Blue Knights played the dance. Miss Jane Williams headed a faculty committee. She was assisted by members of the faculty. Tommy David worked the new \$800.00 spotlight in its initial test during the presentation.

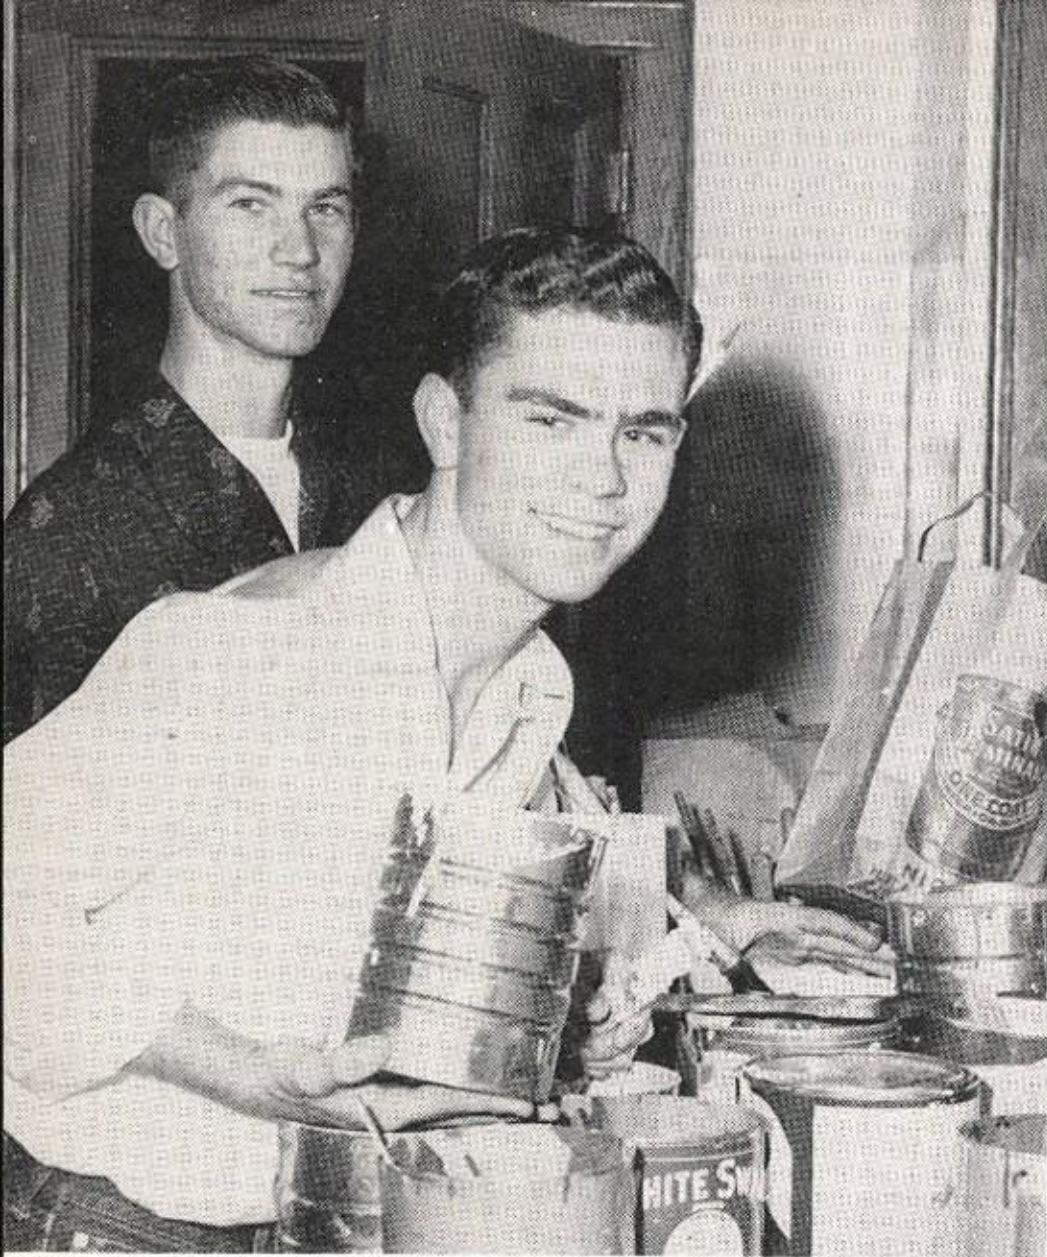

FACULTY AND STUDENTS . . . A faculty committee signs the students in as they enter the Popularity Ball. Mrs. Thomas Haynie, Dean of Girls, is a late comer to the social affair.

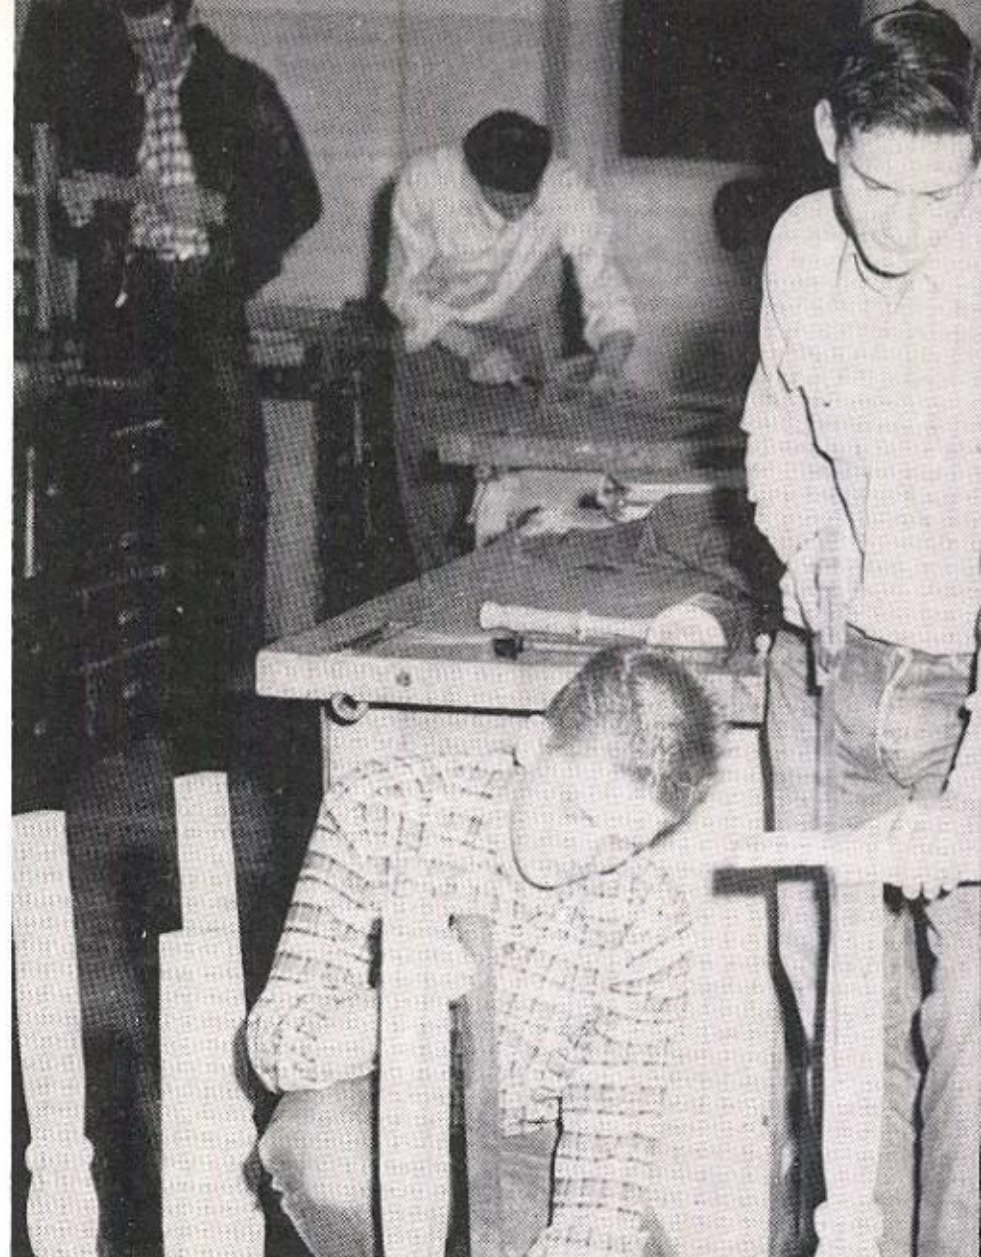

SHE'S MINE . . . Joe Williams waits for June Ginn, his date, who won favorite.

**SENSATIONAL

PAINTERS FRIENDS . . . Glenn Godsey and Kenneth Holder of the arts department paint scenery.

RAIL BUILDERS . . . Boys from the woodshop aid the stage crew in building a rail for show.

THEY'RE LOVELY! . . . Executive director of the production Miss Tennie Thompson and costumes.

LIGHTS, NO CAMERA . . . Tommy and Roy work the lights during the performance of the show.

TICKET SELLERS . . . These commercial students were leaders in charge of the ticket sales.

THESE BOOSTED STARS

The all-school production of "Blossom Time" is exactly what the name implies. Many of the departments of the school combined their varied talents in the ultimate goal of the actual presentation. The art department paints the scenery upon requests from the speech-drama folk. The woodshop people build scenery for the art department to paint upon request from the speech-drama folk. The journalism department takes care of the publicity in the local newspapers and over the Public Address System. The commercialists sell tickets and the home ec students make costumes and sew same.

HEY, HEY, HO, HO . . . Two sisters from the cast listen to Marjorie Cloninger as she struggles with "gertrude" her pet bass violin. Marjorie also sang with the Bel Canto Chorale in show.

BOY SCHUBERT . . . Johnny Gilbert, winner of the All-Star role of Franz Schubert is seen at a square piano practicing his part in true style.

SHE'S LOVELY . . . Members of the speech-drama classes serve as make-up artists during the last moments before the curtain.

**COULD SHE
BE "SUSPICIOUS?"**

OH, MY FRANZ . . . Carol Cain, left, and Johnny Gilbert sing of their love in the show's first act. She ends up with another man.

ALL-SCHOOL PRODUCES ROMBERG OPERETTA

The annual production of an operetta at AHS came off on February 17, 18 and 19. This year's show was the eighth annual affair sponsored by the combined efforts of the major departments of the school. Miss Tennie Thompson and Mrs. Julia Dean Evans originated the operetta in 1948 with the production of "H.M.S. Pinafore." It has grown into one of the major cultural events of the spring season. The cast is divided into two casts during rehearsals. One presents the show on opening night and another the second night, with an all-star cast chosen by a panel of impartial judges. Mrs. Thomas Haynie, Dean of Girls, is co-ordinator of activities. Miss Tennie Thompson serves as executive director. Joy Farnsworth and Elizabeth Lynch played the piano during rehearsals. Richard Pipes took the publicity pictures. These are by no means all of the faculty and students who worked on the operetta, but the people who did some of the behind-the-scenes work and were not photographed by the school photographer.

SERENADE . . . One of the most popular of Schubert's songs sung by quintet of boys.

WEDDING DAY . . . The boys get the girls in this story, and a happy ending as well.

I GOTTA GAL . . . Dean Bedwell, playing the Baron, sings with the three sisters.

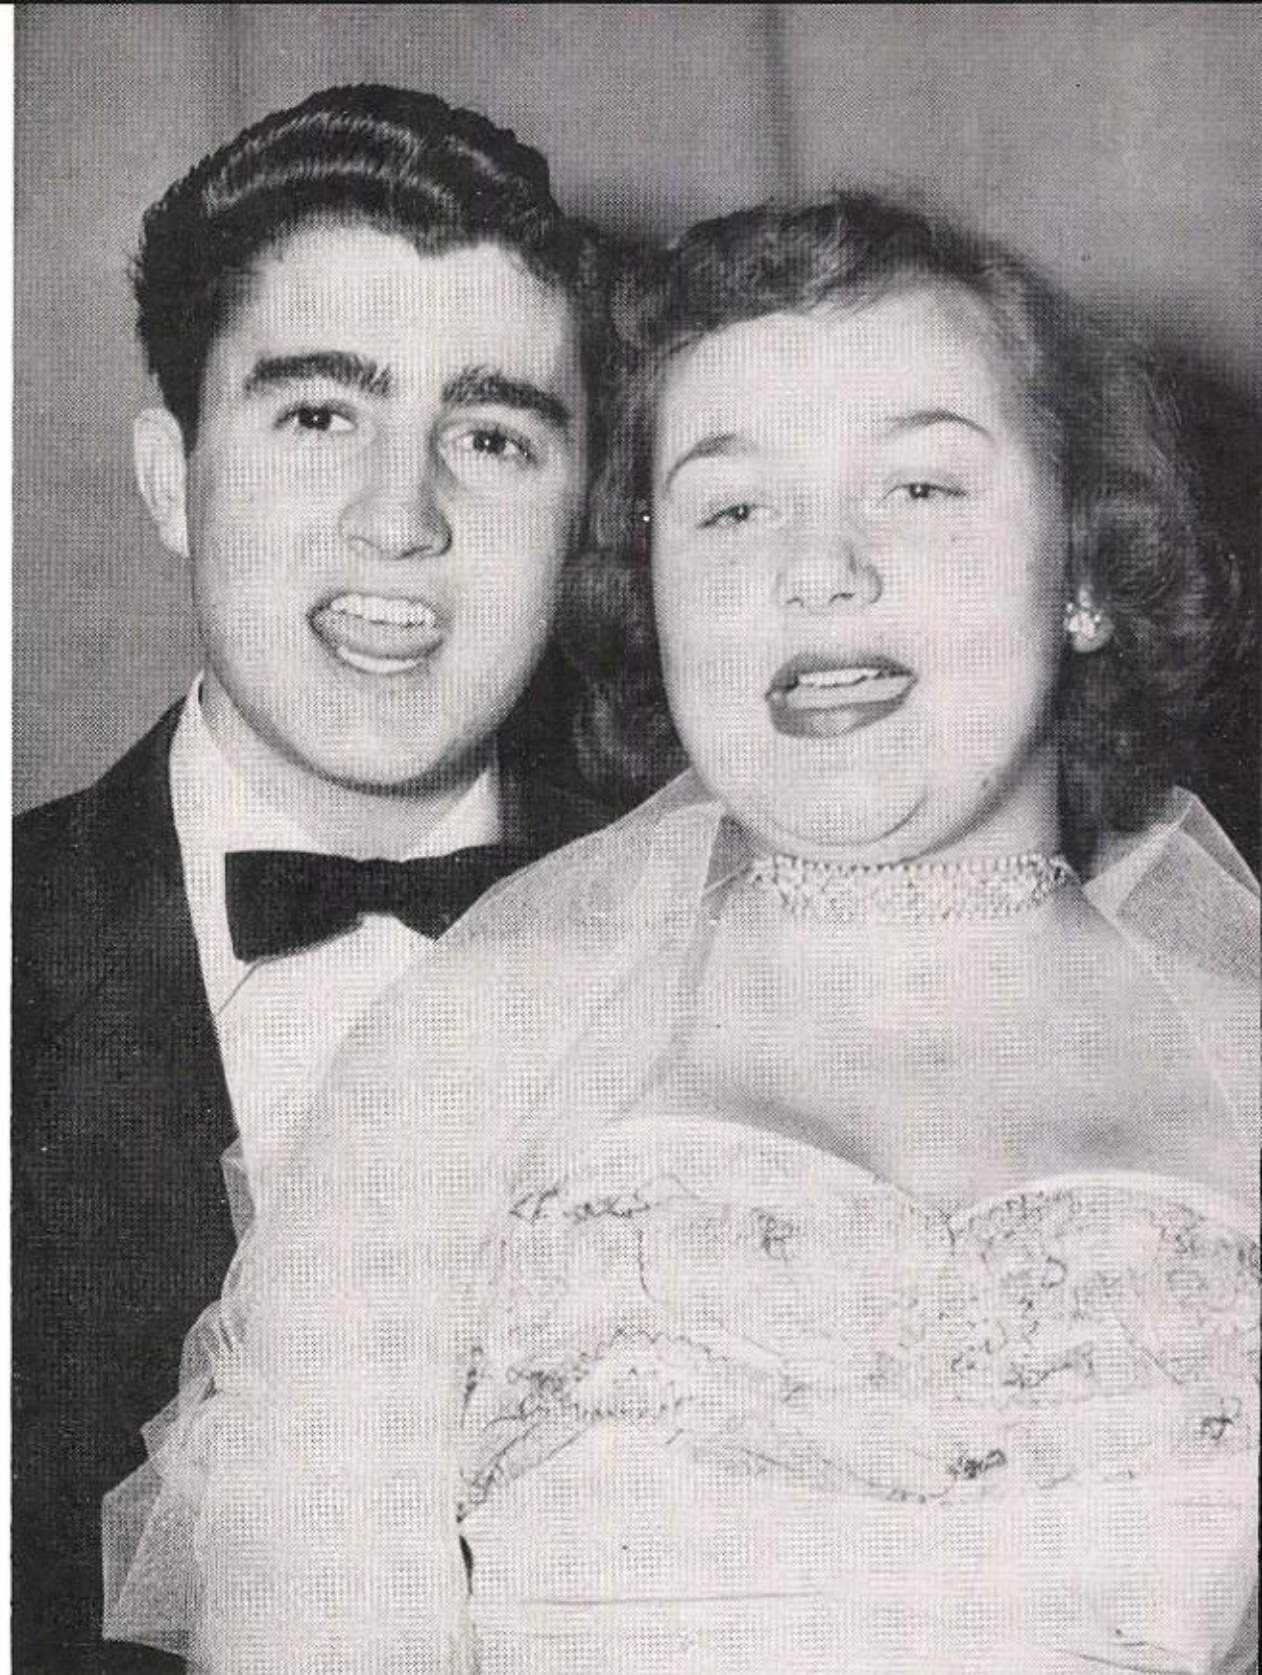

SUSPICIOUS . . . Bill Smith in the role of the Court Jeweler.

MITZI, KITZI, FRITZI . . . are seen on a table during rehearsal.

TOTE THAT TIE . . . Wanda Kelln straighten's Clifton Harrison's wearing apparel.

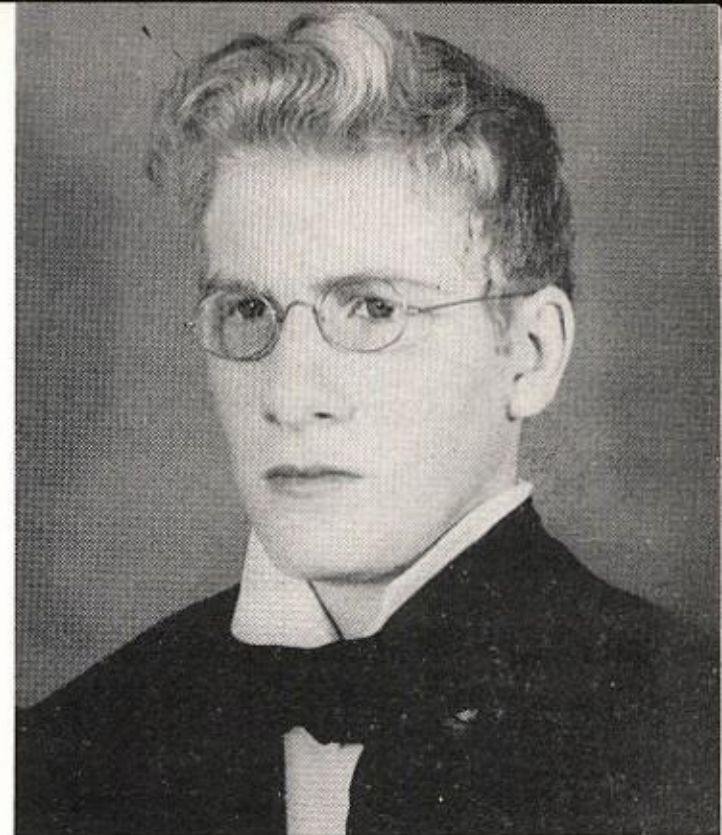

YOUNG LOVE . . . Dean Bedwell is shown with his partner for the operetta's second night performance. She is Carol Cain, who played Mitzi. He played the Baron.

ON ONE KNEE . . . are the grooms of the brides and the lover of another in the second act of "Blossom Time," operetta.

CHORUS MEMBERS . . . are important to the overall effect of the operetta. These two stood at left stage, nearest the footlights on the second night. Remember them?

ANOTHER SCHUBERT . . . is Larry Kelly who played alternately.

FLOWERS . . . Myrna McDaniels is pictured as a flower girl.

WAKE UP, REX . . . Rex Pope, at left, sings through a number with great expression to the extent that he is blinded by the sounds he hears. But, then, that's his privilege.

PAPA, DAUGHTER . . . Sharon Swenson and Jimmy Best, family.

THANK YOU MUCH . . . seems to be written across the faces of the actors after the opening night performance of the operetta. Here, Larry Kelley, left and Sharon Swenson smile.

IT WAS SIMPLY . . . Part of second night well-wisher well-wishing actors.

CONGRATULATIONS

Following each night of "Blossom Time," audience members joined cast members in the gym-dressing room and the air was one of congratulations on a "job well done." Members of each cast congratulated their counter-parts. The final thank you's died down at a party at the YMCA on Saturday night after the final performance. The Friday night waiting for the naming of the All-Star cast, though, will be most remembered.

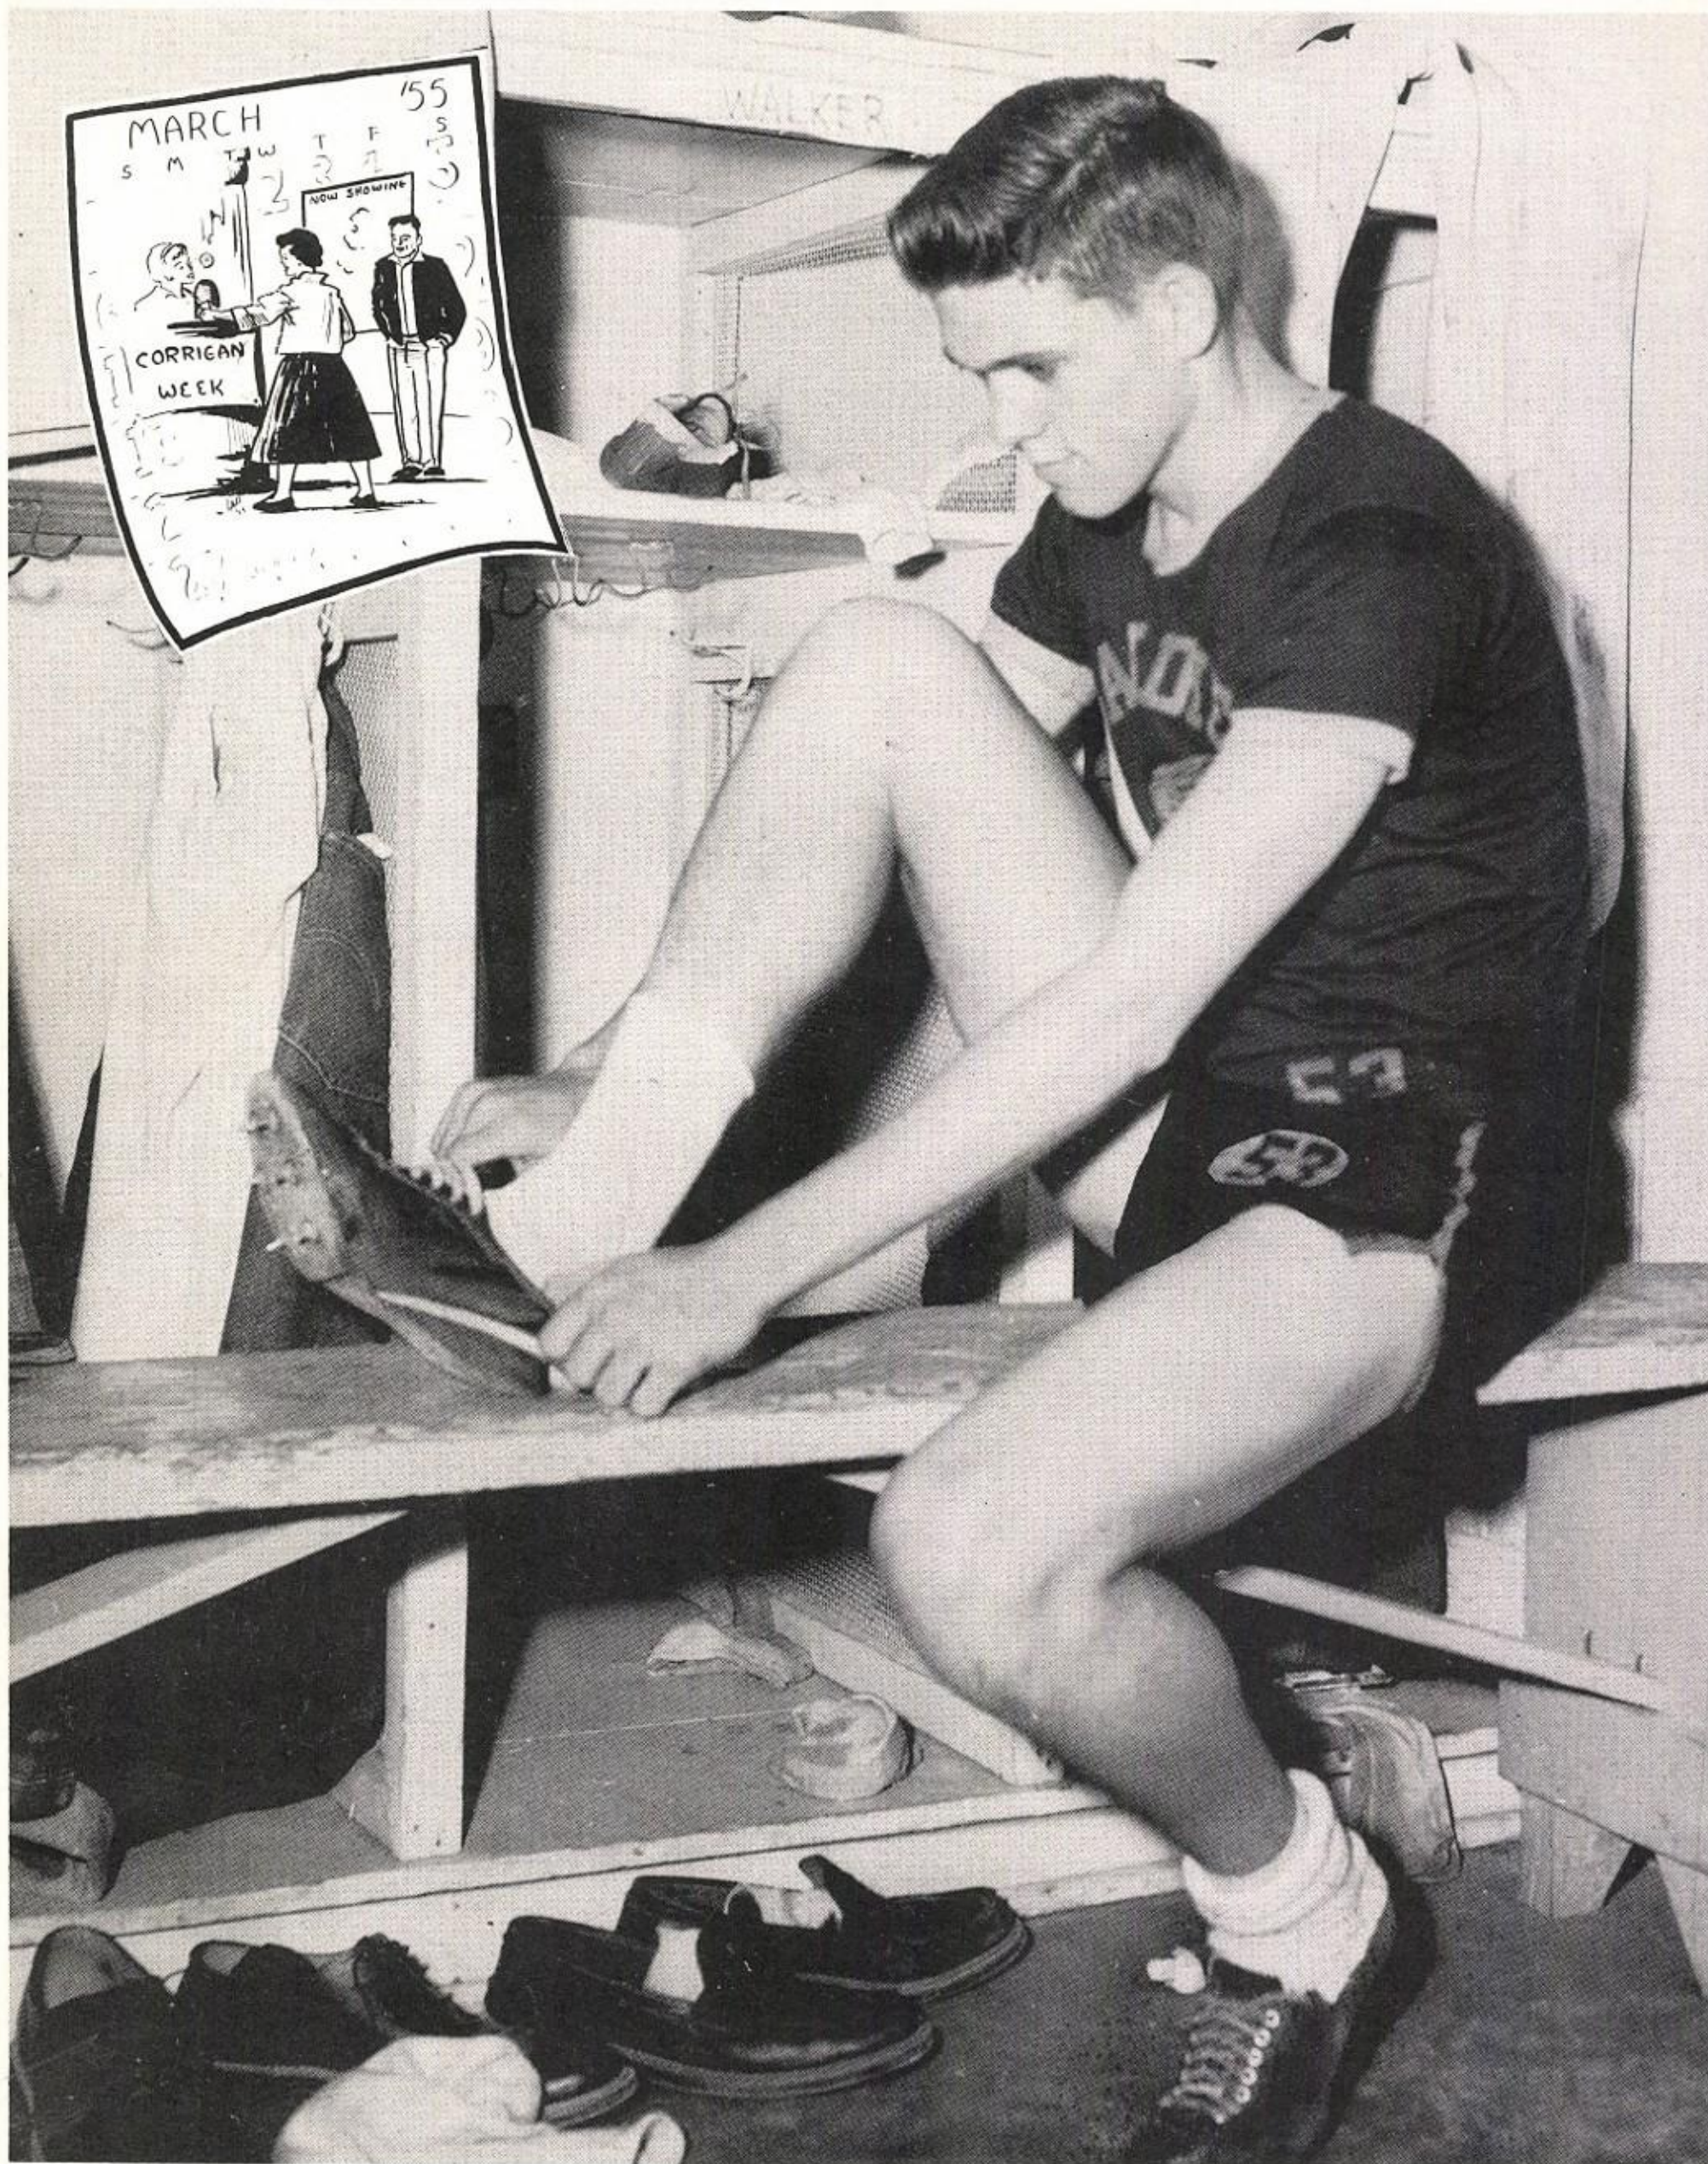

THAT HAIR, DELORES . . . Comments from the praising viewers to Delores Wheeler was about her long hair.

REALLY? . . . Bill Smith seems pleased as one suggests he was excellent.

**GEE,
THANKS!**

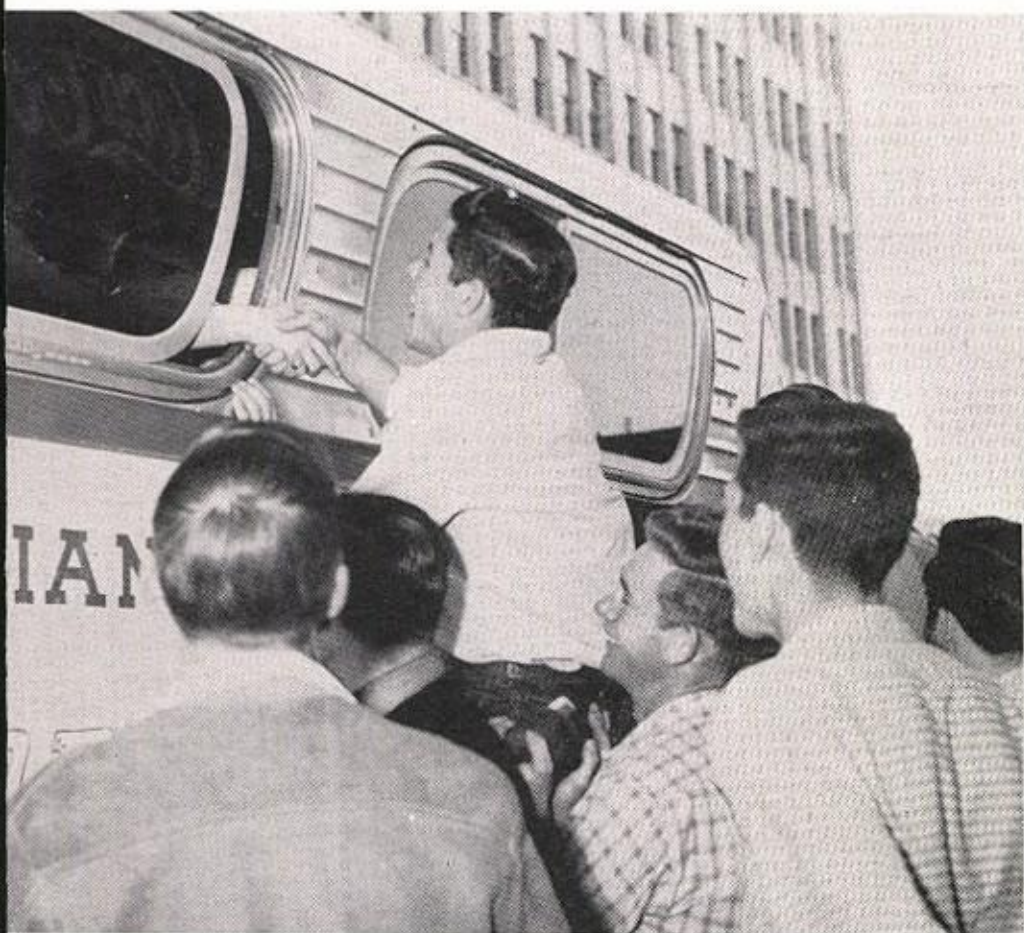

'TIS MARCH AGAIN . . . When the winds begin to blow on the high plains, it's March and time for the students at AHS to begin their concentration on the events of the spring. This includes the regular spring sports and football spring training. The annual goes to press and the journalists along with the rest of the school look forward to that day in May when the book returns bound and for the archives.

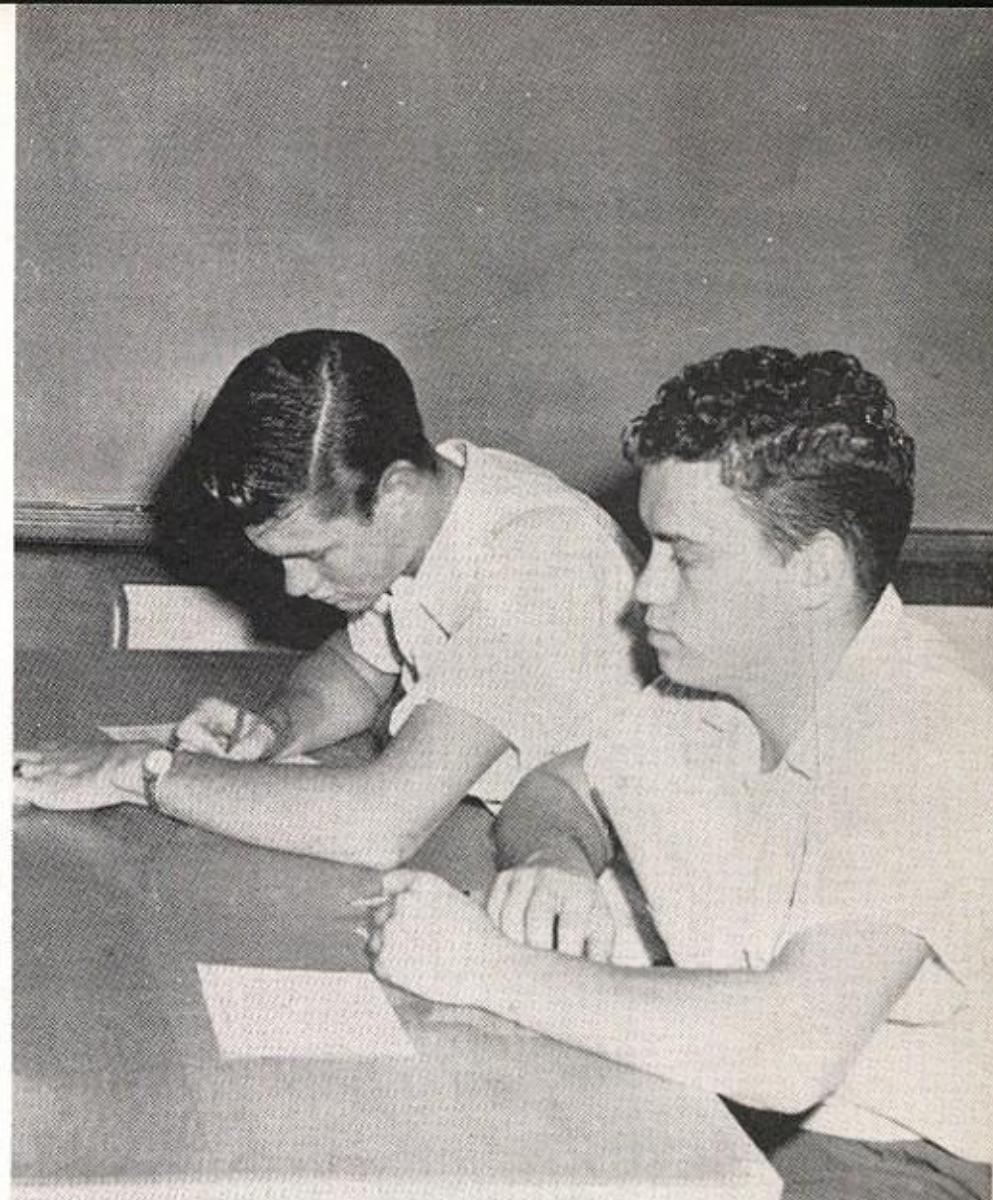

MAN'S JOB . . . Scene in the auto mechanics shop is this student under a car with a grease gun.

VARIED EVENTS

March is the month of Corrigan Week and the beginning of the plans and drills for the coming Interscholastic League contests in the sporting events and the literary events. The month of wind on the high plains and wishing for rain. The month of decision for some, since it's only ten more weeks until finals and over two hundred shopping days until that Christmas that's just ahead.

HOW-DE-DO . . . Jerry McLeRoy is hoisted up on his friends' shoulders as the AHS students met the chartered double decker bus carrying the members of the "Pleasure Time" show who appeared here.

PART OF ROUTINE . . . at AHS is the signing of cards and location schedules.

GLAD TO KNOW YA . . . AHS Choirmaster and one named Fred Waring from the hills of Pennsylvania meet on Polk Street prior to the Waring show's appearance.

ALMOST OVER, NOW . . . Just one more month to go and the seniors go wild, for it's the last of April that the upper classmen take their day to return to their former selves and have Kid Day. This is amid the regional and state meets in the Interscholastic League events. Kid Day has been a tradition as long as most anyone can remember. The day begins with a parade of costumes, followed by an assembly and a half day holiday.

THE KIDS HAVE A DAY

Once each year the halls of AHS are filled with kids. At least, one official day when all the senior class dons their very best in romp and play wear and take to the antics of the younger set. The day has been a tradition for as long as people can remember, and is all in good fun and in good spirit. The day opens with a parade about the building as the kids show each other and the rest of the school what's in store for them some day. This is particularly confusing to the sophomore who doesn't quite understand it all. The seniors attend classes all morning, have an assembly directed by the Speech-Drama folk and then go to the park for good wholesome fun and all.

LET'S PLAY JACKS . . . This group of kids revert to their former selves and play a game of Jacks. Donald Meyers claims he was eighth grade champion and tries to prove it.

PEEK-A-BOO . . . says this group of young kids readying for some of the day's pranks about the halls. The monkey's a friend.

GOOD MORNING . . . This duo mounts the main stairs to show off their costumes to their friends on Kid Day morning. The couple is Windene Nicklaus and Kenneth Holder.

**SLIDE
DON'T
RUN!**

UGH! . . . Judy Burnett pulls and pulls a larger than usual candy stick from the machine in the hall.

FUN IS FUN, EH?

Scenes on this page are, of course, posed prior to the actual Kid Day affair, but they tend to show how even seniors can have a good day of it if it is done in the proper manner. These pages were actually taken on a cold February Sunday afternoon as the yearbook staff was taking their final pages for the annual you now read. The seniors were taken at random from friends of one of the editors. Moral: know an editor.

SO THERE . . . Miskey Webb demonstrates how to not make friends, but still have fun on Kid Day.

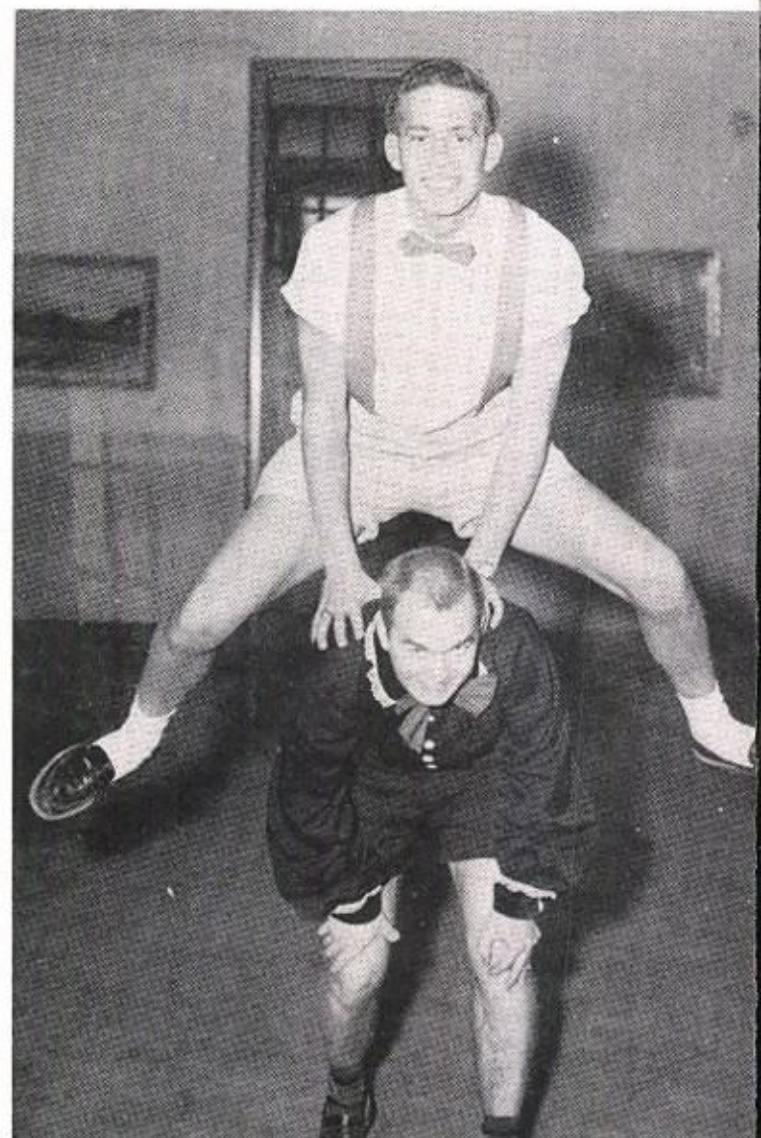

ADD WATER, IT'S SIMPLE . . . Kenny Atkins and Dorothy Cathey add water to mud.

IT'S REALLY WATER . . . Shucks and we thought it might be Koolaid today.

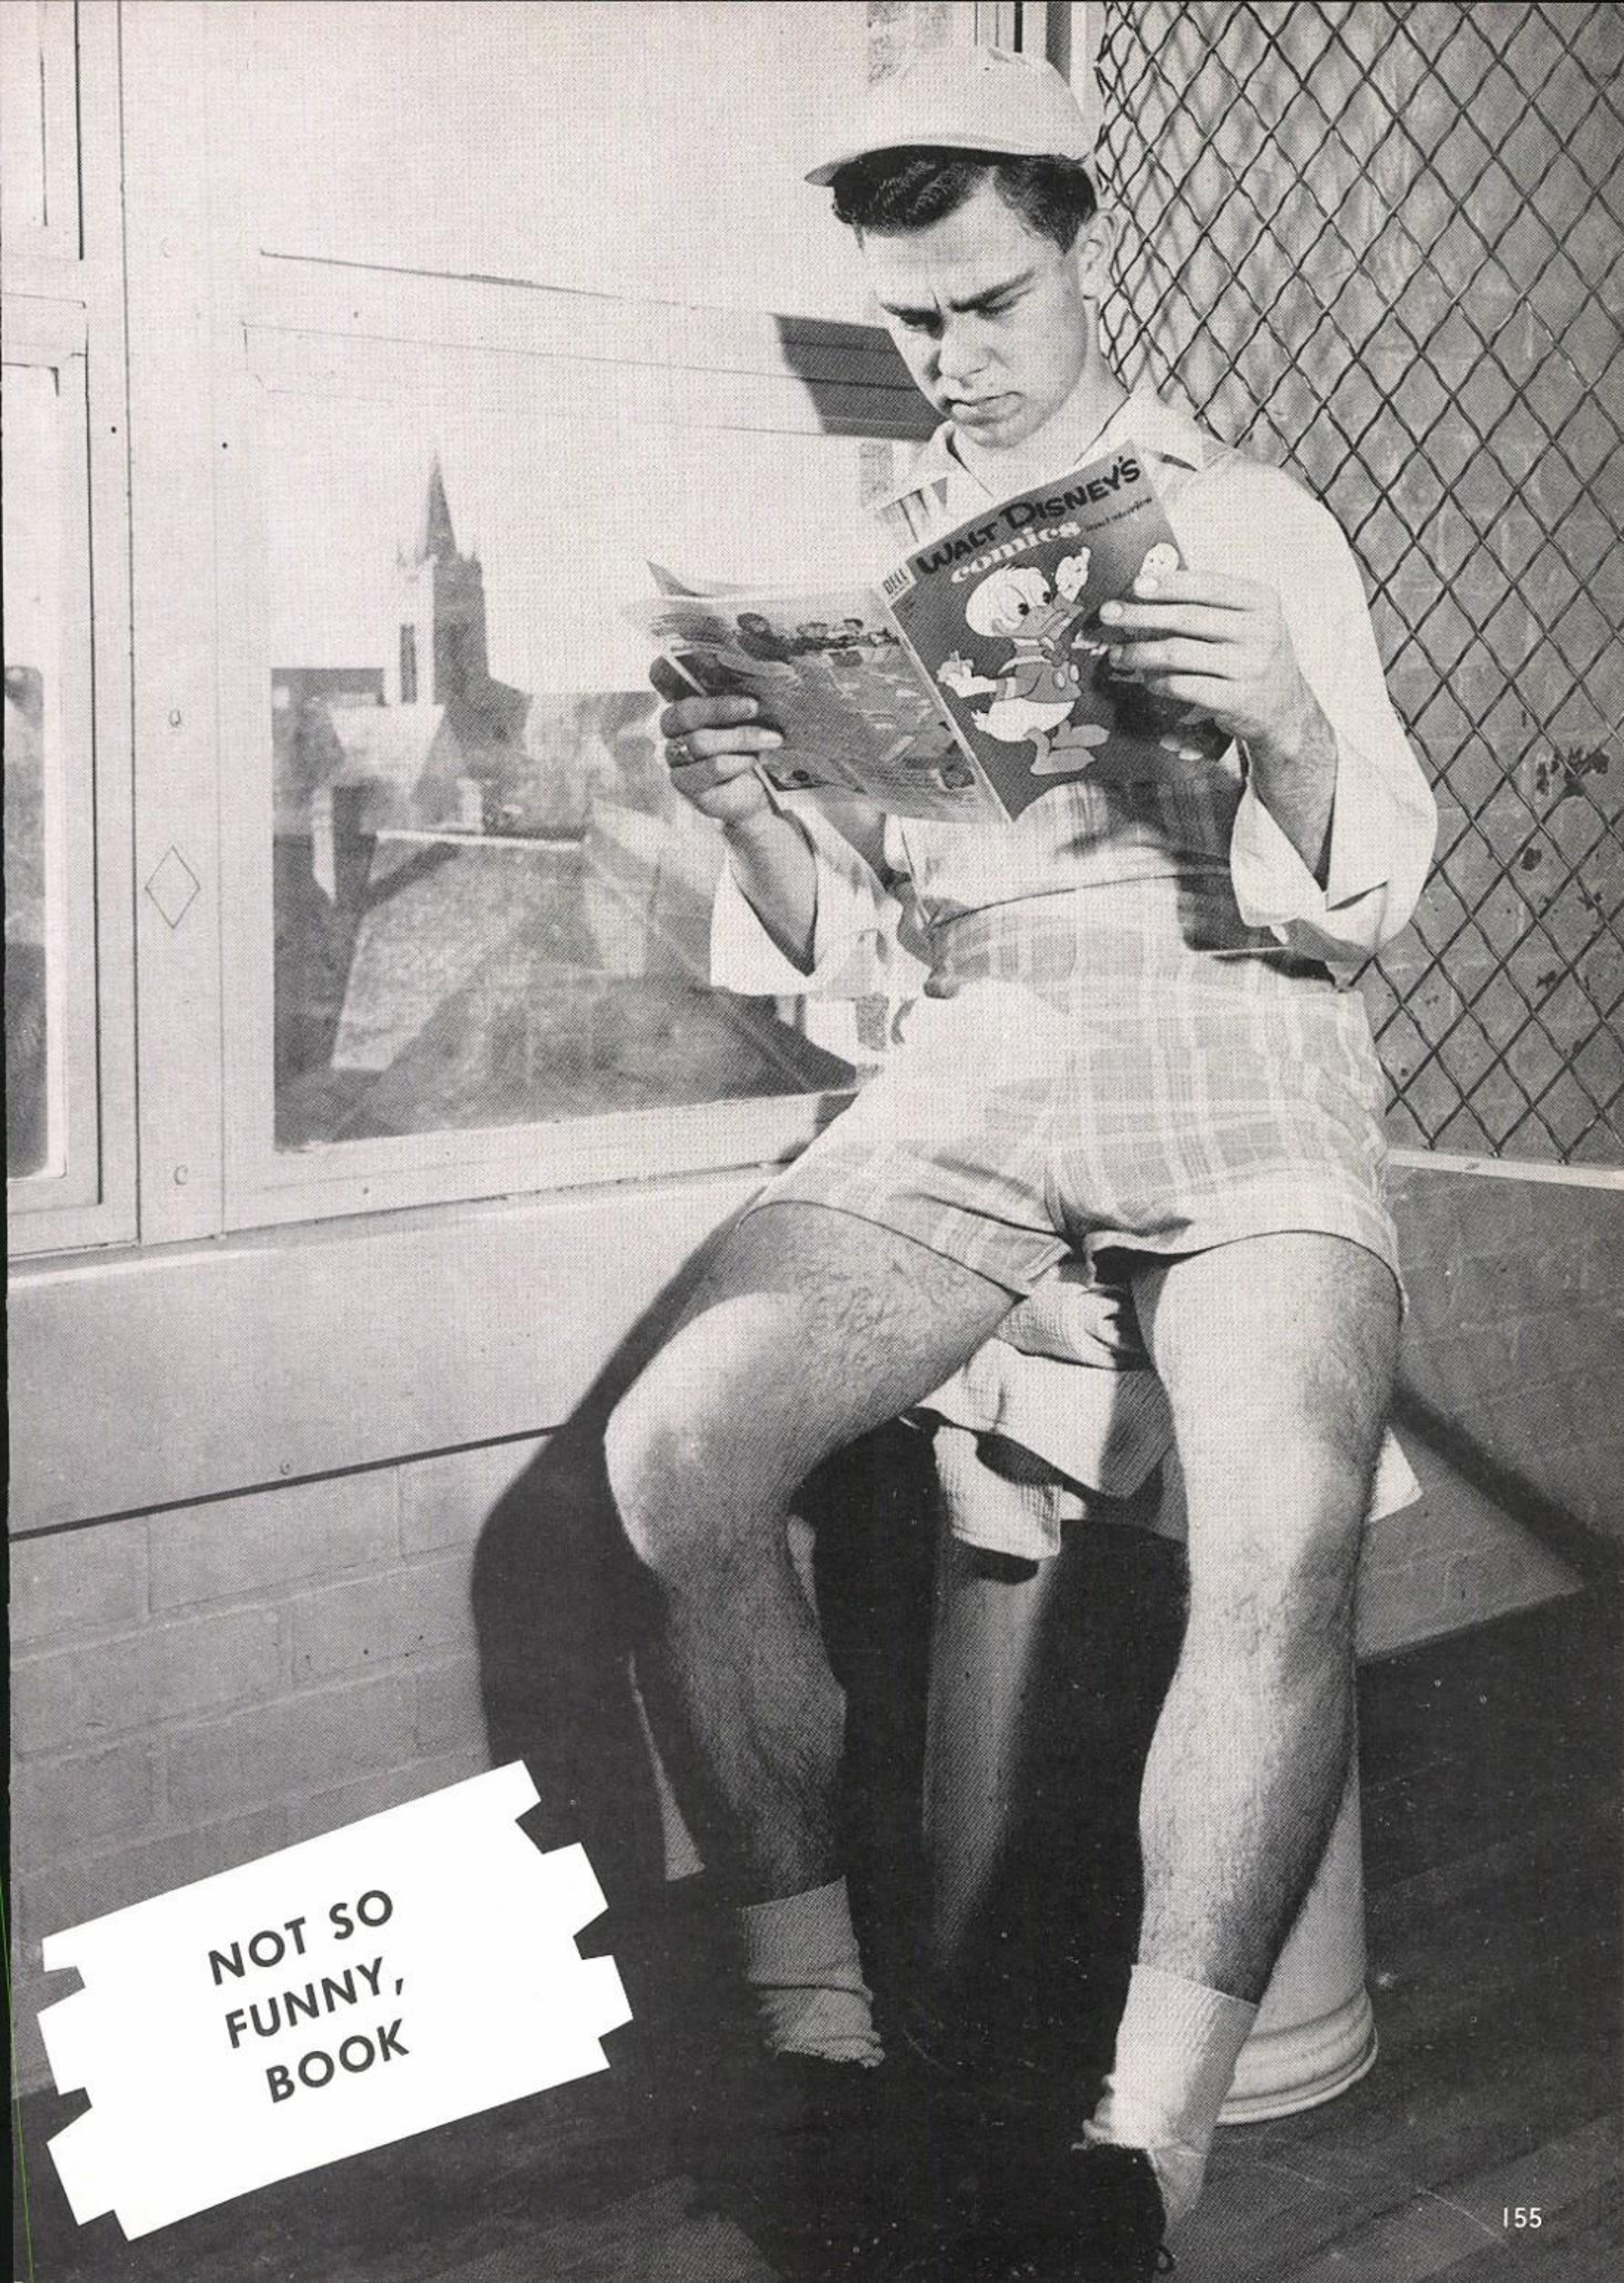

OH, THERE YOU ARE . . . Donald Meyers finds that his pet monkey has escaped him for higher ground up in Miss Willie's gym. This beast, the monkey, was seen lately on Don's shoulder.

OVER ONCE . . . This twosome enjoys the age-old play form of leapfrog, only which one is the frog?

HEY, THERE . . . Kenny Atkins drags his prize of the day across the floor in a laundry bag. Dirty?

NOT SO
FUNNY,
BOOK

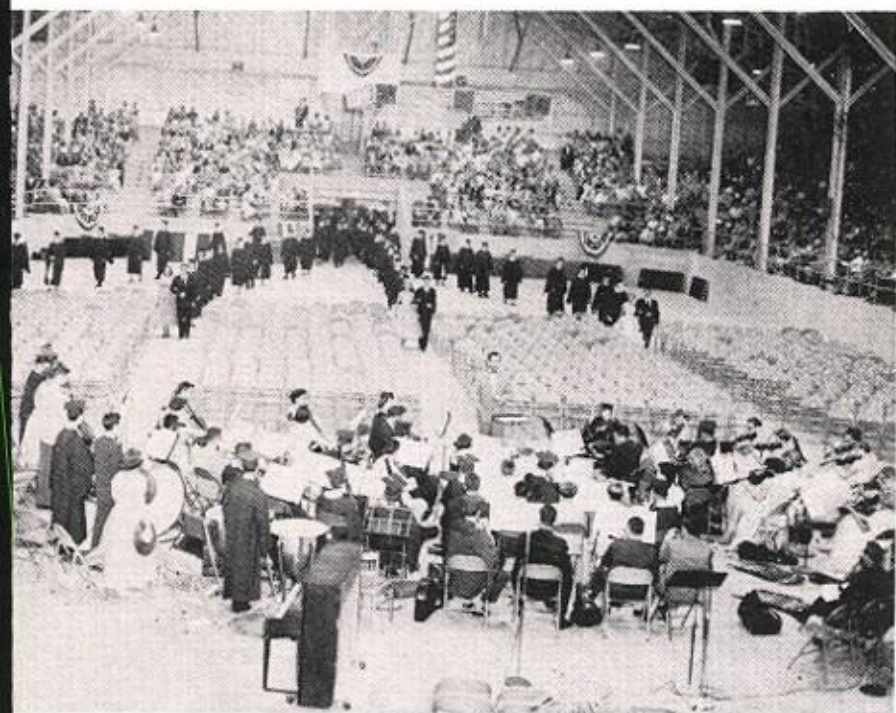

THE END OF THE LINE . . . May is the finale of this year's salute and the most active of them all. All the organizations vie for a place on the calendar for their banquets and their honoring of their best members. The commencement exercises are the highlight of twelve years of constant study for a class of seniors. The juniors and the sophomores look upon them with fond farewells and an eye of envy, but their turn will come.

OVERALL VIEW . . . of the commencement exercises from the platform of the event show the seniors standing with the patrons and friends of A.H.S. joining them in the invocation.

END OF A ROAD

With the end of the school year, the students bid farewell to another class with anxious anticipation of those to come next year. Only this year it will be different from any other year. The seniors this year mark the very last to be graduated from Amarillo High while it is one school in the city for secondary education. Next year, Palo Duro High School will open, dividing the student body of the town. AHS will remain the largest, but not the only.

ONE, TWO, THREE . . . The AHS orchestra plays the traditional entrance music for the graduating class as it enters the hall.

SENIOR CHORES . . . Senior sponsor Mrs. Sybal Brierley measures one senior for her cap and gown, part of the routine of graduation.

THE YEAR 1954-55 IN REVIEW . . .

THE YEAR DAWNED WITH NEW LIGHTS . . . setting the pace. Old lights installed in 1926 were replaced with these new modern ones in most of the older rooms in the building this year.

OPENING DAY . . . refreshments are served faculty members by the Student Council.

SIGNING UP . . . for something or other was a year-around procedure for most.

SIGHT FAMILIAR . . . to all good Sandies is the handshake of the captain prior to a game of ball.

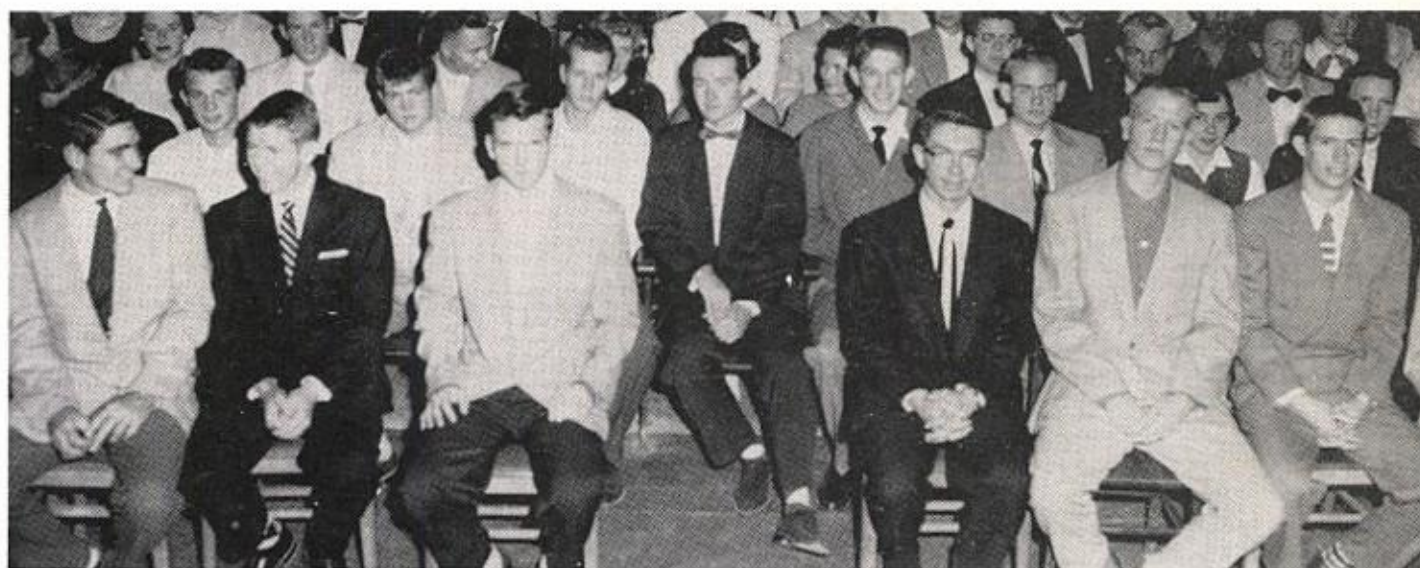

ANOTHER SPEAKER . . . for the pep rallies which were all part of this school year to all of us.

INSTALLERS . . . These Student Council members may well be remembered as the officers who installed the officers of the school in a meeting just before the coronation in November. This was a first for Amarillo High School this year.

RETURNEES . . . This group of businessmen was once part of a great Sandie team that took the first state championship pennant for an Amarillo High School football team.

THOSE INSTALLED . . . This motley crew of presidents and veeps were installed by members of the Student Council in one of the most impressive pageants of the entire school year.

AFTER THE GAME . . . crowd is pictured here as the patrons and friends of the Sandie football squad leave a game at Amarillo Stadium. This must have been a low night in the scoring.

THESE ARE SENIORS . . . elected by their own classmates as the most popular in their academic class. They smile real good, eh?

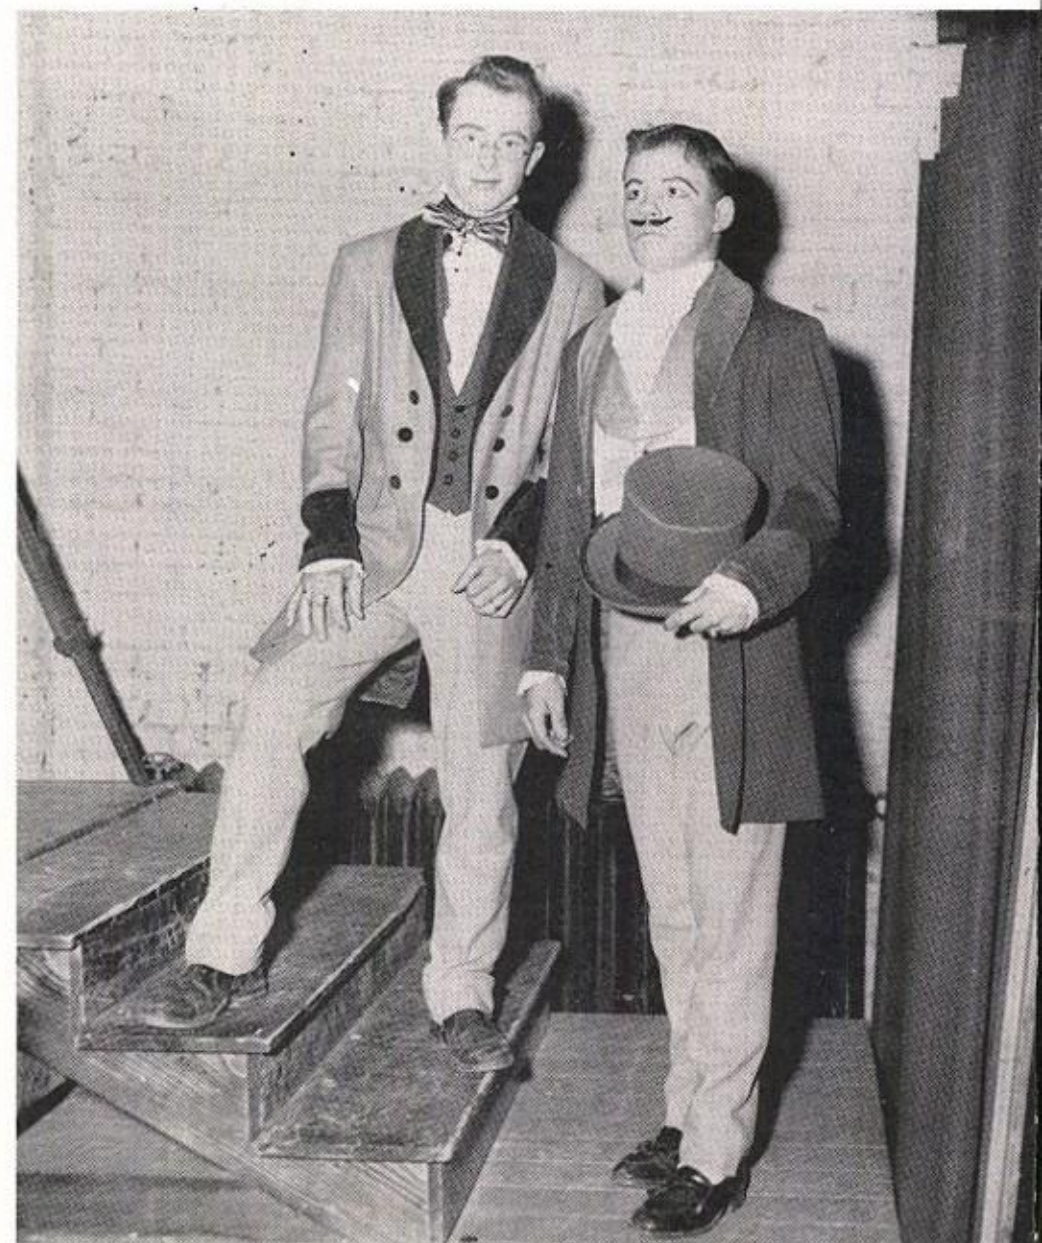

SCENE OF PAGEANTRY . . . presented by the speech-drama class as one of their productions.

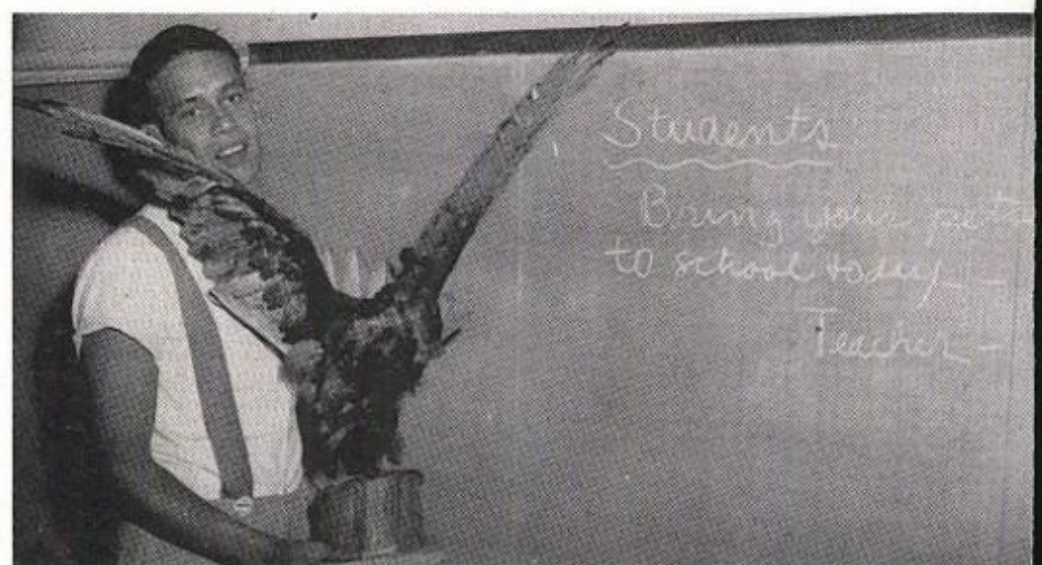

YOUTHFUL COURT . . . Members of the Amarillo Youth Court are pictured above while in session under the sponsorship of AHS.

PEP DISPLAYED . . . These Sandie supporters might have been out during any of the rallies held.

OPERETTA STARS . . . Johnny Gilbert, left, and Rex Pope are pictured off stage during show.

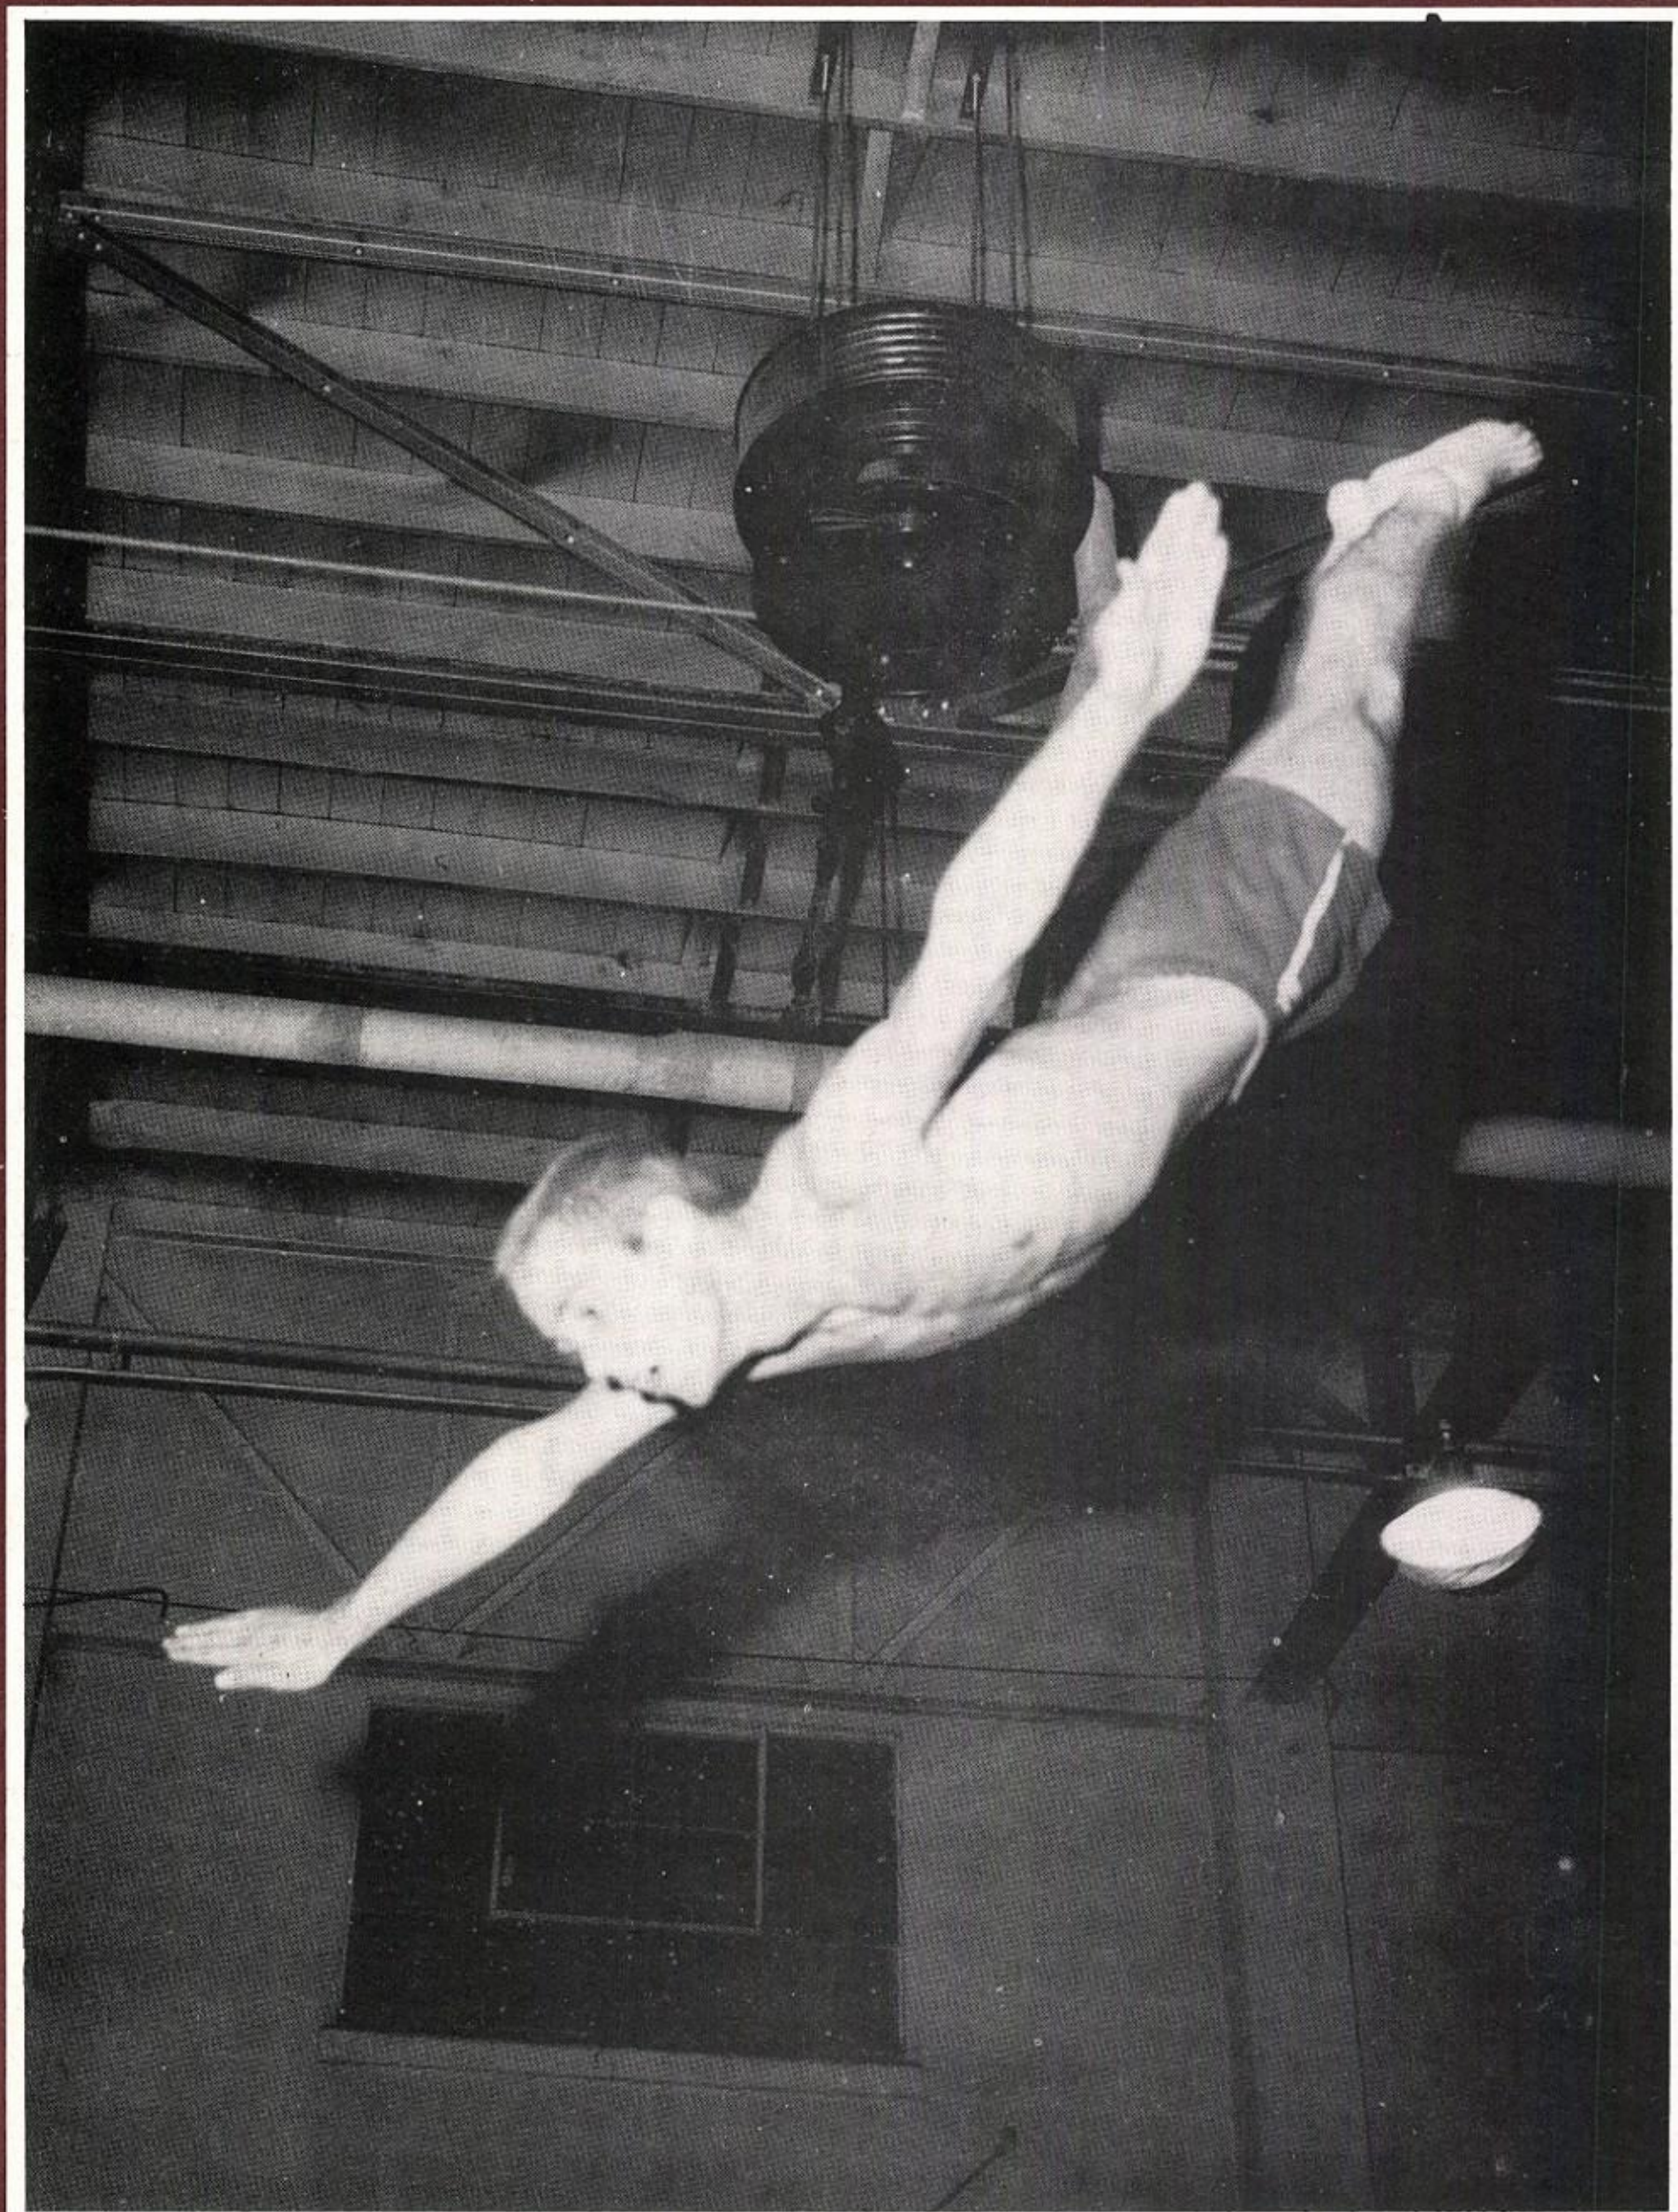

KIDS AGAIN . . . Just one last fling before they go into the big cruel world alone. Here is Donald Meyers getting the bird, or something.

SPORTS

Teen-age sports life is not restricted to any particular community location, although the Maverick Club is representative of the civic effort to provide a place for boys to have a healthful recreation. Bobby Elliott, trampoline champion for this area, demonstrates one of the many activities available at the Maverick Club. The Club is a nonprofit organization and receives funds from the Community Chest drive. This new building was completed two years ago and is located on South Lincoln Street.

SEASON SUMMARY

The 1954 edition of the Golden Sandstorm football team compiled a 5½-4½ won-loss record for the season under the able tutelage of Coaches Bill Defee, Frank Guess, and Sam Pecchia. They defeated the Pampa Harvesters and the Lubbock Westerners for the first time in five years. Worth 25-6, Plainview 33-21 and Borger 20-7. Lone tie was to San Angelo 21-21. Losses came to Capitol Hill in the Opener 6-0, Midland 25-14, Odessa 34-13 and Abilene 47-0.

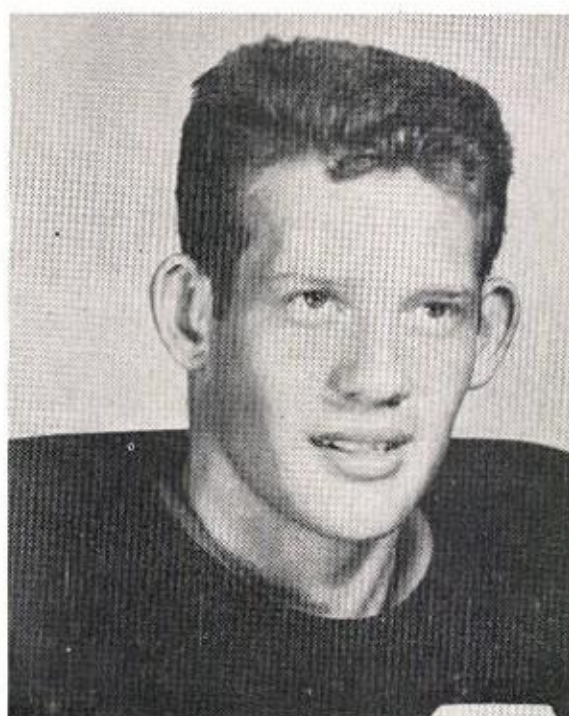

Coach Bill Defee praised the boys in coming

back after losing three straight games, last of which was the 47-0 loss to State Champion Abilene. The last three games included 2 wins and a tie.

Several of the boys were placed on the all-district teams. End Jimmy Duncan, Linebacker Bob Way and Defensive Halfback David Bechtol were named to the first team. End Tommy Pace and Center Carroll Stafford were named to the second team. Several others were named. Main sparks on the team were Quarterback Bobby Powell, Most Valuable Player and Fullback Kenny Stephenson, Tackle Bryan Collins, Guard and Captain Sandy Lynch and hard-running Junior Halfback Arnie Duncan.

Capitol Hill recovered a fumble early in the second half deep in Sandie territory and scored in 8 downs.

Standouts in the game for the Sandies were Bobby Powell, Arnie Duncan, D. A. Malson, Tommy Pace and Bob Crump.

Scoring on a lightning-quick play on the first down from scrimmage, the Sandies rolled on to a 25-6 victory over the green Paschal Panthers. A beautifully executed play on which Fullback Kenny Stephenson lateraled to Arnie Duncan which covered 56 yards set to a group of four Sandie touchdowns while a fine defense held the Panthers to 1.

Duncan had his best night as he scored three touchdowns and ran up more than 100 yards rushing. He scored on runs of 56, 8, and 2 yards. Tommy Pace scored the other on a pass from Bobby Powell.

PLAINVIEW DOWNED, 32-21

Returning for their second home game of the season the Sandies dropped the Plainview Bulldogs, 32-21. Playing without Arnie Duncan or Tommy Pace, the Sandies rolled right on. Bob Crump with two, Bobby Powell, Ken Stephenson and Jimmy Duncan with one scored the Sandie touchdowns.

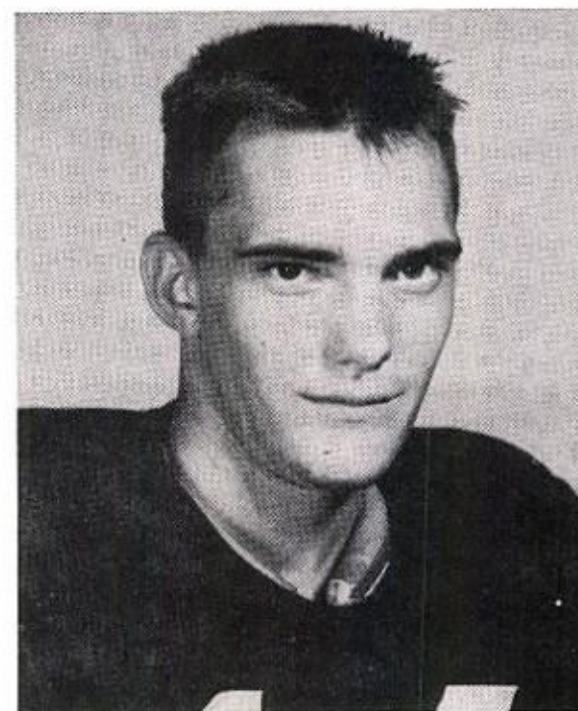

The Sandies built up a fine 26-7 lead at halftime before the highly-touted Plainview aerial attack got to clicking. The final score was 32-21.

Playing good for the Sandies were Jimmy Duncan, Powell, Stephenson, Crump, Royal Yarbrough, Bob Way and David Bechtol.

SANDIES BEST PAMPA HARVESTERS, WIN FRACAS, 33-28

One of the most thrilling games ever played in Amarillo Stadium was won by the Sandies as they downed their arch rival, Pampa, 33-28 in a see-saw affair that wasn't over till the final whistle blew. Long runs by both teams highlighted the evening. A good reason for the victory was the bottling up of Harold Lewis. Lewis was able to get away only once the entire evening.

The Sandies scored first on a 5 yard run by Arnie Duncan.

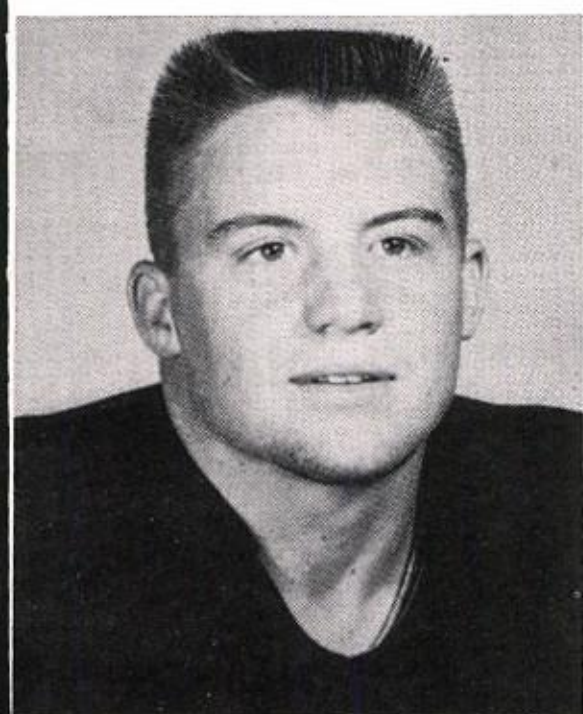

Pampa came right back to score on a short plunge, but the Sandies went on to lead at half-time 21-7 by scoring on a 6 yard plunge by Kenny Bob Stephenson and a 1 yard plunge by Duncan.

A long pass play and Lewis' 63 yard run put Pampa back in the game to tie the score at 21-21. Halfback Bob Crump, however, put the Sandies into victory by scoring on a 64 yard pass play and a 19 yard run.

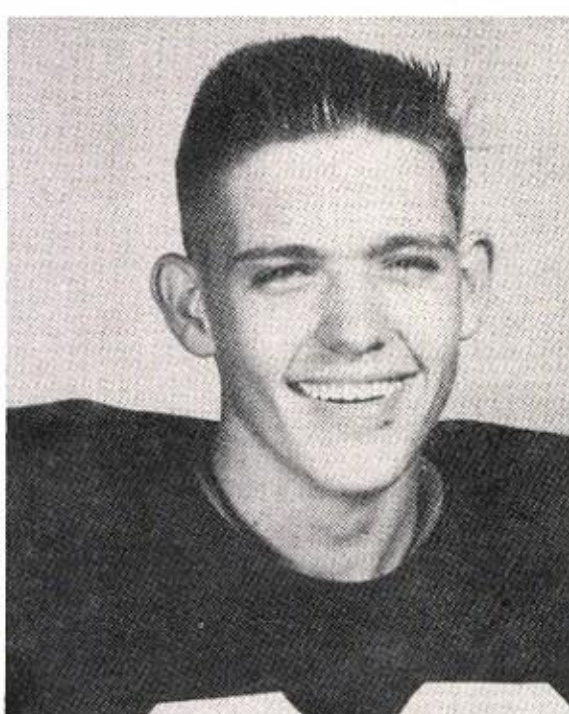

The crowds went wild while they witnessed one of the best games of the Sandies.

MIDLAND 'DOGS BITE, 25-14

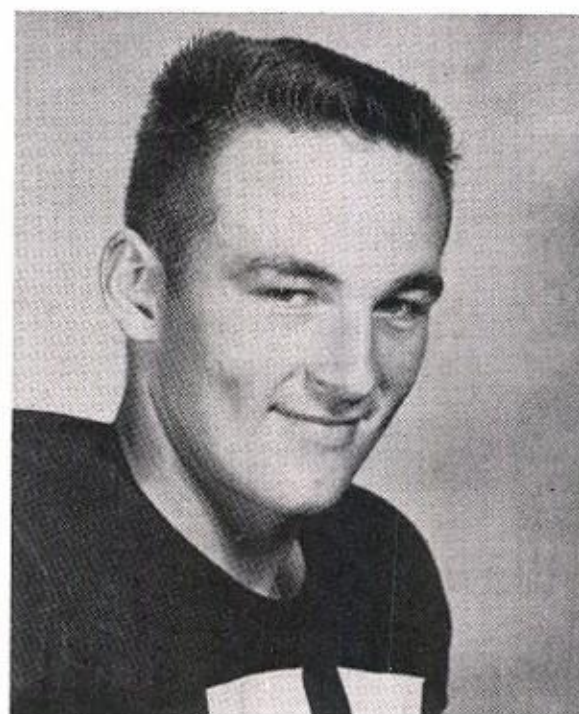

The Sandies journeyed down to the southern part of district 1-A AAA and met the then-untested Midland Bulldogs. The AHS players were defeated 25-14 with the help of an Indian All-State fullback, Wahoo McDaniel. McDaniel ran wild for over 200 yards and scored three touchdowns for the Dogs. Sandie scores were made by end Jim Duncan and halfback Arnie Duncan. Both Sandie scores were made in the last half. Two other Sandie scoring drives were stopped short of the goal line by a surprisingly tough Midland defense.

Playing exceptional for the Sandies were Bobby Powell, Stephenson, Duncan, David Bechtol, Bob Way and Carroll Stafford.

ODESSA BRONCHOS TROMP AHS, 34-13

The Sandies met and played even for a half, the tough Odessa Bronchos at Odessa and fell before the horses 34-13. For a half the Sandies were in the thick of the battle but three quick mistakes cost them three touchdowns at the start of the second half, and the Black and Gold fell behind 28-6.

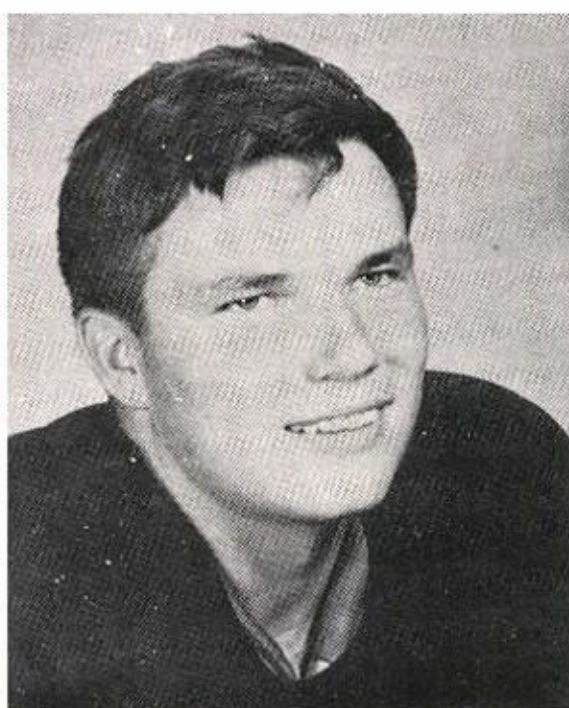

Odessa scored after a Sandie fumble and con-

verted, but Amarillo scored immediately with Arnie Duncan going 5 yards.

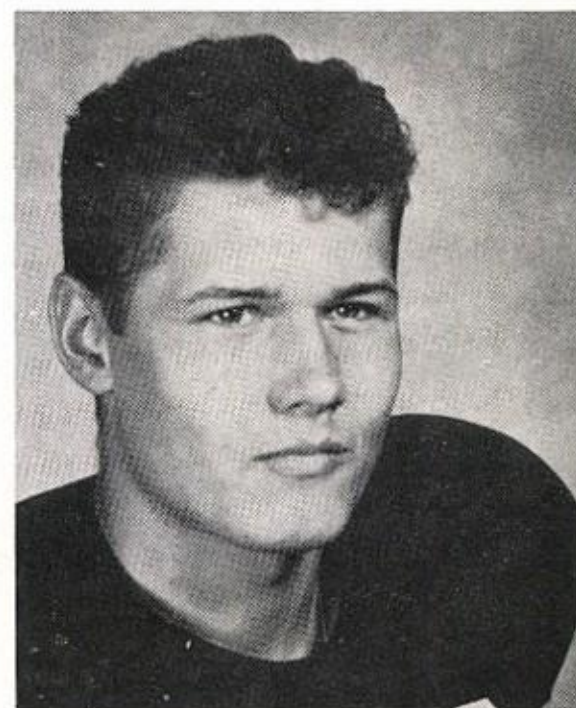

The Sandies' only other touchdown was scored early in the fourth quarter although Odessa made up for it by scoring another of their own with reserves in the game.

ABILENE TRIMS GOLDIES, 47-0

A well-polished ball club in the state Abilene Eagles entered Sandie Stadium one crisp November afternoon and did not leave until they had handed the Sandies a 47-0 defeat, the worst ever suffered in Amarillo Stadium. Playing near-perfect football, the Eagles' whole squad scored at will against the Sandies while the Sandies could not muster but one scoring threat, and it was stopped by an intercepted pass. A well-oiled attack, featuring a good passer and two fine halfbacks, ran smoothly the whole day long.

SANDIES HOLD SAN ANGELO TO 21-21 TIE

A come-back from three straight defeats was successful as the Sandies tied the San Angelo Bobcats 21-21 in the Sandie Stadium. After the loss of starting halfbacks Bob Crump and Arnie Duncan, the Sandies were not supposed to have much of a chance against the powerful Bobcats.

The Sandies scored first and held a 7-0 lead at halftime. Half-back Blantie Wilson ran 14

yards for the first score. San Angelo scored on a pass play at the start of the second half.

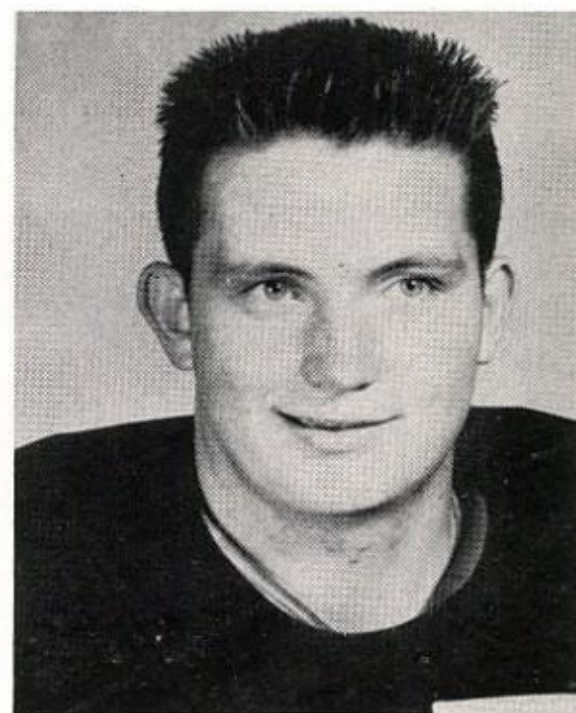

Bobbie Powell ran around end for 14 yards for another Sandie tally and a weird pass play off punt formation set up another Powell score to put the Sandies ahead 21-7, but San Angelo came back to score twice and convert twice to tie up the only draw game.

BORGER FALLS TO SANDIES, 20-7

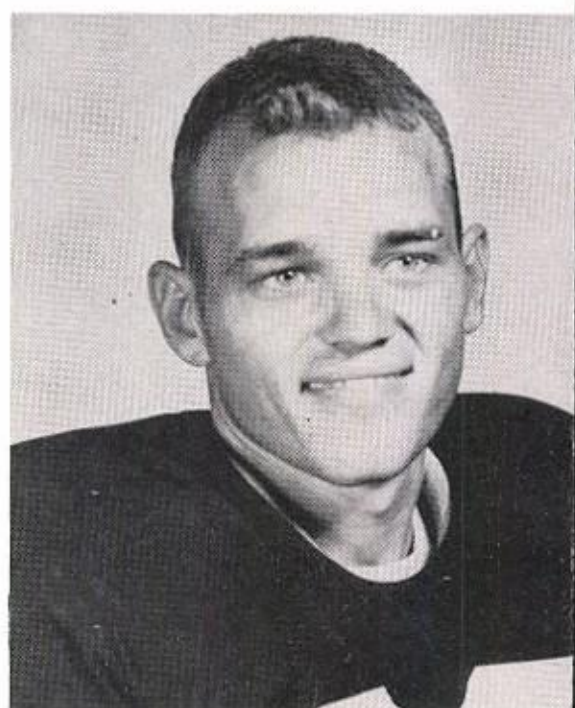

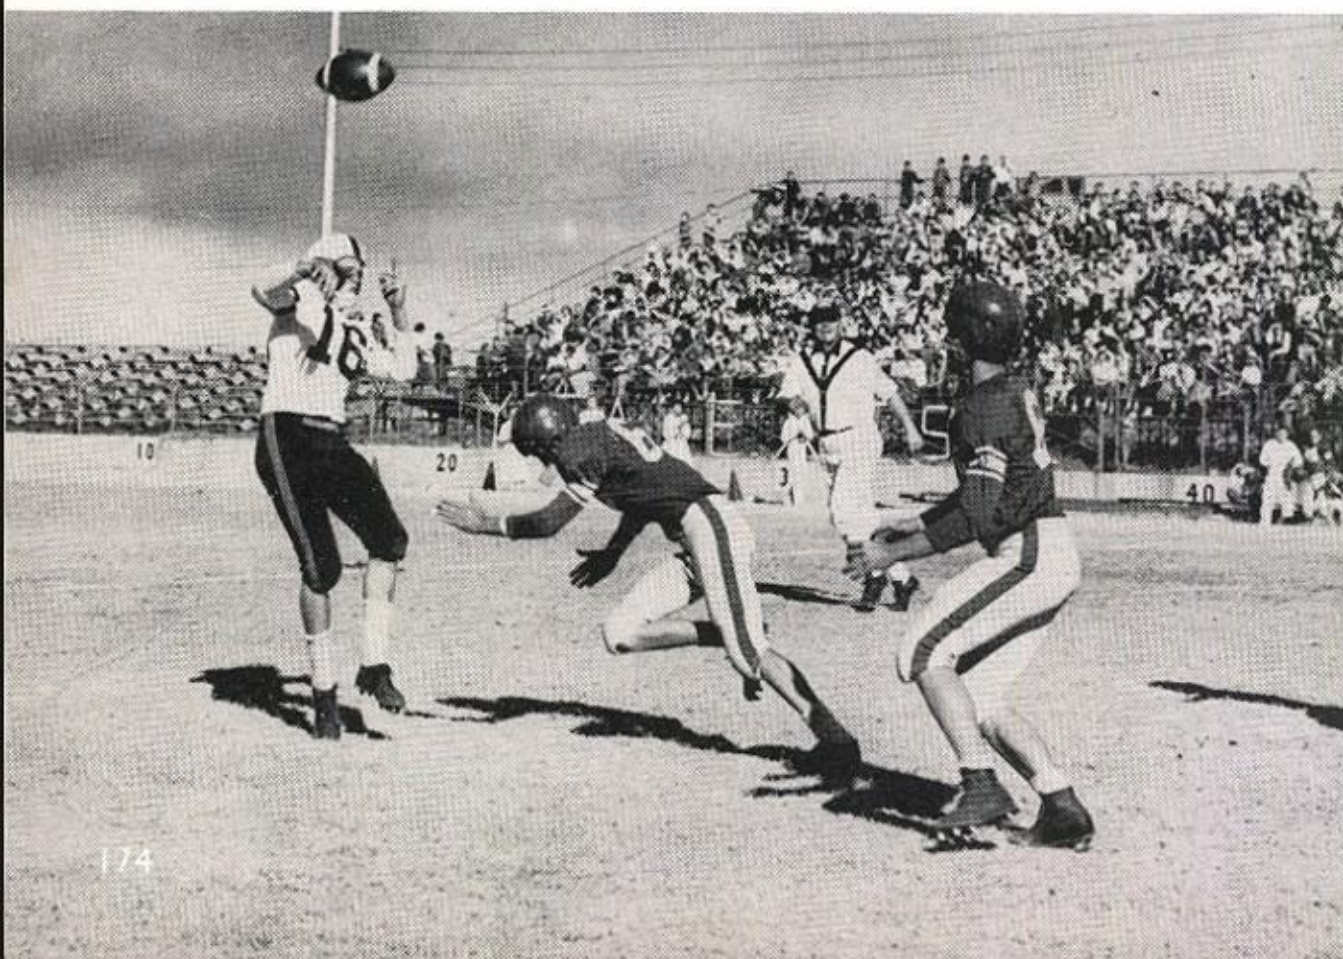

The fighting Borger Bulldogs gave the Sandies a go-to-it battle before falling to the charges of Coach Bill Defee 20-7 in Borger. Using plenty of backs, the Sandies also had two touchdowns called back because of penalties and many other times drove into Borger territory. Three regular fullbacks scored touchdowns for the Sandies as Gene Cox, Kenneth Stephenson and Jimmy Allison scored once from short distances. Many penalties highlighted the afternoon and the score would easily have been different had there not been as many penalties.

Bobby Powell also returned a punt for a touchdown and ran another, but they were nullified because of penalties.

AT LAST! AMARILLO OVER LUBBOCK, 14-7

The Turkey-Day Classic played at Lubbock was one of the better games of the Sandies for the past few years. The Sandies came from behind and late in the game protected their 14-7 lead in the shadow of their own goal line to win from the Westerners who had defeated the Sandies five straight years.

After Lubbock had scored their lone touchdown the Sandies drove 60 yards to score. Stephenson

scored from the 3 yard line.

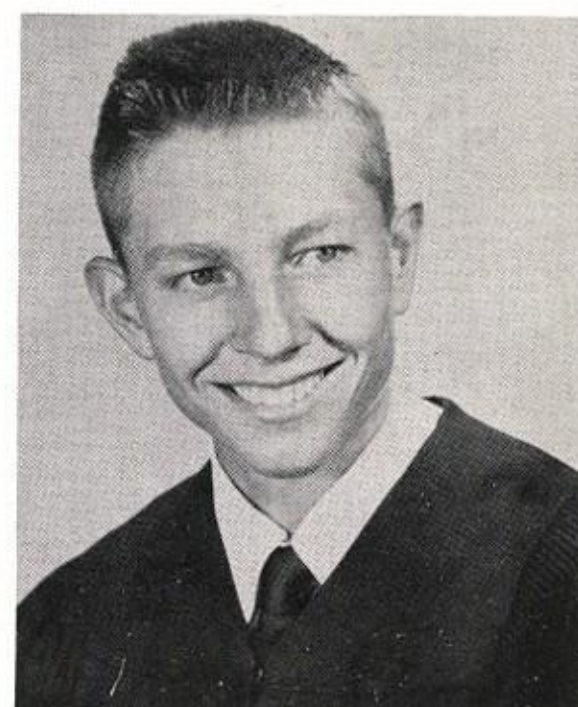

Early in the second half the Sandies scored again as Bobby Powell sneaked 1 yard. Late in the game the Sandies held the Westerners on their own 12 yard line, and then Kenny Bob Stephenson quick-kicked 70 yards to the Lubbock 12 yard line. The game ended before the Westerners could get back up the field.

SEASON SUMMARY

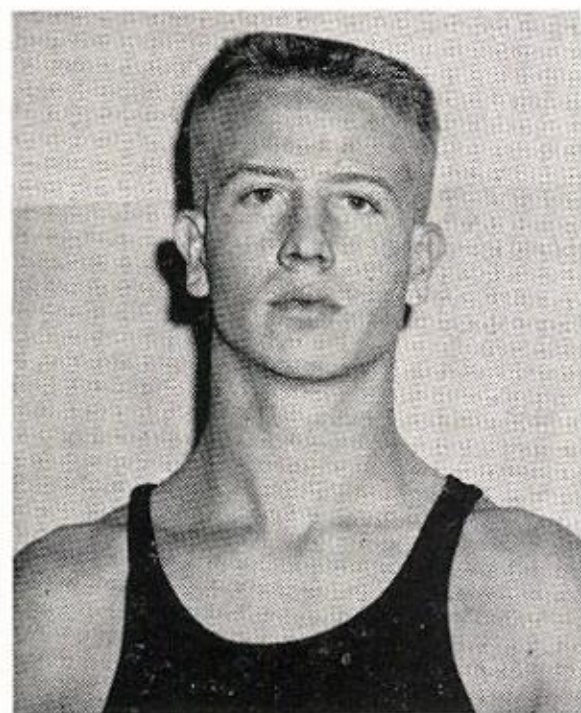

The AHS Basketball team had another fine season finishing with a 19-4 won-loss record, and a co-championship of the Northern Division of 1-AAAA with the Pampa Harvesters. Highlight of the season was the 66-62 victory over the Harvesters. Pampa, however, defeated the Sandies the next night in a playoff for the upper bracket representative to meet San Angelo for the 1-AAAA championship. Bub Farrell, senior 6' 5" center, set a new Sandie scoring record by dumping 498 points in 23 games. He was the unanimous choice for the All-Northern team. Playing regularly for the Sandies were: Farrell, Herby Dodson, Jerry Smallwood, James Dobbins and Bobby Boyter. Reserves were: Joe Hughes, Gene Arrington, Cordell Brown, Bobby Verplank, Joe Bob LeWallen, Ray Floyd and Bobby Powell. For the first time, the Sandies played their home games in Fair Park Coliseum which was furnished with a portable floor. Bub Farrell established a scoring record on the new floor with 35 points against Borger. The "B" team holds the team mark of 90 points scored against the Lubbock "B" team. The "B" team had an outstanding season as they won 15 and lost only to the "A" squad in the finals of the Hereford tournament 60-45.

BASEBALL TEAM EYES STATE

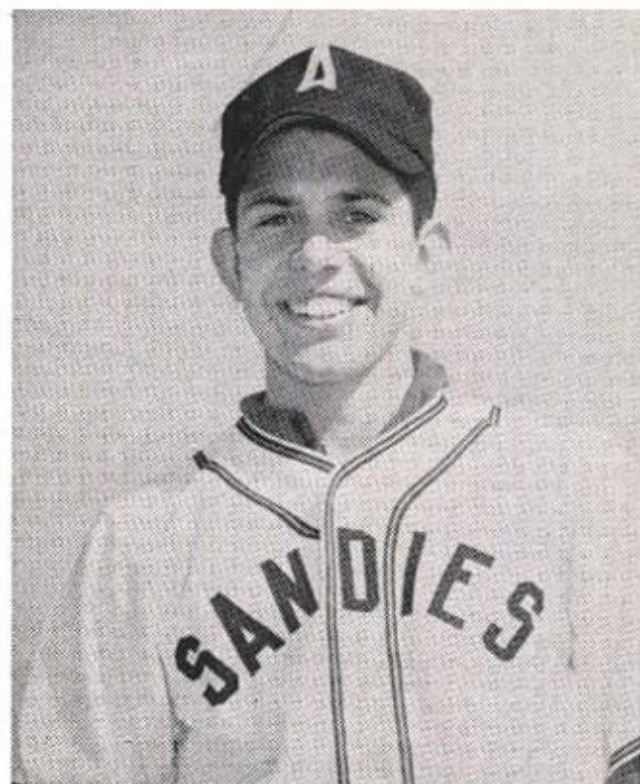

Last year the Sandie baseball squad fought right down to the wire in the district race, but fell short in finishing second to the Lubbock Westerners. The Sandies are sure to finish not less than first in the state in this campaign. Two years ago they were runners-up in the state so they are really determined to beat their record. Eleven returning lettermen promise to be an overpowering amount of all-round strength. The team has good hitters in third sacker, Bob Verplank; shortstop, Gene McClain; and outfielder, Kenneth Yates. The pitching staff has good control pitchers this year, which should give enemy batters all they can handle in curves, fastballs and drops. The baseballers have reflected the credit of good teamwork, cooperation, and spirit, the qualities that are most valued by all Amarillo students. Coach Pecchia has done a fine job as a coach and has all the confidence in the world in the boys. The baseball team has its eye on State, so you keep an eye on them.

In addition to winning the state team champion, they also had the individual champion in John Farquhar who shot a 141 over the tough course at Austin. Also playing on the state championship team were Henry Whitley, James Smith, and Bobby Westfall. They also won the district and regional crowns. They topped the crop in the Sandie Relays and West Texas Relays. The second team finished second to the first team in the District and third in the regional. Playing on the second team were Miles Childers, Joe Bob Brown, Jack Tom Riley and Bill Ford, Jr. This year's team is made up of Whitley, Childers, Brown, Philip Mathis, Johnny Hefley, Riley Ford, Bill Martin, David Fuller and Robert Tennant. Henry Whitley and Joe Bob Brown were elected as co-captains of the team.

WRESTLING

This year's AHS wrestling team won many honors for themselves and their school as they were undefeated in dual meets and won many championships for themselves in the West Texas AAU Tournament. The squad won a pair of dual meets over Lamar and Holly, Colorado and won the team championship in the West Texas Amateur Athletic Union tournament held in the Armory, February 14 and 15.

Wrestling for Coach Eldon Jackson were Jim Legg, Glenn Milligan, Barney Bales, James Evans, Jimmy Smith, Johnny Pinkston, Earl Purcell, Loyd Mowry, Jimmy Harding and Royce Spence. Harding was, perhaps, the best individual performer, as he was undefeated in dual meets and won the championship in the Geary tournament after being defeated in a closed match. Winning individual championships for the Sandies in the West Texas AAU tournament was Glenn Milligan at 114.5 pounds. He also was one of the last 30 wrestlers in the Pan American games try-outs held in San Antonio, including all divisions. Numerous seconds and thirds were won by the Sandies and their "B" team in the West Texas Tournament.

Amarillo's Joe Irwin set a new state record in the discus with a heave of 170 feet 11½ inches. The Sandie 440-yard relay team finished third; Walter McNew finished second in the mile; and the mile relay team finished fourth. The Sandie trackmen went to meets at Laredo, Midland, Odessa, Big Springs, Snyder, Austin, Canyon, Lubbock and Dallas. At all these meets, the team was praised by observers. Joe Irwin set a new record at every meet he participated in. Many records fell in the mile relay, 440 relay and mile run. The all-time great mile relay team consisted of Wick Alexander, Bill Reed, Lonnie Allen and Bobby Graham. They made their best showing by winning Texas Relays in the time of 3:25.

MEMBERS OF THE STAFF

The persons pictured on this page are the workers who have brought you the issues of THE SAND-STORM and this volume of the LA AIROSA. This is not all of them, but a good representative group of the boys and girls who spent countless hours behind the cameras and typewriters, at the publishers and the printers, with the sponsor and the staff to see that you, the AHS students, received the very finest in journalistic endeavor. Although all the honors and awards are not in as yet, this year's publications, whether they place tops nationally or on the state level have been for you, the students of AHS. We have made errors. We have misspelled names and left out some.

We have tried to give you complete coverage of the events of this great high school. If we have failed in some slight measure, please forgive us, as we are only human. We may act a little crazy, but it's just because we have a whale of a lot of fun in Journalism and on staffs of the two major publications. This has been a top year for all of us. We took class portraits at the registration time, for the first time in the history of AHS. We elected a state president, another first. And, the last volume of this book took the top state honor in the Texas High School Press Association convention in December. And, you don't hardly get them no more!

SUPPORTERS

Most all of the supporters of the '55 La Airosa are merchants and business houses who advise the general public of their merchandise through the local newspapers: The Amarillo Daily News, The Globe-Times and the Sunday News-Globe. Journalism students are pictured at left on a field trip through the mechanical department viewing the fabulous automatic type-setting machine. The newspapers began an intern program in cooperation with A.H.S. where student journalists may work at the daily paper for one week, getting experience as a reward.

Designed for Modern Living

For the modern homemaker who appreciates a kitchen with truly distinctive styling, the manufacturers of completely-automatic gas ranges now have the answer... the built-in units. The automatic gas built-in units will provide you with the same distinctive and exclusive features which only gas ranges have... plus a variety of colors and styles from which to choose. PLUS the convenience of waist-high oven and broiler.

See your dealer, builder or architect and select a modern, completely-automatic, built-in gas range that is designed for modern living.

Naturally...it's Gas

two mighty good brands

Yes, the AHS pennant and the Shamrock emblem are outstanding trademarks . . . each with its own traditions. The AHS pennant symbolizes a high school spirit that's unexcelled anywhere . . . the Shamrock emblem "marks the spot" where top quality petroleum products are found. They're both mighty good brands.

Sondra Johnson, AHS junior, poses with her horse, Rusty.

If wishes were horses...

Yes, horseback riding would be a more common sight today if all our wishes were horses. But even if they aren't, they can still come true. For instance, you can get lots of wishes off to a good start right now . . . by opening a savings account at your favorite bank. You know, the smallest amounts can add up to pretty sizable sums when they're saved regularly . . . and sizable sums can make many a big wish become fact.
